THE ST. JOE COMPANY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Dollars in thousands, unless otherwise stated)
(Unaudited)

1. Description of Business and Basis of Presentation

Description of Business

The St. Joe Company (the “Company”) is a real estate development company primarily engaged in residential, commercial and industrial development and rural land sales. The Company also has significant interests in timber. Most of its real estate operations, as well as its timber operations, are within the State of Florida.

Basis of Presentation

The accompanying unaudited interim financial statements have been prepared in accordance with the rules and regulations of the Securities and Exchange Commission (“SEC”) for reporting on Form 10-Q. Accordingly, certain information and footnotes required by generally accepted accounting principles in the United States for complete financial statements are not included herein. The consolidated interim financial statements include the accounts of the Company and all of its majority-owned and controlled subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation. The December 31, 2009 balance sheet amounts have been derived from the Company’s December 31, 2009 audited financial statements.

The statements reflect all normal recurring adjustments that, in the opinion of management, are necessary for fair presentation of the information contained herein. The consolidated interim statements should be read in conjunction with the financial statements and notes thereto included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2009. The Company adheres to the same accounting policies in preparation of its interim financial statements. As permitted under generally accepted accounting principles, interim accounting for certain expenses, including income taxes, are based on full year assumptions. For interim financial reporting purposes, income taxes are recorded based upon estimated annual effective income tax rates.

Certain prior period amounts have been reclassified to conform to the current period’s presentation.

Correction of Prior Period Error

In the first quarter of 2010, the Company determined that approximately \$2.6 million (\$1.6 million net of tax) of stock compensation expense related to the acceleration of the service period for retirement eligible employees should have been recognized in periods prior to 2010. Accordingly, the consolidated balance sheet for December 31, 2009 has been adjusted to reduce deferred income taxes, net, by \$1.0 million and increase common stock by \$2.6 million to reflect the correction of this error, with a corresponding \$1.6 million reduction recorded to retained earnings. This correction is similarly reflected as an adjustment to common stock and retained earnings as of December 31, 2009 in the consolidated statement of changes in equity. The correction of this error also affected the consolidated statements of operations for the three months and nine months ended September 30, 2009 and consolidated statement of cash flows for the nine months ended September 30, 2009. These corrections were not considered material to prior period financial statements.

New Accounting Standards

In January 2010, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update No. 2010-06, *Fair Value Measurements and Disclosures* (Topic 820): Improving Disclosures about Fair Value Measurements (“ASU 2010-06”). ASU 2010-06 requires some new disclosures and clarifies some existing disclosure requirements about fair value measurement as set forth in Codification Subtopic 820-10. ASU 2010-06 amends Codification Subtopic 820-10 to now require (1) a reporting entity to disclose separately the amounts of significant transfers in and out of Level 1 and Level 2 fair value measurements and describe the reasons for the transfers; (2) in the reconciliation for fair value measurements using significant unobservable inputs, a reporting entity should present separately information about purchases, sales, issuances, and settlements, and (3) a reporting entity should provide disclosures about the valuation techniques and inputs used to measure fair value for both recurring and nonrecurring fair value measurements. ASU 2010-06 is effective for interim and annual reporting periods beginning after December 15, 2009, except for the disclosures about purchases, sales, issuances, and settlements in the roll forward of activity in Level 3 fair value measurements. Those disclosures are effective for fiscal years

[Table of Contents](#)

beginning after December 15, 2010, and for interim periods within those fiscal years. The adoption of ASU No. 2010-06 did not have a material impact on the Company's financial position or results of operations.

In December 2009, the FASB issued ASU 2009-16, *Transfers and Servicing* (Topic 860) — Accounting for Transfers of Financial Assets (“ASU 2009-16”) and ASU 2009-17, *Consolidations* (Topic 810) — Improvements to Financial Reporting by Enterprises Involved with Variable Interest Entities (“ASU 2009-17”). ASU 2009-16 formally codifies Statement of Financial Accounting Standards (“SFAS”) No. 166, *Accounting for Transfers of Financial Assets*, while ASU 2009-17 codifies SFAS 167, *Amendments to FASB Interpretation No. 46(R)*. ASU 2009-16 represents a revision to the provisions of former SFAS 140, *Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities*, and will require more information about transfers of financial assets, including securitization transactions, and where entities have continuing exposure to the risks related to transferred financial assets. It eliminates the concept of a “qualifying special-purpose entity” (“QSPE”), changes the requirements for derecognizing financial assets and requires additional disclosures. ASU 2009-17 represents a revision to former Financial Interpretation No. 46 (Revised December 2003), *Consolidation of Variable Interest Entities*, and changes how a reporting entity determines when an entity that is insufficiently capitalized or is not controlled through voting (or similar rights) should be consolidated. The determination of whether a reporting entity is required to consolidate another entity is based on, among other things, the other entity's purpose and design and the reporting entity's ability to direct the activities of the other entity that most significantly impact the other entity's economic performance.

The updates require a number of new disclosures. ASU 2009-16 enhances information reported to users of financial statements by providing greater transparency about transfers of financial assets and an entity's continuing involvement in transferred financial assets. ASU 2009-17 requires a reporting entity to provide additional disclosures about its involvement with variable interest entities and any significant changes in risk exposure due to that involvement. A reporting entity will be required to disclose how its involvement with a variable interest entity affects the reporting entity's financial statements. The updates to the Codification are effective at the start of a reporting entity's first fiscal year beginning after November 15, 2009, or January 1, 2010, for a calendar year-end entity. ASU 2009-16 and ASU 2009-17 were adopted by the Company as required on January 1, 2010. The adoption of ASU 2009-16 and ASU 2009-17 did not have a material impact on the Company's financial position or results of operations. Although the Company holds a retained interest in bankruptcy remote entities that were previously considered QSPEs, the financial position and results of such QSPEs are not consolidated in the Company's financial statements. The Company evaluated the accounting requirements of ASU 2009-17 and determined that it would not be required to consolidate the financial position and results of the QSPEs as the Company is not the primary decision maker with respect to activities that could significantly impact the economic performance of the QSPEs, nor does the Company perform any service activity related to the QSPEs.

2. Stock-Based Compensation and Earnings Per Share

Stock-Based Compensation

Stock-based compensation cost is measured at the grant date based on the fair value of the award and is typically recognized as expense on a straight-line basis over the requisite service period, which is the vesting period. Stock-based compensation cost may be recognized over a shorter requisite service period if an employee meets retirement eligibility requirements. Additionally, the 15% discount at which employees may purchase the Company's common stock through payroll deductions is being recognized as compensation expense. Upon exercise of stock options or vesting of restricted stock, the Company will issue new common stock.

Service-Based Grants

A summary of service-based non-vested restricted share activity as of September 30, 2010 and changes during the nine month period are presented below:

Service-Based Non-Vested Restricted Shares	Number of Shares	Weighted Average Grant Date Fair Value
Balance at December 31, 2009	299,815	\$36.66
Granted	160,923	27.58
Vested	(121,616)	40.12
Forfeited	(28,070)	30.76
Balance at September 30, 2010	<u>311,052</u>	\$31.15

[Table of Contents](#)

As of September 30, 2010, there was \$2.2 million of unrecognized compensation cost, adjusted for estimated forfeitures, related to non-vested restricted stock and stock option compensation arrangements which will be recognized over a weighted average period of four years.

Market Condition Grants

The Company grants to select executives and other key employees non-vested restricted stock whose vesting is based upon the achievement of certain market conditions which are defined as the Company's total shareholder return as compared to the total shareholder return of certain peer groups during a three year performance period.

The Company currently uses a Monte Carlo simulation pricing model to determine the fair value of its market condition awards. The determination of the fair value of market condition-based awards is affected by the stock price as well as assumptions regarding a number of other variables. These variables include expected stock price volatility over the requisite performance term of the awards, the relative performance of the Company's stock price and shareholder returns to those companies in its peer groups and a risk-free interest rate assumption. Compensation cost is recognized regardless of the achievement of the market condition, provided the requisite service period is met.

A summary of the activity during the nine months ended September 30, 2010 is presented below:

Market Condition Non-Vested Restricted Shares	Number of Shares	Weighted Average Grant Date Fair Value
Balance at December 31, 2009	503,247	\$23.95
Granted	177,044	21.23
Vested	—	—
Forfeited	(98,010)	23.56
Balance at September 30, 2010	<u>582,281</u>	\$23.19

As of September 30, 2010, there was \$4.0 million of unrecognized compensation cost, adjusted for estimated forfeitures, related to market condition non-vested restricted shares which will be recognized over a weighted average period of three years. At September 30, 2010, the Company has accrued \$0.8 million related to cash liability awards that may be payable to terminated employees who had been granted market condition restricted shares.

Total stock-based compensation recognized in the consolidated statements of operations is as follows:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2010	2009	2010	2009
Stock-based compensation expense	\$1,911	\$872	\$4,730	\$7,455

Earnings (Loss) Per Share

Basic earnings (loss) per share is calculated by dividing net income (loss) by the average number of common shares outstanding for the period. Diluted earnings (loss) per share is calculated by dividing net income (loss) by the weighted average number of common shares outstanding for the period, including all potentially dilutive shares issuable under outstanding stock options and service-based non-vested restricted stock. Stock options and non-vested restricted stock are not considered in any diluted earnings per share calculations when the Company has a loss from continuing operations. Non-vested restricted shares subject to vesting based on the achievement of market conditions are treated as contingently issuable shares and are considered outstanding only upon the satisfaction of the market conditions.

The following table presents a reconciliation of average shares outstanding:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2010	2009	2010	2009
Basic average shares outstanding	91,773,482	91,496,677	91,635,193	91,357,912
Net effect of stock options assumed to be exercised	—	—	—	—
Net effect of non-vested restricted stock assumed to be vested	—	—	—	—
Diluted average shares outstanding	<u>91,773,482</u>	<u>91,496,677</u>	<u>91,635,193</u>	<u>91,357,912</u>

[Table of Contents](#)

Approximately 0.1 million and 0.2 million shares were excluded from the computation of diluted earnings (loss) per share during the three months ended September 30, 2010 and 2009, respectively, and 0.1 million and 0.2 million during the nine months ended September 30, 2010 and 2009, respectively, as the effect would have been anti-dilutive.

3. Fair value measurements

The Company follows the provisions of ASC 820 for its financial and non-financial assets and liabilities. ASC 820 among other things, defines fair value, establishes a consistent framework for measuring fair value and expands disclosure for each major asset and liability category measured at fair value on either a recurring or nonrecurring basis. ASC 820 clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, ASC 820 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1. Observable inputs such as quoted prices in active markets;

Level 2. Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and

Level 3. Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Assets and liabilities measured at fair value on a recurring basis are as follows:

Fair value as of September 30, 2010

During 2008 and 2007, the Company sold 79,031 acres and 53,024 acres, respectively, of timberland in exchange for 15-year installment notes receivable in the aggregate amount of \$108.4 million and \$74.9 million, respectively. The installment notes are fully backed by irrevocable letters of credit issued by Wells Fargo Bank, N.A. The Company contributed the installment notes to bankruptcy remote QSPEs.

During 2008 and 2007, the QSPEs monetized \$108.4 million and \$74.9 million, respectively, of installment notes by issuing debt securities to third party investors equal to approximately 90% of the value of the installment notes. Approximately \$96.1 million and \$66.9 million in net proceeds were distributed to the Company during 2008 and 2007, respectively. The debt securities are payable solely out of the assets of the QSPEs and proceeds from the letters of credit. The investors in the QSPEs have no recourse against the Company for payment of the debt securities or related interest expense.

Table of Contents

The QSPE's financial position and results are not consolidated in the Company's financial statements as the Company is not the primary decision maker with respect to the activities that could significantly impact the economic performance of the QSPEs, nor does the Company perform any service activity related to the QSPEs.

The Company has recorded a retained interest with respect to the monetization of certain installment notes through the use of QSPEs, which is recorded in other assets. The retained interest is an estimate based on the present value of cash flows to be received over the life of the installment notes. The Company's continuing involvement with the QSPEs is in the form of receipts of net interest payments, which are recorded as interest income and approximated \$0.3 million for each of the nine months ended September 30, 2010 and 2009, respectively. In addition, the Company will receive the payment of the remaining principal on the installment notes during 2022 and 2023.

In accordance with ASC 325, *Investments — Other, Subtopic 40 — Beneficial Interests in Securitized Financial Assets*, the Company recognizes interest income over the life of the retained interest using the effective yield method with discount rates ranging from 2%-7%. This income adjustment is being recorded as an offset to loss on monetization of notes over the life of the installment notes. In addition, fair value may be adjusted at each reporting date when, based on management's assessment of current information and events, there is a favorable or adverse change in estimated cash flows from cash flows previously projected. The Company did not record any impairment adjustments as a result of changes in previously projected cash flows during the first nine months of 2010 or 2009.

The following is a reconciliation of the Company's retained interest in QSPEs:

	<u>2010</u>
Balance January 1	\$ 9,881
Additions	—
Accretion of interest income	298
Balance September 30	<u>\$ 10,179</u>

In the event of a failure and liquidation of the financial institution involved in our installment sales, the Company could be required to write-off the remaining retained interest recorded on its balance sheet in connection with the installment sale monetization transactions, which would have an adverse effect on the Company's results of operations and balance sheet.

On October 21, 2009, the Company entered into a strategic alliance agreement with Southwest Airlines to facilitate the commencement of low-fare air service to the new Northwest Florida Beaches International Airport. The Company has agreed to reimburse Southwest Airlines if it incurs losses on its service at the new airport during the first three years of service by making specified break-even payments. There was no reimbursement required during the third quarter of 2010 and a carryover profit will be applied to the reimbursement calculation for the fourth quarter of 2010. The agreement also provides that Southwest Airlines' profits from the air service during the term of the agreement will be shared with the Company up to the maximum amount of our break-even payments.

The term of the agreement extends for a period of three years ending May 23, 2013. Although the agreement does not provide for maximum payments, the agreement may be terminated by the Company if the break-even payments to Southwest Airlines exceed \$14.0 million in the first year of air service or \$12.0 million in the second year. Southwest Airlines may terminate the agreement if its actual annual revenues attributable to the air service at the new airport are less than certain minimum annual amounts established in the agreement.

The Company measured the associated standby guarantee liability at fair value based upon a discounted cash flow analysis based on management's best estimates of future cash flows to be paid by the Company pursuant to the strategic alliance agreement. These cash flows are based on numerous estimates including future fuel costs, passenger load factors, air fares, and seasonality. The fair value of the liability could fluctuate up or down significantly as a result of changes in assumptions related to these estimates and could have a material impact on the Company's operating results.

The Company carried a standby guarantee liability of \$0.8 million at September 30, 2010 and December 31, 2009 related to this strategic alliance agreement. The Company reevaluates this estimate quarterly.

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Homes and homesites substantially completed and ready for sale are measured at lower of carrying value or fair value less costs to sell. The fair value of homes and homesites is determined based upon final sales prices of inventory sold during the period (level 2 inputs). For inventory held for sale, estimates of selling prices based on current market data are utilized (level 3 inputs). For projects under development, an estimate of future cash flows on an undiscounted basis is performed using estimated future expenditures necessary to maintain and complete the

[Table of Contents](#)

existing project and using management's best estimates about future sales prices, sales volume, sales velocity and holding periods (level 3 inputs). In addition, the estimated length of expected development periods, related economic cycles and inherent uncertainty with respect to these projects, such as the impact of change in development plans and the Company's intent and ability to hold the projects through the development period, could result in changes to these estimates. The Company's assets measured at fair value on a nonrecurring basis are those assets for which the Company has recorded valuation adjustments and write-offs during the current period. The assets measured at fair value on a nonrecurring basis during the nine months ended September 30, 2009 were as follows:

	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>	<u>Fair Value September 30, 2009</u>	<u>Total Losses</u>
Non-financial assets:					
Investment in real estate	—	\$25,613	\$6,952	\$32,565	\$13,250

Long-lived assets sold or held for sale with a carrying amount of \$45.8 million were written down to their fair value of \$32.6 million, resulting in a loss of \$13.3 million, which was included in impairment losses for the nine months ending September 30, 2009.

For the nine months ended September 30, 2010, impairment charges related to the investment in real estate were \$0.1 million.

4. Derivative Financial Instruments

The Company accounts for derivative financial instruments in accordance with ASC 815 - *Derivatives and Hedging* ("ASC 815"). ASC 815 requires that an entity recognize all derivatives, as defined, as either assets or liabilities at fair value. The Company uses derivative instruments to manage its exposure to cash flow risks inherent in its standby guarantee agreement with Southwest Airlines and does not hold or issue derivative instruments for speculative or trading purposes.

As discussed in Note 3, the Company's agreement with Southwest Airlines includes variable cost components which could have a significant impact on the Company's cash flows. Airline operators are inherently dependent upon fuel to operate, and therefore, are effected by changes in jet fuel prices. During the second quarter of 2010, the Company entered into a short-term financial derivative instrument to mitigate any potential adverse impact which may result from an increase in jet fuel costs. Specifically, the Company entered into a collar transaction in which the Company purchased a call option and sold a put option against the underlying cost of jet fuel for a portion of Southwest Airlines' estimated fuel volumes. This derivative instrument is not designated as a hedge and changes in the fair value of this derivative instrument are recognized in other, net on a monthly basis. There was no initial net cost of the derivative contracts, and there was no gain or (loss) recognized during the three months ended September 30, 2010.

5. Discontinued Operations

In December 2009, the Company sold Victoria Hills Golf Club as part of the bulk sale of Victoria Park and sold the St. Johns Golf and Country Club. The Company has classified the operating results associated with these golf courses as discontinued operations as these operations had identifiable cash flows and operating results, and the Company has no continuing involvement in their operations.

On February 27, 2009, the Company sold its remaining inventory and equipment assets related to its Sunshine State Cypress mill and mulch plant.

Discontinued operations presented on the consolidated statements of operations for the three and nine months ended September 30, 2009 included the following:

Included in operating property are Company-owned amenities related to residential real estate, the Company's timberlands, and land and buildings developed by the Company and used for commercial rental purposes. Development property consists of residential real estate land and inventory currently under development to be sold. Investment property primarily includes the Company's land held for future use.

7. Notes Receivable

Notes receivable consisted of the following:

	<u>September 30, 2010</u>	<u>December 31, 2009</u>
Various builders	\$ 1,727	\$ 1,795
Pier Park Community Development District	2,761	2,641
Perry Pines mortgage note	6,263	6,263

Total notes receivable	<u>\$ 11,365</u>	<u>\$ 11,503</u>

The Company evaluates the need for an allowance for doubtful notes receivable at each reporting date. Notes receivable balances are adjusted to net realizable value based upon a review of entity specific facts or when terms are modified. During the second quarter of 2010, the Company recorded a \$0.5 million write-down resulting from a renegotiated builder note receivable. During the second quarter of 2009, the Company determined the Advantis note receivable was uncollectible and

[Table of Contents](#)

accordingly recorded a charge of \$7.4 million related to the write-off of the outstanding balance. In addition, the Company received a deed in lieu of foreclosure related to a \$4.0 million builder note receivable during the second quarter of 2009 and renegotiated terms related to certain other builder notes receivable during the third quarter of 2009. These events resulted in impairment charges of \$0.1 million and \$1.7 million during the three and nine month periods ended September 30, 2009, respectively.

8. Restructuring

The Company announced on March 17, 2010 that it is relocating its corporate headquarters from Jacksonville, Florida to its VentureCrossings Enterprise Centre to be developed adjacent to the new Northwest Florida Beaches International Airport in Bay County, Florida. The Company will also be consolidating existing offices from Tallahassee, Port St. Joe and South Walton County into the new location. The relocation is expected to be completed during 2011.

The Company has incurred and expects to incur additional charges to earnings in connection with the relocation related primarily to termination and relocation benefits for employees, as well as certain ancillary facility-related costs. Such charges have been and are expected to be cash expenditures. Based on employee responses to the announced relocation, the Company estimates that total relocation costs should be approximately \$5.5 million (pre-tax) of which \$2.0 million was recorded in first nine months of 2010. The relocation costs include relocation bonuses, temporary lodging expenses, resettlement expenses, tax payments, shipping and storage of household goods, and closing costs for housing transactions. These estimates are based on significant assumptions, such as home values and actual results could differ materially from these estimates. In addition the Company estimates total cash termination benefits of approximately \$2.2 million (pre-tax) of which \$1.8 million was recorded in the first nine months of 2010. Also, during the third quarter of 2010, the Company purchased the home of an executive for \$1.9 million.

The charges associated with the Company's 2010 restructuring and reorganization program by segment are as follows:

	<u>Residential Real Estate</u>	<u>Commercial Real Estate</u>	<u>Rural Land Sales</u>	<u>Forestry</u>	<u>Other</u>	<u>Total</u>
Three months ended September 30, 2010:						
One-time termination and relocation benefits to employees	\$ 211	\$ 29	\$ 70	\$ 187	\$ 1,137	\$ 1,634
Cumulative restructuring charges, January 1, 2010 through September 30, 2010	\$ 905	\$ 38	\$ 763	\$ 187	\$ 1,898	\$ 3,791
Remaining estimated one-time termination and relocation benefits to employees	\$ 290	\$ 8	\$ 221	\$ 395	\$ 2,927	\$ 3,841

The company also incurred an additional \$0.5 million related to prior restructurings during the first nine months of 2010. At September 30, 2010, the remaining accrued liability associated with restructurings and reorganization programs consisted of the following:

	<u>Balance at December 31, 2009</u>	<u>Costs Accrued</u>	<u>Payments</u>	<u>Balance at September 30, 2010</u>	<u>Due within 12 months</u>
One-time termination and relocation benefits to employees — 2010 relocation	\$ —	\$ 3,791	\$ (2,734)	\$ 1,057	\$ 1,057

Non-recourse defeased debt	25,757	27,105
Community Development District debt	12,566	12,403
Total debt	\$ 38,323	\$ 39,508

Table of Contents

The aggregate scheduled maturities of debt subsequent to September 30, 2010 are as follows (a):

2010	\$ 476

2012	2,018
2013	1,586
2014	1,507

Total	<u>\$ 38,323</u>

(a) Includes debt defeased in connection with the sale of the Company's office portfolio in the amount of \$25.8 million.

The Company has a \$125 million revolving Credit Agreement (the "Credit Agreement") with Branch Banking and Trust Company and Deutsche Bank. The Credit Agreement expires on September 19, 2012. The Credit Agreement contains covenants relating to leverage, unencumbered asset value, net worth, liquidity and additional debt. The Credit Agreement does not contain a fixed charge coverage covenant. The Credit Agreement also contains various restrictive covenants pertaining to acquisitions, investments, capital expenditures, dividends, share repurchases, asset dispositions and liens. The following includes a summary of the Company's more significant financial covenants:

	Covenant	September 30, 2010
Minimum consolidated tangible net worth	\$800,000	\$872,009
Ratio of total indebtedness to total asset value	50.0%	2.8%
Unencumbered leverage ratio	2.0x	98.5x
Minimum liquidity	\$ 20,000	\$320,002

The Company was in compliance with its debt covenants at September 30, 2010.

The Credit Agreement contains customary events of default. If any event of default occurs, lenders holding two-thirds of the commitments may terminate the Company's right to borrow and accelerate amounts due under the Credit Agreement. In the event of bankruptcy, all amounts outstanding would automatically become due and payable and the commitments would automatically terminate.

10. Employee Benefit Plans

The Company sponsors a cash balance defined benefit pension plan that covers substantially all of its salaried employees. A summary of the net periodic benefit expense follows:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2010	2009	2010	2009
Service cost	\$ 511	\$ 362	\$ 1,322	\$ 1,079

On June 18, 2009, the Company, as plan sponsor of The St. Joe Company Pension Plan (the "Pension Plan"), signed a commitment for the Pension Plan to purchase a group annuity contract from Massachusetts Mutual Life Insurance Company for the benefit of the retired participants and certain other former employee participants in the Pension Plan. Current employees and former employees with cash balances in the Pension Plan are not affected by the transaction. The purchase price of the group annuity contract was approximately \$101.0 million, which was funded from the assets of the Pension Plan on June 25, 2009 and included a premium to assume these obligations. The transaction resulted in the transfer and settlement of pension benefit obligations of approximately \$93.0 million, which represented the obligation prior to the annuity purchase

[Table of Contents](#)

for the affected retirees and vested terminated employees. In addition, the Company recorded a non-cash settlement pre-tax charge to earnings during the third quarter of 2009 of \$44.7 million. The Company also recorded a pre-tax credit in the amount of \$44.7 million in Accumulated Other Comprehensive Income on its Consolidated Balance Sheet offsetting the non-cash charge to earnings.

The Company remeasures its plan assets and benefit obligation at each December 31. As a result of settlements and curtailments which occurred during the nine months ended September 30, 2010, the Company was required to remeasure its plan assets and benefit obligation as of September 30, 2010.

11. Income Taxes

The Company had approximately \$1.4 million of total unrecognized tax benefits as of September 30, 2010 and December 31, 2009, none of which, if recognized, would materially affect its effective income tax rate. The Company recognizes interest and/or penalties related to income tax matters in income tax expense. The Company had accrued interest of \$0.2 million and \$0.3 million (net of tax benefit) at September 30, 2010 and December 31, 2009, respectively, related to uncertain tax positions. There were no significant changes to unrecognized tax benefits including interest and penalties during the third quarter of 2010, and the Company does not expect any significant changes to its unrecognized tax benefits during the next twelve months.

On March 23, 2010, the Patient Protection and Affordable Care Act (the "PPACA") was signed into law, and, on March 30, 2010, the Health Care and Education Reconciliation Act of 2010 (the "HCERA" and, together with PPACA, the "Acts"), which makes various amendments to certain aspects of the PPACA, was signed into law. The Acts effectively change the tax treatment of federal subsidies paid to sponsors of retiree health benefit plans that provide prescription drug benefits that are at least actuarially equivalent to the corresponding benefits provided under Medicare Part D.

The Company recognized a noncash charge of approximately \$0.6 million during the quarter ended March 31, 2010 to reduce deferred tax assets to reflect the change in the tax treatment of the federal subsidy.

The change in the tax treatment of the federal subsidy only affects the application of tax law to the Company's prescription drug plans that are actuarially equivalent to Medicare Part D and is not expected to result in an increase in the pre-tax cost of providing such plans to its retirees and employees.

12. Segment Information

The Company conducts primarily all of its business in four reportable operating segments: residential real estate, commercial real estate, rural land sales and forestry. The residential real estate segment develops and sells homesites and now, to a lesser extent, homes, following the Company's exit from homebuilding. The commercial real estate segment sells developed and undeveloped land as well as leases land. The rural land sales segment primarily sells parcels of land included in the Company's timberland holdings. The forestry segment produces and sells pine pulpwood, sawtimber and other forest products.

The Company uses loss from continuing operations before equity in income (loss) of unconsolidated affiliates, income taxes and noncontrolling interest for purposes of making decisions about allocating resources to each segment and assessing each segment's performance, which the Company believes represents current performance measures.

The accounting policies of the segments are the same as those described above in the summary of significant accounting policies and in our Form 10-K. Total revenues represent sales to unaffiliated customers, as reported in the Company's consolidated statements of operations. All intercompany transactions have been eliminated. The caption entitled "Other" consists of corporate general and administrative expenses, net of investment income.

13. Contingencies

The Company has retained certain self-insurance risks with respect to losses for third party liability and property damage.

At September 30, 2010 and December 31, 2009, the Company was party to surety bonds of \$15.7 million and \$28.1 million, respectively, and standby letters of credit in the amount of \$1.4 million which may potentially result in liability to the Company if certain obligations of the Company are not met.

The Company and its affiliates are involved in litigation on a number of matters and are subject to various claims which arise in the normal course of business, including claims resulting from construction defects and contract disputes. When appropriate, the Company establishes estimated accruals for litigation matters which meet the requirements of ASC 450 — *Contingencies*. The Company has recorded an \$8.8 million reserve in connection with a contract dispute involving the 1997 purchase of land for its former Victoria Park community. The Company has appealed an adverse trial court decision in this matter to a Florida court of appeals.

The Company is also subject to claims arising out of environmental laws and regulations. These claims may include the obligation to remove or limit the effects on the environment of the disposal or release of certain wastes or substances at various sites, including sites which have been previously sold. Pending claims include the Company's former paper mill site in Gulf County, certain adjacent properties and other properties. These claims may be subject to various Consent Agreements and Brownfield Site Rehabilitation Agreements with the Florida Department of Environmental Protection. The Company is in the process of assessing and rehabilitating certain of its properties.

It is the Company's policy to accrue and charge against earnings environmental cleanup costs when it is probable that a liability has been incurred and an amount can be reasonably estimated. As assessments and cleanups proceed, these accruals are reviewed and adjusted, if necessary, as additional information becomes available. Aggregate environmental-related accruals were \$1.6 million at September 30, 2010 and \$1.7 million at December 31, 2009 respectively.

Although in the opinion of management none of our litigation matters or governmental proceedings is expected to have a material adverse effect on the Company's consolidated financial position, results of operations or liquidity, it is possible that actual amounts of liabilities resulting from such matters could be material.

On October 21, 2009, the Company entered into a strategic alliance agreement with Southwest Airlines to facilitate the commencement of low-fare air service to the new Northwest Florida Beaches International Airport. The Company has agreed to reimburse Southwest Airlines if it incurs losses on its service at the new airport during the first three years of service. See Note 3 for further discussion of this standby guarantee.

14. Concentration of Risks and Uncertainties

Financial instruments that potentially subject the Company to a concentration of credit risk consist of cash, cash equivalents, notes receivable and retained interests. The Company deposits and invests excess cash with major financial institutions in the United States. Balances may exceed the amount of insurance provided on such deposits.

Some of the Company's notes receivable are from homebuilders and other entities associated with the real estate industry. As with many entities in the real estate industry, revenues have contracted for a number of these companies, and they may be increasingly dependent on their lenders' continued willingness to provide funding to maintain ongoing liquidity. The Company evaluates the need for an allowance for doubtful notes receivable at each reporting date.

There are not any other entity specific facts which currently cause the Company to believe that the remaining notes receivable will be realized at amounts below their carrying values; however, due to the slump in real estate markets and tightened credit conditions, the collectability of these receivables represents a significant risk to the Company and changes in the likelihood of collectability could adversely impact the accompanying financial statements.

The Company's real estate investments are concentrated in the State of Florida. A prolonged slump in the Florida real estate market and the economy could have an adverse impact on the Company's real estate values.

The Company believes the large oil spill in the Gulf of Mexico from the Deepwater Horizon incident had and will continue to have a negative impact on our properties, results of operations and stock price and has created uncertainty about the future of the Gulf Coast region. The Company has filed several lawsuits against the parties responsible for the oil spill seeking the recovery of damages. The Company cannot be certain, however, of the amount of any recovery or the ultimate success of its claims.

Overview

We own a large inventory of land suitable for development in Florida. The majority of our land is located in Northwest Florida and has a very low cost basis. In order to optimize the value of these core real estate assets, we seek to reposition portions of our substantial timberland holdings for higher and better uses. We seek to create value in our land by securing entitlements for higher and better land-uses, facilitating infrastructure improvements, developing community amenities, undertaking strategic and expert land planning and development, parceling our land holdings in creative ways, performing land restoration and enhancement and promoting economic development.

We have four operating segments: residential real estate, commercial real estate, rural land sales and forestry.

Our residential real estate segment generates revenues from:

- the sale of developed homesites to retail customers and builders;

Table of Contents

- the sale of parcels of entitled, undeveloped land;
- the sale of housing units built by us;
- resort and club operations;
- rental income; and
- brokerage fees on certain transactions.

Our commercial real estate segment generates revenues from the sale or lease of developed and undeveloped land for retail, multi-family, office, hotel, industrial uses and rental income. Our rural land sales segment generates revenues from the sale of parcels of undeveloped land and rural land with limited development, easements, and mitigation bank credits. Our forestry segment generates revenues from the sale of pulpwood, sawtimber and forest products and conservation land management services.

Our business, financial condition and results of operations continued to be adversely effected during the third quarter of 2010 by the real estate downturn and economic recession in the United States. This challenging environment has exerted negative pressure on the demand for all of our real estate products and contributed to our net loss for the first nine months of 2010.

We believe the large oil spill in the Gulf of Mexico from the Deepwater Horizon incident had and will continue to have a negative impact on our properties, results of operations and stock price and has created uncertainty about the future of the Gulf Coast region. The Company has filed several lawsuits against parties responsible for the oil spill seeking the recovery of damages. The Company cannot be certain, however, of the amount of any recovery or the ultimate success of its claims.

Critical Accounting Estimates

The discussion and analysis of our financial condition and results of operations are based upon our consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosures of contingent assets and liabilities. We base these estimates on historical experience, available current market information and on various other assumptions that management believes are reasonable under the circumstances. Additionally we evaluate the results of these estimates on an on-going basis. Management's estimates form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

The critical accounting policies that we believe reflect our more significant judgments and estimates used in the preparation of our consolidated financial statements are set forth in Item 7 of our annual report on Form 10-K for the year ended December 31, 2009. There have been no significant changes in these policies during the first nine months of 2010.

Investment in Real Estate and Cost of Real Estate Sales. Costs associated with a specific real estate project are capitalized during the development period. We capitalize costs directly associated with development and construction of identified real estate projects. Indirect costs that clearly relate to a specific project under development, such as internal costs of a regional project field office, are also capitalized. We capitalize interest (up to total interest expense) based on the amount of underlying expenditures and real estate taxes on real estate projects under development. If we determine not to complete a project, any previously capitalized costs are expensed in the period such determination is made.

Real estate inventory costs include land and common development costs (such as roads, sewers and amenities), multi-family construction costs, capitalized property taxes, capitalized interest and certain indirect costs. Construction costs for single-family homes are determined based upon actual costs incurred. A portion of real estate inventory costs and estimates for costs to complete are allocated to each unit based on the relative sales value of each unit as compared to the estimated sales value of the total project. These estimates are reevaluated at least annually, and more frequently if warranted by market conditions or other factors, with any adjustments being allocated prospectively to the remaining units available for sale. The accounting estimate related to inventory valuation is susceptible to change due to the use of assumptions about future sales proceeds and related real estate expenditures. Management's assumptions about future housing and homesite sales prices, sales volume and sales velocity require significant judgment because the real estate market is cyclical and highly sensitive to changes in economic conditions. In addition, actual results could differ from management's estimates due to changes in anticipated development, construction and overhead costs.

Fair Value Measurements — We follow the fair value provisions of ASC 820 — *Fair Value Measurements and Disclosures* ("ASC 820") for our financial and non-financial assets and liabilities. ASC 820, among other things, defines fair value, establishes a consistent framework for measuring fair value and expands disclosure for each major asset and liability category measured at fair value on either a recurring or nonrecurring basis. ASC 820 clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, ASC 820 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1. Observable inputs such as quoted prices in active markets;

Level 2. Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and

Level 3. Unobservable inputs in which there is little or no market data, such as internally-developed valuation models which require the reporting entity to develop its own assumptions.

Our investment in real estate utilizes Level 2 and Level 3 inputs in fair value calculations and the associated underlying assumptions as follows:

Investment in real estate — Our investments in real estate are carried at cost unless circumstances indicate that the carrying value of the assets may not be recoverable. If we determine that an impairment exists due to the inability to recover an asset's carrying value, a provision for loss is recorded to the extent that the carrying value exceeds estimated fair value. If such assets were held for sale, the provision for loss would be recorded to the extent that the carrying value exceeds estimated fair value less costs to sell.

Depending on the asset, we use varying methods to determine fair value, such as (i) analyzing expected future cash flows, (ii) determining resale values by market, or (iii) applying a capitalization rate to net operating income using prevailing rates in a given market.

Homes and homesites substantially completed and ready for sale are measured at the lower of carrying value or fair value less costs to sell. The fair value of homes and homesites is determined based upon final sales prices of inventory sold during the period (level 2 inputs). For inventory held for sale, estimates of selling prices based on current market data are utilized (level 3 inputs). For projects under development, an estimate of future cash flows on an undiscounted basis is performed using estimated future expenditures necessary to maintain and complete the existing project and using management's best estimates about future sales prices, sales volume, sales velocity and holding periods (level 3 inputs). In addition, the estimated length of expected development periods, related economic cycles and inherent uncertainty with respect to these projects, such as the impact of changes in development plans and our intent and ability to hold the projects through the development period, could result in changes to these estimates.

Correction of Prior Period Error

In the first quarter of 2010, we determined that approximately \$2.6 million (\$1.6 million net of tax) of stock compensation expense related to the acceleration of the service period for retirement eligible employees should have been recognized in periods prior to 2010. Accordingly, the consolidated balance sheet for December 31, 2009 has been adjusted to reduce deferred income taxes, net, by \$1.0 million and increase common stock by \$2.6 million to reflect the correction of this error, with a corresponding \$1.6 million reduction recorded to retained earnings. The correction is similarly reflected as an adjustment to common stock and retained earnings as of December 31, 2009 in the consolidated statement of changes in equity. The correction of this error also impacted the consolidated statements of operations for the three and nine months ended September 30, 2009 and cash flows for the nine months ended September 30, 2009. These corrections were not considered material to prior period financial statements.

Recently Issued Accounting Standards

See Note 1 to our unaudited consolidated financial statements included in this report for recently issued accounting standards.

The decrease in real estate sales revenues and cost of real estate sales for the three months and nine months ended September 30, 2010 compared to 2009 was primarily due to decreased sales in our residential real estate segment. Residential real estate sales continue to remain weak as a result of various factors, including oversupply, depressed prices within the Florida real estate markets, poor economic conditions and the oil spill from the Deepwater Horizon incident in the Gulf of Mexico. In addition, our rural land sales decreased during the nine months of 2010 compared to 2009 as a result of our planned reduction in large tract rural land sales as well as weakened demand.

Other operating expenses increased by \$3.5 million, or 39.8% for the third quarter of 2010 compared to 2009. The increases for the quarter ended September 30, 2010 were due to a \$4.9 million reserve for litigation. For the nine months ended September 30, 2010 as compared to 2009 other operating expenses decreased by \$4.3 million or 13.4%, which was due to lower general and administrative expenses as a result of our restructuring efforts and the sale of certain properties in 2009, which reduced 2010 carrying costs. For further detailed discussion of revenues and expenses, see Segment Results below.

Corporate expense. Corporate expense, consisting of corporate general and administrative expenses, was \$9.8 million and \$6.0 million, during the three months ended September 30, 2010 and 2009, respectively, an increase of 63.3% or \$3.8 million. For the nine months ended September 30, 2010 and 2009, corporate expense was \$23.3 million and \$20.1 million respectively, an increase of 15.9% or \$3.2 million. Included in the three months ended September 30, 2010 were legal and clean-up costs resulting from the Deepwater Horizon incident of \$2.6 million. Our overall employee and administrative costs have decreased as a result of reduced headcount and cost savings initiatives. Corporate expense for the third quarter of 2010 and 2009 included pension expense of \$1.7 million and \$0.4 million, respectively. Corporate expense for the nine months ended September 30, 2010 included pension expense of \$3.6 million compared to pension income of \$0.4 million for the nine months ended September 30, 2009.

Pension settlement charge. On June 18, 2009, as plan sponsor, we signed a commitment for the pension plan to purchase a group annuity contract from Massachusetts Mutual Life Insurance Company for the benefit of the retired participants and certain other former employee participants in our pension plan. Current employees and former employees with cash balances in the pension plan were not affected by the transaction. The purchase price of the annuity was approximately \$101.0 million, which was funded from the assets of the pension plan on June 25, 2009 and included a premium to assume these obligations. The transaction resulted in the transfer and settlement of pension benefit obligations of approximately \$93.0 million, which represented the obligation prior to the annuity purchase for the affected retirees and vested terminated employees. In addition, we recorded a non-cash settlement charge to earnings during the third quarter of 2009 of \$44.7 million. We also recorded a \$44.7 million pre-tax credit in Accumulated Other Comprehensive Income on our Consolidated Balance Sheet offsetting the non-cash charge to earnings. As a result of this transaction, we were able to significantly increase the funded status ratio of the pension plan, thereby reducing the potential for future funding requirements.

Impairment Losses. We review our long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Homes and homesites substantially completed and ready for sale are measured at the lower of carrying value or fair value less costs to sell. For projects under development, an

[Table of Contents](#)

estimate of future cash flows on an undiscounted basis is performed using estimated future expenditures necessary to maintain and complete the existing project and using management's best estimates about future sales prices, sales volume, sales velocity and holding periods. In addition, the estimated length of expected development periods, related economic cycles and inherent uncertainty with respect to these projects, such as the impact of change in development plans and our intent and ability to hold the projects through the development period, could result in changes to these estimates. During the nine months ended September 30, 2010, we recorded impairment charges on homes and homesites of \$0.1 million, in the residential real estate segment. During the first nine months of 2010 we also recorded a \$0.5 million write-down resulting from a renegotiated builder note receivable in the residential segment.

During the third quarter of 2009 we recorded impairment charges of \$11.1 million as follows: \$9.0 million write-down related to the settlement of the Saussy Burbank notes receivable, a \$0.1 million write-down of builder notes receivable and a \$1.1 million impairment charge related to other long-term assets; and 0.9 million write-down related to completed unsold homes and homesites.

During the first nine months of 2009 we recorded impairment charges of \$32.6 million as follows: \$6.5 million impairment charge related to completed unsold homes and homesites; \$6.7 million write-down of the SevenShores condominium and marina development project; \$9.0 million write-down related to the settlement of the Saussy Burbank notes receivable; a \$7.4 million write-off of the Advantis note receivable; \$1.9 million write-down of builder notes receivable; and \$1.1 million impairment charge related to other long-term assets.

A continued decline in demand and market prices for our real estate products may require us to record additional impairment charges in the future. In addition, due to the ongoing difficulties in the real estate markets and tightened credit conditions, we may be required to write-down the carrying value of our notes receivable when such notes are determined to not be collectible.

Restructuring charge. We announced on March 17, 2010 that we are relocating our corporate headquarters from Jacksonville, Florida to our VentureCrossings Enterprise Centre to be developed adjacent to the new Northwest Florida Beaches International Airport in Bay County, Florida. We will also be consolidating existing offices from Tallahassee, Port St. Joe and South Walton County into the new location. The relocation is expected to be completed during 2011.

We have incurred and expect to incur additional charges to earnings in connection with the relocation related primarily to termination and relocation benefits for employees, as well as certain ancillary facility-related costs. Such charges are expected to be cash expenditures. Based on employee responses to the announced relocation, we estimate that total relocation costs should be approximately \$5.5 million (pre-tax), of which \$2.0 million was recorded in the first nine months of 2010. The relocation costs include relocation bonuses, temporary lodging expenses, resettlement expenses, tax payments, shipping and storage of household goods, and closing costs for housing transactions. These estimates are based on significant assumptions, such as current home values however actual results could differ materially from these estimates.

In addition, we estimate total cash termination benefits to be approximately \$2.2 million (pre-tax) of which \$1.8 million was recorded in the first nine months of 2010. Most of the termination and relocation benefits described above are expected to be incurred through the third quarter of 2011. Also, during the third quarter, we purchased the home of an executive for \$1.9 million. See Note 8 to our consolidated financial statements for further information regarding our restructuring charges.

Other (expense) income. Other (expense) income consists of investment income, interest expense, gains on sales and dispositions of assets, fair value adjustment of our retained interest in monetized installment notes receivable and other income. Other (expense) income was \$(3.7) million and \$1.2 million for the three months ended September 30, 2010 and 2009, respectively, and \$(3.7) million and \$3.3 million for the nine months ended September 30, 2010 and 2009, respectively.

Investment income, net decreased by \$0.4 million and \$0.9 million during the three and nine months ending September 30, 2010 compared to 2009, respectively, primarily as a result of lower investment returns on our cash balances.

Interest expense increased by \$5.1 million and \$7.1 million during the three and nine months ended September 30, 2010 compared to 2009 primarily due to interest recorded on a reserve for litigation of \$4.1 million and interest on our community development district debt obligations not being capitalized in 2010 due to reduced spending levels.

Equity in (loss) income of unconsolidated affiliates. We have investments in affiliates that are accounted for by the equity method of accounting. Equity in (loss) income primarily related to joint ventures within our residential real estate segment which are now substantially sold out.

[Table of Contents](#)

Income tax (benefit) expense. Income tax (benefit) expense, including income tax on discontinued operations, totaled \$(8.6) million and \$(11.9) million for the three months ended September 30, 2010 and 2009, respectively and \$(21.3) million and \$(47.8) million for the nine months ended September 30, 2010 and 2009, respectively. Our effective tax rate was 39.5% and 45.0% for the three months ended September 30, 2010 and 2009, respectively, 39.1% and 40.0% for the nine months ended September 30, 2010 and 2009, respectively.

Discontinued Operations. (Loss) from discontinued operations, net of tax, totaled \$(0.2) million and \$(0.4) million in the three months and nine months ended September 30, 2009, respectively. See our Residential Real Estate and Forestry sections below for further detail on discontinued operations.

Segment Results

Residential Real Estate

Our residential real estate segment typically plans and develops mixed-use resort, primary and seasonal residential communities of various sizes, located primarily on our existing land. We own large tracts of land in Northwest Florida, including significant Gulf of Mexico beach frontage and waterfront properties, and land near Jacksonville and Tallahassee.

Our residential sales remain weak. The real estate downturn, economic recession and the oil spill from the Deepwater Horizon incident in the Gulf of Mexico have all exerted negative pressure on the demand for real estate products in our markets. Inventories of resale homes and homesites remain high in our markets and prices remain depressed. We also believe that the oil spill has negatively impacted our resort and club operating results. We do not expect any significant favorable changes in market conditions in the near term.

Homes and homesites substantially completed and ready for sale are measured at the lower of carrying value or fair value less costs to sell. For projects under development, an estimate of future cash flows on an undiscounted basis is performed. In 2009, the overall decrease in demand and market prices for residential real estate indicated that certain carrying amounts within our residential real estate segment were not recoverable. In the third quarter of 2009, we recorded impairment charges of \$0.9 million related to completed and unsold homes and homesites, and a \$0.1 million write-down of builder notes receivable. In addition, we recorded an impairment charge of \$9.0 million in the third quarter of 2009 related to the settlement of our Saussy Burbank notes receivable and \$0.6 million related to a residential segment intangible asset.

For the first nine months of 2009, we recorded impairment charges of \$24.7 million in the residential segment consisting of the following: \$6.7 million write-down related to the SevenShores condominium project, \$6.5 million of impairments associated with homes and homesites, a \$9.0 million write-down related to the settlement of the Saussy Burbank note receivable, a \$1.9 million write-down of builder notes receivable and a \$0.6 million write-down of a residential segment intangible asset.

For the nine months ended September 30, 2010 we recorded impairment charges of \$0.6 million.

Resort and club revenues and cost of resort and club revenues include results of operations from the WaterColor Inn, WaterColor and WaterSound Beach vacation rental programs and other resort, golf, club and marina operations. Other revenues and cost of other revenues consist primarily of brokerage fees and rental operations.

Also included in real estate sales are land sales of \$12.7 million with related cost of sales of \$12.7 million for the third quarter of 2009, primarily related to the sale of SevenShores condominium and marina development project.

Our Northwest Florida resort and seasonal communities included WaterColor, WaterSound Beach, WaterSound, WaterSound West Beach, WindMark Beach, RiverCamps on Crooked Creek, SummerCamp Beach and Wild Heron, while primary communities included Hawks Landing and Southwood. Our Northeast Florida communities include RiverTown, and in 2009 our Central Florida communities included Artisan Park and Victoria Park, all of which are primary. Artisan Park and Victoria Park were sold in the last half of 2009.

Homesite closings, revenues and gross profit increased for the three months ended September 30, 2010 primarily due to sales to homebuilders some of which may generate additional revenues and gross profit in future periods upon sale to the end-user.

The Northwest Florida resort and seasonal homesites include four homesites closed during the three months ended September 30, 2010 with an additional \$1.2 million of revenues and \$0.8 million of costs deferred due to less than sufficient down payments to qualify for full revenue recognition on sales financed directly by us. In the Central Florida region, the three months ended September 30, 2009 included the auction of 22 multi-family homes.

Resort and club revenues included revenues from the WaterColor Inn, WaterColor and WaterSound Beach vacation rental programs and other resort, golf, club and marina operations. Resort and club revenues were \$8.7 million in the third quarter of 2010, with \$8.8 million in related costs, compared to revenues totaling \$9.7 million with \$9.6 million in related costs in the third quarter of 2009. Resort and club revenues decreased \$1.0 million related to the oil spill from the Deepwater Horizon incident in the Gulf of Mexico. Cost of resort and club revenues decreased \$0.8 million as a result of reduced staffing levels and more efficient operation of our resorts and clubs.

Other operating expenses included salaries and benefits, marketing, project administration, support personnel, other administrative expenses and litigation reserves. Other operating expenses were \$9.6 million in the third quarter of 2010 compared to \$6.4 million in the third quarter of 2009. Reductions in employee and other costs were offset by a \$4.9 million reserve for litigation involving a contract dispute related to a 1997 purchase of land for our former Victoria Park community.

Other expense increased \$4.9 million during the third quarter of 2010 which was primarily due to interest expense of \$4.1 million related to the litigation reserve as discussed above.

Homesite closings and revenues increased for the nine months ended September 30, 2010 primarily due to sales to homebuilders some of which may generate additional revenues and gross profit in future periods upon sale to the end-user.

Resort and club revenues were \$24.2 million for the nine months ended September 30, 2010, with \$24.9 million in related costs compared to revenue totaling \$24.8 million for the nine months ended September 30, 2009, with \$26.0 million in related costs. Revenues decreased \$0.6 million as a result of the decline in resort and club revenues since the oil spill. Cost of resort and club revenues decreased \$1.1 million as a result of reduced staffing levels and more efficient operation of our resorts and clubs.

Other operating expenses included salaries and benefits, marketing, project administration, support personnel and other administrative expenses. Other operating expenses were \$19.7 million for the nine months ended September 30, 2010 compared to \$24.8 million for the nine months ended September 30, 2009. The decrease of \$5.1 million in operating expenses was primarily due to reductions in employee costs along with reductions in marketing and homeowners association funding costs, certain warranty and other project costs and real estate taxes, which savings were created by the sale of certain projects during 2009. These savings were partially offset by a \$4.9 million reserve for litigation in the third quarter ended September 30, 2010.

We recorded restructuring charges in our residential real estate segment of \$0.9 million during the first nine months of 2010 and 2009, respectively, in connection with our corporate headquarters relocation.

Other expense increased \$6.2 million during the first nine months of 2010 as compared to the first nine months of 2009 which was primarily due to interest expense of \$4.1 million related to the litigation reserve as discussed above.

Commercial Real Estate

Our commercial real estate segment plans, develops and entitles our land holdings for a broad range of retail, office, hotel, industrial and multi-family uses. We sell or lease and develop commercial land and provide development opportunities for national and regional retailers as well as strategic partners in Northwest Florida. We also offer land for commercial and light industrial uses within large and small-scale commerce parks, as well as for a wide range of multi-family rental projects. Consistent with residential real estate, the markets for commercial real estate, particularly retail, remain weak.

The table below sets forth the results of the continuing operations of our commercial real estate segment for the three and nine months ended September 30, 2010 and 2009:

There were three commercial land sales in Northwest Florida during the nine months ended September 30, 2010 for a total of 16.7 acres at an average price of \$236,000 per acre including a 10 acre sale in Walton County to Wal-Mart for \$2.5 million. There were two commercial land sales during the nine months ended September 30, 2009 for a total of 5.61 acres at an average price of \$369,000. Sales and cost of sales also included previously deferred revenue and gain on sales, based on percentage-of-completion accounting.

We also entered into a build-to-suit lease with CVS Pharmacy for a 1.7 acre site that we own in Port St. Joe. Upon completion of the construction, we will own the facility and collect ground and building rent under a long-term lease.

Other revenues primarily relate to lease income associated with a long-term land lease with the Port Authority of Port St. Joe.

Much of our commercial real estate activity is focused on the opportunities presented by the new Northwest Florida Beaches International Airport, which opened in May 2010. We believe these commercial opportunities will be significantly enhanced by Southwest Airlines' service to the new airport. We continue pre-development activity at our VentureCrossings Enterprise Centre, an approximately 1,000 acre project adjacent to the airport site. The land is being planned for office, retail, hotel and industrial users. We expect, over time, that the new international airport will expand our customer base as it connects Northwest Florida with the global economy and as the area is repositioned from a regional to a national destination.

Rural Land Sales

Our rural land sales segment markets and sells tracts of land of varying sizes for rural recreational, conservation and timberland uses. The land sales segment prepares land for sale for these uses through harvesting, thinning and other silviculture practices, and in some cases, limited infrastructure development. While we have reduced our offerings of rural land, like residential and commercial land, demand for rural land has also declined as a result of the current difficult market conditions.

The table below sets forth the results of operations of our rural land sales segment for the three and nine months ended September 30, 2010 and 2009:

Rural land sales for the three and nine months ended September 30 are as follows:

	Number of Sales	Number of Acres	Average Price per Acre	Gross Sales Price (In millions)	Gross Profit (In millions)
Three Months Ended:					
September 30, 2010	2	226	\$3,212	\$ 0.7	\$ 0.5

September 30, 2009	10	6,485	\$1,990	\$12.9	\$11.6

During September 2010, we also conveyed 322 acres to the Florida Department of Transportation ("FDOT") as part of our 4,000 acre sale to FDOT in 2006. As a result, we recognized \$3.5 million of previously deferred revenue and gain this quarter. There was an additional \$0.4 million of sales and gain recognized during the third quarter and nine months ended September 30, 2010 from other previously deferred sales, as well as \$0.4 million from an easement transaction.

During the fourth quarter 2009, we also began selling credits to developers, utility companies and other users from our wetland mitigation banks. Included in real estate sales was \$0.6 million related to the sale of nine mitigation bank credits at an average sales price of \$66,000 per credit during the first nine months of 2010.

[Table of Contents](#)

During 2009, we made a strategic decision to sell fewer acres of rural land as we generated cash from other sources. We are employing the same strategy in 2010. We may, however, rely on rural land sales as a significant source of revenues and cash in the future.

During the nine months ended September 30, 2009, we closed the following significant sales: 930 acres in Wakulla County for \$3.9 million or \$4,234 per acre and 4,492 acres in Liberty County for \$5.9 million, or \$1,305 per acre. Average sales prices per acre vary according to the characteristics of each particular piece of land being sold and its highest and best use. As a result, average prices will vary from one period to another.

Forestry

Our forestry segment focuses on the management and harvesting of our extensive timber holdings. We grow, harvest and sell sawtimber, pulpwood and forest products and provide land management services for conservation properties. On February 27, 2009, we completed the sale of the inventory and equipment assets of Sunshine State Cypress.

The table below sets forth the results of the continuing operations of our forestry segment for the three and nine months ended September 30, 2010 and 2009.

Three Months Ended September 30, 2010 and 2009

We have a wood fiber supply agreement with Smurfit-Stone Container Corporation (“Smurfit-Stone”) which expires on June 30, 2012. During the third quarter of 2010, Smurfit-Stone emerged from bankruptcy protection which was filed in 2008. Sales under this agreement were \$3.6 million (167,000 tons) in the third quarter of 2010 and \$3.8 million (181,000 tons) during the third quarter of 2009. Open market sales in the third quarter totaled \$3.2 million (106,000 tons) in 2010 as compared to \$3.2 million (157,000 tons) in 2009. Although sales were constant year-over-year, fewer tons of pulpwood were sold in the third quarter of 2010 as compared to the third quarter of 2009. Net stumpage prices for both sawtimber and pulpwood increased year-over-year, due to improvement in the end-user markets and a decrease in the availability of raw materials.

Cost of sales for the forestry segment increased \$0.2 million in 2010 compared to 2009. The increase in cost of goods sold was due to our efforts to improve timber inventory information over our large timberland holdings, partially offset by reduced harvesting and delivery expenses.

Nine Months Ended September 30, 2010 and 2009

Sales under the wood fiber supply agreement with Smurfit-Stone were \$10.8 million (509,000 tons) in 2010 and \$11.2 million (529,000 tons) in 2009. During the first nine months of 2010, we delivered fewer tons to Smurfit-Stone under the fiber agreement. Open market sales totaled \$9.4 million (362,000 tons) in 2010 as compared to \$8.6 million (425,000 tons) in 2009. This increase in revenues was a result of improved log pricing partially offset by a reduction in log sales volume. Net stumpage prices for sawtimber and pulpwood increased year-over-year due to improved end-user markets and reduced availability of raw materials.

Our 2010 and 2009 revenues included \$0.3 million and \$0.6 million, respectively, related to revenue we received for land management services. The 2010 revenue total also included \$0.6 million related to the Biomass Crop Assistance Program sponsored by the federal government during the first four months of 2010. Cost of sales year-over-year was constant at \$14.8 million.

Discontinued operations related to the sale of Sunshine State Cypress for the three and nine months ended September 30, 2009 are as follows:

Liquidity and Capital Resources

As of September 30, 2010, we had cash and cash equivalents of \$196.4 million, compared to \$163.8 million as of December 31, 2009. We invest our excess cash primarily in government-only money market mutual funds, short term U.S. treasury investments and overnight deposits, all of which are highly liquid, with the intent to make such funds readily available for operating expenses and strategic long-term investment purposes.

We believe that our current cash position, our undrawn \$125.0 million revolving credit facility and the cash we expect to generate from operating activities will provide us with sufficient liquidity to satisfy our working capital needs and capital expenditures and provides us with the financial flexibility to withstand the current market downturn.

As more fully described in Note 9 of our consolidated financial statements, our \$125.0 million revolving credit facility contains covenants relating to leverage, unencumbered asset value, net worth, liquidity and additional debt. The credit facility does not contain a fixed charge coverage covenant. The credit facility also contains various restrictive covenants pertaining to acquisitions, investments, capital expenditures, dividends, share repurchases, asset dispositions and liens.

We have entered into a strategic alliance agreement with Southwest Airlines to facilitate low-fare air service to the new Northwest Florida Beaches International Airport. We have agreed to reimburse Southwest Airlines if it incurs losses on its service at the new airport during the first three years of service by making break-even payments. There was no reimbursement required during the third quarter of 2010 and a carryover profit will be applied to the reimbursement calculation for the fourth quarter of 2010. The agreement also provides that Southwest's profits from the air service during the term of the agreement will be shared with us up to the maximum amount of our break-even payments. These cash payments and reimbursements could have a significant effect on our cash flows and results of operations going forward, depending on the results of Southwest's operations of the air service. In order to mitigate potential losses that may arise from changes in Southwest Airlines' jet fuel costs, we have entered into a short term premium neutral collar arrangement with respect to the underlying cost of jet fuel for a portion of Southwest Airlines' estimated fuel volumes.

Cash Flows from Operating Activities

Net cash provided by operations was \$29.5 million and \$44.7 million for the nine months ended September 30, 2010 and 2009, respectively. During the nine months ended September 30, 2010 and 2009, capital expenditures relating to our residential real estate segment were \$5.5 million and \$4.8 million, respectively. Additional capital expenditures for our operating properties were \$4.1 million and \$2.7 million, respectively, which primarily related to commercial real estate development.

We received tax refunds of \$67.7 million and \$32.3 million in the third quarter of 2010 and 2009, respectively which related to certain loss carrybacks which expired in 2010.

Table of Contents

Cash Flows from Investing Activities

Net cash used in investing activities was \$0.7 million and \$1.2 million in the first nine months of 2010 and 2009, respectively. We are not considering any significant investments at this time.

Cash Flows from Financing Activities

Net cash provided by (used) in financing activities was \$3.8 million and \$(2.4) million in the first nine months of 2010 and 2009, respectively.

There were no material changes to the quantitative and qualitative disclosures about off-balance sheet arrangements presented in our Form 10-K for the year ended December 31, 2009, during the third quarter of 2010.

Contractual Obligations and Commercial Commitments

There have been no material changes in the amounts of our contractual obligations and commercial commitments presented in our Form 10-K for the year ended December 31, 2009, during the third quarter of 2010.

There have been no material changes to the quantitative and qualitative disclosures about market risk set forth in our Form 10-K for the year ended December 31, 2009, during the third quarter of 2010.

(a) Evaluation of Disclosure Controls and Procedures. Our Chief Executive Officer and Chief Financial Officer have evaluated the effectiveness of the Company's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) as of the end of the period covered by this report. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of the end of the period covered by this report, our disclosure controls and procedures are effective in bringing to their attention on a timely basis material information relating to the Company (including its consolidated subsidiaries) required to be included in the Company's periodic filings under the Exchange Act.

(b) Changes in Internal Controls. During the quarter ended September 30, 2010, there were no changes in our internal controls that have materially affected, or are reasonably likely to materially affect, our internal controls over financial reporting.

PART II — OTHER INFORMATION

Item 1. Legal Proceedings

We have filed three lawsuits against the parties responsible for the Deepwater Horizon oil spill in the Gulf of Mexico. The oil spill has had a negative impact on our properties, results of operations and stock price. The three lawsuits are described as follows:

On August 4, 2010, we filed a lawsuit in the Superior Court of the State of Delaware in New Castle County against Halliburton Energy Services, Inc. (“Halliburton”). The lawsuit alleges that Halliburton, the cementing contractor for the oil well, was grossly negligent in its management of the well cementing process leading to the blowout of the well. We are seeking compensatory and punitive damages.

On August 26, 2010, we filed a lawsuit in the Superior Court of the State of Delaware in New Castle County against M-I, L.L.C. (a/k/a “M-I SWACO”). The lawsuit alleges that M-I SWACO, the drilling fluid contractor for the drilling rig, was grossly negligent in the way that it managed and conducted the use of drilling fluids to maintain well control leading to the blowout of the well. We are seeking compensatory and punitive damages.

On October 12, 2010, we filed a lawsuit in the Superior Court of the State of Delaware in New Castle County against Transocean Holdings, LLC, Transocean Offshore Deepwater Drilling, Inc., Transocean Deepwater, Inc. and Triton Asset Leasing GmbH (collectively, “Transocean”). The lawsuit alleges that Transocean, the owner of the drilling rig, was grossly negligent in the operation and maintenance of the drilling rig and its equipment and in overseeing drilling activities on the rig leading to the blowout of the well. We are seeking compensatory and punitive damages.

All three of these cases have been removed by the defendants to the U.S. District Court for the District of Delaware, and we have filed motions to remand each case back to Delaware state court.

We were also involved during the third quarter of 2010 in routine litigation on a number of matters and were subject to claims which arose in the normal course of business, none of which, in the opinion of management, is expected to have a material adverse effect on our consolidated financial position, results of operations or liquidity.

Item 1A. Risk Factors

The Deepwater Horizon oil spill has had an adverse impact on us.

The ruptured oil well from the Deepwater Horizon incident in the Gulf of Mexico was permanently contained in September 2010. Much uncertainty remains, however, about the extent of the environmental damage from the oil and other pollutants that have been discharged into the Gulf and the duration of the negative effects from the spill. Although the full economic and environmental effects of the oil spill are uncertain at this time, we believe that it has had, and will continue to have, a negative impact on our properties, results of operations and stock price. Future oil spill incidents, or the prospect of future oil spill incidents, could also negatively affect us. We have commenced legal proceedings to recover damages from the parties responsible for the oil spill. We cannot be certain, however, of the amount of any recovery or the ultimate success of our claims.

Our stock price may decline or fluctuate significantly due to market factors outside of our control.

The market price of our common stock has been volatile and has recently experienced a significant decline. Our stock price may decline or fluctuate further in response to many external factors outside our control. Such factors may cause the market price of our common stock to decline regardless of our financial condition, results of operation, business or prospects and could result in substantial losses for our shareholders.

Possible securities class action litigation could have an adverse effect on our business and stock price.

The market price of our common stock has been volatile and has recently experienced a significant decline. In the past, securities class action litigation and/or inquiries or investigations have often been instituted against companies following a substantial decline in its stock price. In fact, several law firms have recently issued press releases soliciting plaintiffs for a possible securities class action suit against us. This type of litigation, if instituted against us, could result in substantial costs and divert our management’s attention and resources.

Our Board of Directors has authorized a total of \$950.0 million for the repurchase of our outstanding common stock from shareholders from time to time (the "Stock Repurchase Program"), of which \$103.8 million remained available at September 30, 2010. There is no expiration date for the Stock Repurchase Program; however, we have no present intention to repurchase any shares under the Stock Repurchase Program. In addition, our \$125.0 million revolving credit facility requires that we not repurchase stock in amounts in excess of any cumulative net income that we have earned since January 1, 2007.

ARTICLE II

THE CREDIT

SECTION 2.01. Commitments to Make Advances.

(a) Syndicated Revolver Advances Each Lender severally agrees, on the terms and conditions set forth herein, to make Revolver Advances to the Borrower from time to time before the Termination Date; provided that, immediately after each such Revolver Advance is made, the aggregate outstanding principal amount of Revolver Advances by such Lender together with such Lender’s Applicable Percentage of the aggregate outstanding principal amount of all Swing Advances and Letter of Credit Obligations shall not exceed the amount of the Revolver Commitment of such Lender at such time, provided further that the aggregate principal amount of all Revolver Advances, together with the aggregate principal amount of all Letter of Credit Obligations and Swing Advances shall not exceed the aggregate

amount of the Revolver Commitments of all of the Lenders at such time. Each Syndicated Borrowing under this Section 2.01 shall be in an aggregate principal amount of \$500,000 or any larger multiple of \$100,000 (except that any such Syndicated Borrowing may be in the aggregate amount of the Total Unused Revolver Commitments less Swing Advances) and shall be made from the several Lenders ratably in proportion to their respective Revolver Commitments. Within the foregoing limits, the Borrower may borrow under this Section, repay or, to the extent permitted by Section 2.10, prepay Revolver Advances and reborrow under this Section 2.01 at any time before the Termination Date.

(b) Swing Advances. In addition to the foregoing, BB&T shall from time to time, upon the request of the Borrower, if the applicable conditions precedent in Article III have been satisfied, make Swing Advances to the Borrower in an aggregate principal amount at any time outstanding not exceeding \$5,000,000; provided that, immediately after such Swing Advance is made, the conditions set forth in Section 2.01(a) shall have been satisfied. Each Swing Advance Borrowing under this Section 2.01(b) shall be in an aggregate principal amount of \$500,000 or any larger multiple of \$100,000. Within the foregoing limits, the Borrower may borrow under this Section 2.01(b), prepay and reborrow under this Section 2.01(b) at any time before the Termination Date. All Swing Advances shall be made as Base Rate Advances. At any time, upon the request of BB&T, each Lender other than BB&T shall, on the third Domestic Business Day after such request is made, purchase a participating interest in Swing Advances in an amount equal to its ratable share (based upon its respective Revolver Commitment) of such Swing Advances. On such third Domestic Business Day, each Lender will immediately transfer to BB&T, in immediately available funds, the amount of its participation. Whenever, at any time after BB&T has received from any such Lender its participating interest in a Swing Advance, the Administrative Agent receives any payment on account thereof, the Administrative Agent will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded); provided, however, that in the event that such payment received by the Administrative Agent is required to be returned, such Lender will return to the Administrative Agent any portion thereof previously distributed by the Administrative Agent to it. Each Lender's obligation to purchase such participating interests shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which such Lender or any other Person may have against BB&T requesting such purchase or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or the termination of the Revolver Commitments; (iii) any adverse change in the condition (financial, business or otherwise) of any Loan Party or any other Person; (iv) any breach of this Agreement by any Loan Party or any other Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

SECTION 2.02. Method of Borrowing Advances.

(a) The Borrower shall give the Administrative Agent notice in the form attached hereto as Exhibit A (a "Notice of Borrowing") prior to (i) 11:00 A.M. (Eastern time) at least one Domestic Business Day before each Base Rate Borrowing, and each Index Euro-Dollar Borrowing, and (ii) 11:00 A.M. (Eastern time) at least three (3) Euro-Dollar Business Days before each Tranche Euro-Dollar Borrowing, specifying:

(i) the date of such Borrowing, which shall be a Domestic Business Day in the case of a Base Rate Borrowing or Index Euro-Dollar Borrowing and a Euro-Dollar Business Day in the case of a Tranche Euro-Dollar Borrowing,

(ii) the aggregate amount of such Borrowing,

(iii) whether the Revolver Advances comprising such Borrowing are to be Base Rate Advances, Tranche Euro-Dollar Advances or Index Euro-Dollar Advances, or stating that such Borrowing is to be a Swing Line Borrowing and

(iv) in the case of a Tranche Euro-Dollar Borrowing, the duration of the Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

(b) Upon receipt of a Notice of Borrowing, the Administrative Agent shall promptly notify each Lender of the contents thereof and (unless such Borrowing is a Swing Line Borrowing) of such Lender's ratable share of such Borrowing and such Notice of Borrowing, once received by the Administrative Agent, shall not thereafter be

revocable by the Borrower.

(c) Not later than 11:00 A.M. (Eastern time) on the date of each Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Winston-Salem, North Carolina, to the Administrative Agent at its address referred to in or specified pursuant to Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article III has not been satisfied: (1) in the case of a Syndicated Borrowing the Administrative Agent will disburse the funds so received from the Lenders to the Borrower; and (2) in the case of a Swing Line Borrowing BB&T will make available to the Borrower the amount of any such Swing Line Borrowing.

(d) Notwithstanding anything to the contrary contained in this Agreement, no Tranche Euro-Dollar Borrowing may be made if there shall have occurred a Default, which Default shall not have been cured or waived.

(e) In the event that a Notice of Borrowing fails to specify whether the Revolver Advances comprising such Borrowing are to be Base Rate Advances, Tranche Euro-Dollar Advances or Index Euro-Dollar Advances, such Revolver Advances shall be made as Base Rate Advances. If the Borrower is otherwise entitled under this Agreement to repay any Revolver Advances maturing at the end of an Interest Period applicable thereto with the proceeds of a new Borrowing, and the Borrower fails to repay such Revolver Advances using its own moneys and fails to give a Notice of Borrowing in connection with such new Borrowing, a new Borrowing shall be deemed to be made on the date such Revolver Advances mature in an amount equal to the principal amount of the Revolver Advances so maturing, and the Revolver Advances comprising such new Borrowing shall be Base Rate Advances.

(f) Notwithstanding anything to the contrary contained herein, there shall not be more than four (4) Interest Periods outstanding at any given time; provided that for purposes of this Section 2.02(f), all Base Rate Advances shall constitute one Interest Period and all Index Euro-Dollar Advances shall constitute one Interest Period.

SECTION 2.03. Continuation and Conversion Elections. By delivering a notice (a "Notice of Continuation or Conversion"), which shall be substantially in the form of Exhibit C, to the Administrative Agent on or before 12:00 P.M., Eastern time, on a Domestic Business Day (or Euro-Dollar Business Day, in the case of Tranche Euro-Dollar Advances outstanding), the Borrower may from time to time irrevocably elect, by notice one Domestic Business Day prior in the case of a continuation of or conversion to Base Rate Advances or Index Euro-Dollar Advances or three (3) Euro-Dollar Business Days prior in the case of a continuation of or conversion to Tranche Euro-Dollar Advances, that all, or any portion in an aggregate principal amount of \$500,000 or any larger integral multiple of \$100,000 be, (i) in the case of Base Rate Advances, converted into Euro-Dollar Advances or (ii) in the case of Euro-Dollar Advances, converted into Base Rate Advances or continued as Euro-Dollar Advances; provided, however, that (x) each such conversion or continuation shall be pro rated among the applicable outstanding Revolver Advances of all Lenders that have made such Revolver Advances, and (y) no portion of the outstanding principal amount of any Revolver Advances may be continued as, or be converted into, any Tranche Euro-Dollar Advance when any Default has occurred and is continuing. In the absence of delivery of a Notice of Continuation or Conversion with respect to any Tranche Euro-Dollar Advance at least three (3) Euro-Dollar Business Days before the last day of the then current Interest Period with respect thereto, such Tranche Euro-Dollar Advance shall, on such last day, automatically convert to a Index Euro-Dollar Advance.

SECTION 2.04. Notes. The Revolver Advances of each Lender shall be evidenced by a single Revolver Note payable to the order of such Lender for the account of its Lending Office in an amount equal to the original principal amount of such Lender's Revolver Commitment. Upon the request of BB&T, the Swing Advances may be evidenced by a single Swing Advance Note payable to the order of BB&T in the original principal amount of \$5,000,000. Upon receipt of each Lender's Note pursuant to Section 3.01, the Administrative Agent shall deliver such Note to such Lender. Each Lender shall record, and prior to any transfer of its Note shall endorse on the schedule forming a part thereof appropriate notations to evidence, the date, amount and maturity of, and effective interest rate for, each Advance made by it, the date and amount of each payment of principal made by the Borrower with respect thereto and such schedule shall constitute rebuttable presumptive evidence of the principal amount owing and unpaid on such Lender's Note; provided that the failure of any Lender to make, or any error in making, any such recordation or endorsement shall not affect the obligation of the Borrower hereunder or under the Note or the ability of any Lender to assign its Notes. Each Lender is hereby irrevocably authorized by the Borrower so to endorse its Notes and to attach to and make a part of any Note a continuation of any such schedule as and when required.

SECTION 2.05. Maturity of Advances. Each Revolver Advance included in any Borrowing shall mature, and

the principal amount thereof, together with all accrued unpaid interest thereon, shall be due and payable on the Termination Date.

SECTION 2.06. Interest Rates.

(a) "Applicable Margin" shall be determined by the Administrative Agent from time to time, based upon the ratio of Total Indebtedness to Total Asset Value (as set forth in the Margin and Fee Rate Certificate most recently delivered by the Borrower pursuant to Section 5.01(j)), as follows:

Ratio of Total Indebtedness to Total Asset Value	Euro-Dollar Loans and Letters of Credit	Base Rate Loans
Greater than or equal to 45%	1.75%	0%
Greater than or equal to 35% but less than 45%	1.50%	0%
Greater than or equal to 25% but less than 35%	1.25%	0%
Greater than or equal to 15% but less than 25%	1.125%	0%
Greater than or equal to 5% but less than 15%	1.0%	0%
Less than 5%	0.75%	0%

Any adjustment to the Applicable Margin shall be effective (a) in the case of a Margin and Fee Rate Certificate delivered in connection with quarterly financial statements of the Borrower delivered pursuant to Section 5.01(b), as of the date 55 days following the end of the last day of the applicable Fiscal Quarter covered by such Margin and Fee Rate Certificate, (b) in the case of a Margin and Fee Rate Certificate delivered in connection with annual financial statements of the Borrower delivered pursuant to Section 5.01(a), as of the date 85 days following the end of the last day of the applicable Fiscal Year covered by such Margin and Fee Rate Certificate, and (c) in the case of any other Margin and Fee Rate Certificate, as of the date 5 Domestic Business Days following the Administrative Agent's request for such Margin and Fee Rate Certificate. If the Borrower fails to deliver a Margin and Fee Rate Certificate pursuant to Section 5.01(j), the Applicable Margin shall be determined as if the ratio of Total Indebtedness to Total Asset Value is greater than 45% until the date of the delivery of the required Margin and Fee Rate Certificate. As of the Closing Date, and thereafter until changed as provided above, the Applicable Margin shall be determined as if the ratio of Total Indebtedness to Total Asset Value is less than 5%. Any change in the Applicable Margin on any day shall result in a corresponding change, effective on and as of such day, in the interest rate applicable to the Advances and in the fees applicable to each Letter of Credit outstanding on such day; provided, that no Applicable Margin shall be decreased pursuant to this Section 2.06 if a Default is in existence on such day. In the event that any financial statement or Margin and Fee Rate Certificate delivered pursuant to Section 5.01 is shown to be, or becomes known to be, inaccurate (regardless of whether this Agreement or the Revolver Commitments are in effect when such inaccuracy is discovered, provided that neither the Administrative Agent nor any Lender shall request payment pursuant to this sentence more than two years after the termination of this Agreement and the Revolver Commitments and the payment in full of the principal of and interest on all Advances), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin under this Section 2.06 for any period rather than the Applicable Margin applied for such period, then (i) the Borrower shall immediately deliver to the Administrative Agent a corrected Margin and Fee Rate Certificate and related financial information for such period, (ii) the Applicable Margin shall be at the actual Applicable Margin under this Section 2.06 for such period, and (iii) the Borrower shall immediately pay to the Administrative Agent, for the account of the Lenders, the accrued additional interest owing as a result of such increased Applicable Margin for such period. The provisions of this Section 2.06(a) and this definition shall not limit the rights of the Administrative Agent and the Lenders with respect to Sections 2.06(b) or 2.06(c) or Article VI and shall survive the termination of this Agreement and the Revolver Commitments. For the purposes of determining the ratio of Total Indebtedness to Total Asset Value, indebtedness of a Qualified SPE attributable to Qualified Senior Notes shall be excluded and Qualified Installment Sale Notes shall not be included in determinations of Total Asset Value.

(b) Each Base Rate Advance shall bear interest on the outstanding principal amount thereof, for each day from the date such Advance is made until it becomes due, at a rate per annum equal to the Base Rate for such day plus the Applicable Margin. Such interest shall be payable on each Interest Payment Date. Any overdue principal of and, to

the extent permitted by applicable law, overdue interest on any Base Rate Advance shall bear interest, payable on demand, for each day until paid in full at a rate per annum equal to the Default Rate.

(c) Each Euro-Dollar Advance shall bear interest on the outstanding principal amount thereof, for the Interest Period applicable thereto, at a rate per annum equal to the sum of: (1) the Applicable Margin, plus (2) the applicable Adjusted London InterBank Offered Rate for such Interest Period. Such interest shall be payable for each Interest Period on the last day thereof, provided that interest on Index Euro-Dollar Advances shall be payable on each Interest Payment Date while such Index Euro-Dollar Advance is outstanding and the date such Index Euro-Dollar Advance is converted to a Tranche Euro-Dollar Advance or repaid. Any overdue principal of and, to the extent permitted by applicable law, overdue interest on any Euro-Dollar Advance shall bear interest, payable on demand, for each day until paid in full at a rate per annum equal to the Default Rate.

The "London InterBank Offered Rate" applicable to any Euro-Dollar Advance means for the Interest Period of such Euro-Dollar Advance the rate per annum determined on the basis of the rate for deposits in Dollars offered for a term comparable to such Interest Period, which rate appears on the display designated as Reuters Screen LIBOR01 Page (or such other successor page as may replace Reuters Screen LIBOR01 Page or such other service or services as may be nominated by the British Banker's Association for the purpose of displaying London InterBank Offered Rates for U.S. dollar deposits) determined as of 11:00 a.m. London, England time, two (2) Euro-Dollar Business Days prior to the first day of such Interest Period, provided that if no such offered rates appear on such page, the "London InterBank Offered Rate" for such Interest Period will be the arithmetic average (rounded upward, if necessary, to the next higher 1/100th of 1%) of rates quoted by not less than two (2) major lenders in New York City, selected by the Administrative Agent, at approximately 10:00 A.M., New York City time, two (2) Euro-Dollar Business Days prior to the first day of such Interest Period, for deposits in Dollars offered by leading European banks for a period comparable to such Interest Period in an amount comparable to the principal amount of such Euro-Dollar Advance.

"Euro-Dollar Reserve Percentage" means for any day that percentage (expressed as a decimal) which is in effect on such day, as prescribed by the Board of Governors of the Federal Reserve System (or any successor) for determining the maximum reserve requirement for a member bank of the Federal Reserve System in respect of "Eurocurrency liabilities" (or in respect of any other category of liabilities which includes deposits by reference to which the interest rate on such Euro-Dollar Advance is determined or any category of extensions of credit or other assets which includes loans by a non-United States office of any Lender to United States residents). The Adjusted London InterBank Offered Rate shall be adjusted automatically on and as of the effective date of any change in the Euro-Dollar Reserve Percentage.

(d) The Administrative Agent shall determine each interest rate applicable to the Advances hereunder in accordance with the terms of this Agreement. The Administrative Agent shall give prompt notice to the Borrower and the Lenders by teletype of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error.

(e) After the occurrence and during the continuance of an Event of Default (other than an Event of Default under Sections 6.01(g) or (h)), the principal amount of the Advances (and, to the extent permitted by applicable law, all accrued interest thereon) may, at the election of the Required Lenders, bear interest at the Default Rate; provided, however, that automatically whether or not the Required Lenders elect to do so, (i) any overdue principal of and, to the extent permitted by law, overdue interest on the Advances shall bear interest payable on demand, for each day until paid at a rate per annum equal to the Default Rate, and (ii) after the continuance and during the continuance of an Event of Default described in Section 6.01(g) or 6.01(h), the principal amount of the Advances (and, to the extent permitted by applicable law, all accrued interest thereon) shall bear interest payable on demand for each day until paid at a rate per annum equal to the Default Rate.

SECTION 2.07. Fees.

(a) The Borrower shall pay to the Administrative Agent for the ratable account of each Lender a facility fee equal to the product of: (i) the aggregate of the daily average amounts of such Lender's Commitment, times (ii) a per annum percentage equal to the Applicable Facility Fee Rate. Such facility fee shall accrue from and including the Closing Date to and including the Termination Date. Facility fees shall be payable quarterly in arrears on each Quarterly Payment Date and on the Termination Date; provided that should the Revolver Commitments be

terminated at any time prior to the Termination Date for any reason, the entire accrued and unpaid fee shall be paid on the date of such termination.

(b) The “Applicable Facility Fee Rate” shall be determined by the Administrative Agent from time to time, based upon the ratio of Total Indebtedness to Total Asset Value (as set forth in the Margin and Fee Rate Certificate most recently delivered by the Borrower pursuant to Section 5.01(j)), as follows:

Ratio of Total Indebtedness to Total Asset Value	Applicable Facility Fee Rate
Less than 5%	0.125%
Greater than or equal to 5% but less than 15%	0.15%
Greater than or equal to 15% but less than 25%	0.20%
Greater than or equal to 25% but less than 35%	0.25%
Greater than or equal to 35% but less than 45%	0.30%
Greater than or equal to 45%	0.35%

Any adjustment to the Applicable Facility Fee Rate shall be effective (a) in the case of a Margin and Fee Rate Certificate delivered in connection with quarterly financial statements of the Borrower delivered pursuant to Section 5.01(b), as of the date 55 days following the end of the last day of the applicable Fiscal Quarter covered by such Margin and Fee Rate Certificate, (b) in the case of a Margin and Fee Rate Certificate delivered in connection with annual financial statements of the Borrower delivered pursuant to Section 5.01(a), as of the date 85 days following the end of the last day of the applicable Fiscal Year covered by such Margin and Fee Rate Certificate, and (c) in the case of any other Margin and Fee Rate Certificate, as of the date 5 Domestic Business Days following the Administrative Agent’s request for such Margin and Fee Rate Certificate. If the Borrower fails to deliver a Margin and Fee Rate Certificate pursuant to Section 5.01(j), the Applicable Facility Fee Rate shall be determined as if the ratio of Total Indebtedness to Total Asset Value is greater than 45% until the date of the delivery of the required Margin and Fee Rate Certificate. As of the Closing Date, and thereafter until changed as provided above, the Applicable Facility Fee Rate shall be determined as if the ratio of Total Indebtedness to Total Asset Value is less than 5%. In no event shall the Applicable Facility Fee Rate be decreased pursuant to this Section 2.07 if a Default is in existence on such day. In the event that any financial statement or Margin and Fee Rate Certificate delivered pursuant to Section 5.01 is shown to be, or becomes known to be, inaccurate (regardless of whether this Agreement or the Revolver Commitments are in effect when such inaccuracy is discovered, provided that neither the Administrative Agent nor any Lender shall request payment pursuant to this sentence more than two years after the termination of this Agreement and the Revolver Commitments and the payment in full of the principal of and interest on all Advances), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Facility Fee Rate under this Section 2.07 for any period rather than the Applicable Facility Fee Rate applied for such period, then (i) the Borrower shall immediately deliver to the Administrative Agent a corrected Margin and Fee Rate Certificate and related financial information for such period, (ii) the Applicable Facility Fee Rate shall be at the actual Applicable Facility Fee Rate under this Section 2.07 for such period, and (iii) the Borrower shall immediately pay to the Administrative Agent, for the account of the Lenders, the accrued additional interest owing as a result of such increased Applicable Facility Fee Rate for such period. The provisions of this Section 2.07(b) and this definition shall not limit the rights of the Administrative Agent and the Lenders with respect to Article VI and shall survive the termination of this Agreement and the Revolver Commitments. For the purposes of determining the ratio of Total Indebtedness to Total Asset Value, indebtedness of a Qualified SPE attributable to Qualified Senior Notes shall be excluded and Qualified Installment Sale Notes shall not be included in determinations of Total Asset Value.

(c) The Borrower shall pay to the Administrative Agent for the ratable account of each Lender, with respect to each Letter of Credit, a per annum letter of credit fee (the “Letter of Credit Fee”) equal to the product of: (i) the aggregate average daily Undrawn Amounts, times (ii) a per annum percentage equal to the Applicable Margin for Letters of Credit (determined in accordance with Sections 2.06 and 2.13 hereof). Such Letter of Credit Fees shall be payable in arrears for each Letter of Credit on each Quarterly Payment Date during the term of each respective Letter of Credit and on the termination thereof (whether at its stated expiry date or earlier). The “Applicable Margin” for Letters of Credit shall be as determined in Section 2.06(a).

(d) The Borrower shall pay to the Administrative Agent for the account of the Letter of Credit Issuer a facing fee (the “Facing Fee”) with respect to each Letter of Credit equal to the product of: (i) the face amount of such letter of credit, times (ii) one-eighth (1/8th) of one percent (0.125%). Such Facing Fee shall be due and payable on such

date as may be agreed upon by the Letter of Credit Issuer and the Borrower. The Borrower shall pay to the Letter of Credit Issuer, for its own account, transfer fees, drawing fees, modification fees, extension fees and such other fees and charges as may be provided for in any Letter of Credit Application Agreement or otherwise charged by the Letter of Credit Issuer. No Lender shall be entitled to any portion of the Facing Fees or any other fees payable by the Borrower to the Letter of Credit Issuer pursuant to this Section 2.07(d).

(e) The Borrower shall pay to the Administrative Agent, for the account and sole benefit of the Administrative Agent, such fees and other amounts at such times as set forth in the Administrative Agent's Letter Agreement.

SECTION 2.08. Optional Termination or Reduction of Commitments. The Borrower may, upon at least 3 Domestic Business Days' irrevocable written notice to the Administrative Agent, terminate at any time, or proportionately reduce from time to time by an aggregate amount of at least \$10,000,000 or any larger multiple of \$1,000,000, the Revolver Commitments; provided, however: (1) each termination or reduction, as the case may be, shall be permanent and irrevocable; (2) no such termination or reduction shall be in an amount greater than the Total Unused Revolver Commitments on the date of such termination or reduction; and (3) no such reduction pursuant to this Section 2.08 shall result in the aggregate Revolver Commitments of all of the Lenders being reduced to an amount less than \$40,000,000, unless the Revolver Commitments are terminated in their entirety, in which case all accrued fees (as provided under Section 2.07) shall be payable on the effective date of such termination. Each reduction shall be made ratably among the Lenders in accordance with their respective Revolver Commitments.

SECTION 2.09. Termination of Commitments. The Revolver Commitments shall terminate on the Termination Date and any Revolver Advances then outstanding (together with accrued interest thereon) shall be due and payable on such date.

SECTION 2.10. Optional Prepayments.

(a) The Borrower may, upon at least one (1) Domestic Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or Index Euro-Dollar Borrowing in whole at any time, or from time to time in part in amounts aggregating at least \$500,000 or any larger integral multiple of \$100,000 (or any lesser amount equal to the outstanding balance of such Advance), by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied first to any Swing Line Advances outstanding and then to prepay ratably the Base Rate Advances and Index Euro-Dollar Advances of the several Lenders included in such Base Rate Borrowing or Index Euro-Dollar Borrowing, as the case may be.

(b) Subject to any payments required pursuant to the terms of Article VIII for such Tranche Euro-Dollar Borrowing, the Borrower may, upon at least three (3) Euro-Dollar Business Days' prior written notice, prepay in minimum amounts of \$5,000,000 with additional increments of \$100,000 (or any lesser amount equal to the outstanding balance of such Advances) all or any portion of the principal amount of any Tranche Euro-Dollar Borrowing prior to the maturity thereof, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment and such payments required pursuant to the terms of Article VIII. Each such optional prepayment shall be applied to prepay ratably the Tranche Euro-Dollar Advances of the several Lenders included in such Tranche Euro-Dollar Borrowing.

(c) Upon receipt of a notice of prepayment pursuant to this Section 2.10, the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share of such prepayment and such notice, once received by the Administrative Agent, shall not thereafter be revocable by the Borrower.

SECTION 2.11. Mandatory Prepayments.

(a) On each date on which the Revolver Commitments are reduced or terminated pursuant to Section 2.08 or Section 2.09, the Borrower shall repay or prepay such principal amount of the outstanding Revolver Advances, if any (together with interest accrued thereon and any amount due under Section 8.05), as may be necessary so that after such payment the aggregate unpaid principal amount of the Revolver Advances does not exceed the aggregate amount of the Revolver Commitments as then reduced. Each such payment or prepayment shall be applied first to any Swing Advances outstanding, and then ratably to the Revolver Advances of the several Lenders outstanding on the date of payment or prepayment in the following order of priority: (i) first, to Base Rate Advances; (ii) second, to Index Euro-Dollar Advances; and (iii) lastly, to Tranche Euro-Dollar Advances.

(b) In the event that the aggregate principal amount of all Advances, together with the aggregate principal amount of the Swing Line Advances and Letter of Credit Obligations at any one time outstanding shall at any time exceed the aggregate amount of the Revolver Commitments of all of the Banks at such time, the Borrower shall immediately repay so much of the Advances and Swing Line Advances as is necessary in order that the aggregate principal amount of the Advances thereafter outstanding, together with the aggregate principal amount of the Swing Line Advances and Letter of Credit Obligations shall not exceed the aggregate amount of the Revolver Commitments of all of the Banks at such time.

(c) If at any time the ratio of Total Indebtedness to Total Asset Value is in excess of 50%, the Borrower shall immediately repay so much of the Revolver Advances as is necessary in order that the ratio of Total Indebtedness to Total Asset Value is, after giving effect to such repayment, no greater than 50%. Each such payment or prepayment shall be applied first to any Swing Advances outstanding, and then ratably to the Revolver Advances of the several Lenders outstanding on the date of payment or prepayment in the following order or priority: (i) first, to Base Rate Advances, (ii) second, to Index Euro-Dollar Advances, and (iii) lastly to Tranche Euro-Dollar Advances.

(d) Hedging Obligations Unaffected. Any repayment or prepayment made pursuant to this Section shall not affect the Borrower's obligation to continue to make payments under any Hedging Agreement, which shall remain in full force and effect notwithstanding such repayment or prepayment, subject to the terms of such Hedging Agreement.

SECTION 2.12. General Provisions as to Payments.

(a) The Borrower shall make each payment of principal of, and interest on, the Revolver Advances and of fees hereunder without any set off, counterclaim or any deduction whatsoever, not later than 11:00 A.M. (Eastern time) on the date when due, in Federal or other funds immediately available in Winston-Salem, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to BB&T each such payment received on account of the Swing Advances and to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders.

(b) Whenever any payment of principal of, or interest on, the Base Rate Advances or of fees shall be due on a day which is not a Domestic Business Day, the date for payment thereof shall be extended to the next succeeding Domestic Business Day. Whenever any payment of principal of or interest on, the Euro-Dollar Advances shall be due on a day which is not a Euro-Dollar Business Day, the date for payment thereof shall be extended to the next succeeding Euro-Dollar Business Day unless such Euro-Dollar Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Euro-Dollar Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(c) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Advances. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Advance included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(d) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have

received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation

(e) Taxes.

(i) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes, provided that if the Borrower shall be required by applicable law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (A) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (B) the Borrower shall make such deductions and (C) the Borrower shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(ii) Payment of Other Taxes by the Borrower. Without limiting the provisions of paragraph (i) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(iii) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(iv) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(v) Status of Lenders. Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the generality of the foregoing, in the event that the Borrower is resident for tax purposes in the United States of America, any Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the

Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(A) duly completed copies of Internal Revenue Service Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) duly completed copies of Internal Revenue Service Form W-8ECI,

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (1) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN, or

(D) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made.

(vi) Treatment of Certain Refunds. If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

SECTION 2.13. Computation of Interest and Fees. Interest on the Advances shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day). Facility fees, letter of credit fees and any other fees payable hereunder shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.14. Increase in Commitments.

(a) The Borrower shall have the right, and prior to the date sixty (60) days prior to the Termination Date by written notice to and in consultation with the Administrative Agent, to request an increase in the aggregate Revolver Commitments (each such requested increase, a "Commitment Increase"), by having one or more existing Lenders increase their respective Revolver Commitments then in effect (each, an "Increasing Lender"), by adding as a Lender with a new Revolver Commitment hereunder one or more Persons that are not already Lenders (each, an "Additional Lender"), or a combination thereof, provided that (i) any such request for a Commitment Increase shall be in a minimum amount of \$20,000,000, (ii) immediately after giving effect to any Commitment Increase, (y) the aggregate Revolver Commitments shall not exceed \$200,000,000 and (z) the aggregate of all Commitment Increases effected shall not exceed \$100,000,000, (iii) no Default or Event of Default shall have occurred and be continuing on the applicable Commitment Increase Date (as hereinafter defined) or shall result from any Commitment Increase, (iv) immediately after giving effect to any Commitment Increase (including any Borrowings in connection therewith and the application of the proceeds thereof), the Borrower shall be in compliance with the covenants contained in Article V, (v) no Commitment Increase shall be effective until the Administrative Agent has consented to such Commitment Increase in writing which consent may not be unreasonably withheld; and (vi) the Borrower shall give the existing Lenders the right of first refusal for participating in any such Commitment Increase by providing such notice to the Administrative Agent fifteen (15) Domestic Business Days before making a request to any Person that

is not already a Lender. An existing Lender shall have priority over Additional Lenders to participate in such requested Commitment Increase if such existing Lender provides written notice of its election to participate within fifteen (15) Domestic Business Days of such existing Lender's receipt of such notice. Such notice from the Borrower shall specify the requested amount of the Commitment Increase. No Lender shall have any obligation to become an Increasing Lender. Any fees paid by the Borrower for a Commitment Increase to an Increasing Lender, an Additional Lender, the Administrative Agent or BB&T, as arranger, shall be for their own account and shall be in an amount, if any, mutually agreed upon by each such party and the Borrower, in each party's sole discretion.

(b) Each Additional Lender must qualify as an Eligible Assignee (the selection of which shall include the prior approval of the Administrative Agent). The Borrower and each Additional Lender shall execute a joinder agreement, and the Borrower and each Lender shall execute all such other documentation as the Administrative Agent and the Borrower may reasonably require, all in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, to evidence the Revolver Commitment adjustments referred to in Section 2.14(e).

(c) If the aggregate Revolver Commitments are increased in accordance with this Section 2.14, the Borrower (in consultation with the Administrative Agent), Increasing Lender(s) (if any) and Additional Lender(s) (if any) shall agree upon the effective date (the "Commitment Increase Date," which shall be a Domestic Business Day not less than thirty (30) days prior to the Termination Date). The Administrative Agent shall promptly notify the Lenders of such increase and the Commitment Increase Date.

(d) Notwithstanding anything set forth in this Section 2.14 to the contrary, the Borrower shall not incur any Revolver Advances pursuant to any Commitment Increase (and no Commitment Increase shall be effective) unless the conditions set forth in Section 2.14(a) as well as the following conditions precedent are satisfied on the applicable Commitment Increase Date:

(i) The Administrative Agent shall have received the following, each dated the Commitment Increase Date and in form and substance reasonably satisfactory to the Administrative Agent:

(A) a supplement to this Agreement signed by each Increasing Lender (if any) and Additional Lender (if any), setting forth the reallocation of Commitments referred to in Section 2.14(e), all other documentation required by the Administrative Agent pursuant to Section 2.14(b) and such other modifications, documents or items as the Administrative Agent, such Lenders or their counsel may reasonably request;

(B) an instrument, duly executed by each Borrower and each Guarantor, if any, acknowledging and reaffirming its obligations under this Agreement, the Collateral Documents, and the other Loan Documents to which it is a party;

(C) a certificate of the secretary or an assistant secretary of the Borrower and each Guarantor, certifying to and attaching the resolutions adopted by the board of directors (or similar governing body) of such party approving or consenting to such Commitment Increase;

(D) a certificate of the Chief Financial Officer of each Borrower, certifying that (x) as of the Commitment Increase Date, all representations and warranties of the Borrower and the Guarantors contained in this Agreement and the other Loan Documents are true and correct (except to the extent any such representation or warranty is expressly stated to have been made as of a specific date, in which case such representation or warranty is true and correct as of such date), (y) immediately after giving effect to such Commitment Increase (including any Borrowings in connection therewith and the application of the proceeds thereof), the Borrower is in compliance with the covenants contained in Article V, and (z) no Default or Event of Default has occurred and is continuing, both immediately before and after giving effect to such Commitment Increase (including any Borrowings in connection therewith and the application of the proceeds thereof);

(E) an opinion or opinions of counsel for the Borrower and the Guarantors, in a form satisfactory to Administrative Agent and covering such matters as Administrative Agent may reasonably request, addressed to the Administrative Agent and the Lenders, together with such other documents, instruments and certificates as the Administrative Agent shall have reasonably requested; and

(F) such other documents or items that the Administrative Agent, such Lenders or their counsel may reasonably request.

(ii) In the case of any Borrowing of Revolver Advances in connection with such Commitment Increase for the purpose of funding an Acquisition, the applicable conditions set forth in this Agreement with respect to Acquisitions shall have been satisfied.

(e) On the Commitment Increase Date, (i) the aggregate principal outstanding amount of the Revolver Advances (the "Initial Advances") immediately prior to giving effect to the Commitment Increase shall be deemed to be repaid, (ii) immediately after the effectiveness of the Commitment Increase, the Borrower shall be deemed to have made new Borrowings of Revolver Advances (the "Subsequent Borrowings") in an aggregate principal amount equal to the aggregate principal amount of the Initial Advances and of the types and for the Interest Periods specified in a Notice of Borrowing delivered to the Administrative Agent in accordance with Section 2.01(a), (iii) each Lender shall pay to the Administrative Agent in immediately available funds an amount equal to the difference, if positive, between (y) such Lender's pro rata percentage (calculated after giving effect to the Commitment Increase) of the Subsequent Borrowings and (z) such Lender's pro rata percentage (calculated without giving effect to the Commitment Increase) of the Initial Advances, (iv) after the Administrative Agent receives the funds specified in clause (iii) above, the Administrative Agent shall pay to each Lender the portion of such funds equal to the difference, if positive, between (y) such Lender's pro rata percentage (calculated without giving effect to the Commitment Increase) of the Initial Advances and (z) such Lender's pro rata percentage (calculated after giving effect to the Commitment Increase) of the amount of the Subsequent Borrowings, (v) the Lenders shall be deemed to hold the Subsequent Borrowings ratably in accordance with their respective Revolver Commitments (calculated after giving effect to the Commitment Increase), (vi) the Borrower shall pay all accrued but unpaid interest on the Initial Advances to the Lenders entitled thereto, and (vii) the signature pages hereto shall be amended to reflect the Revolver Commitments of all Lenders after giving effect to the Commitment Increase. The deemed payments made pursuant to clause (i) above in respect of each Tranche Euro-Dollar Advance shall be subject to indemnification by the Borrower pursuant to the provisions of Section 8.05 if the Commitment Increase Date occurs other than on the last day of the Interest Period relating thereto.

SECTION 2.15. Defaulting Lenders.

(a) Generally. If for any reason any Lender (a "Defaulting Lender") shall fail or refuse to perform any of its obligations under this Agreement or any other Loan Document to which it is a party within the time period specified for performance of such obligation or, if no time period is specified, if such failure or refusal continues for a period of two Domestic Business Days after notice from the Administrative Agent, then, in addition to the rights and remedies that may be available to the Administrative Agent or the Borrower under this Agreement or Applicable Laws, such Defaulting Lender's right to participate in the administration of the Advances, this Agreement and the other Loan Documents, including without limitation, any right to vote in respect of, to consent to or to direct any action or inaction of the Administrative Agent or to be taken into account in the calculation of the Required Lenders, shall be suspended during the pendency of such failure or refusal. If a Lender is a Defaulting Lender because it has failed to make timely payment to the Administrative Agent of any amount required to be paid to the Administrative Agent hereunder (without giving effect to any notice or cure periods), in addition to other rights and remedies which the Administrative Agent or the Borrower may have under the immediately preceding provisions or otherwise, the Administrative Agent shall be entitled (i) to collect interest from such Defaulting Lender on such delinquent payment for the period from the date on which the payment was due until the date on which the payment is made at the Federal Funds Rate, (ii) to withhold or setoff and to apply in satisfaction of the defaulted payment and any related interest, any amounts otherwise payable to such Defaulting Lender under this Agreement or any other Loan Document and (iii) to bring an action or suit against such Defaulting Lender in a court of competent jurisdiction to recover the defaulted amount and any related interest. Any amounts received by the Administrative Agent in respect of a Defaulting Lender's Advances shall not be paid to such Defaulting Lender and shall be held uninvested by the Administrative Agent and either applied against the purchase price of such Advances under the following subsection (b) or paid to such Defaulting Lender upon such Defaulting Lender's curing of its default.

(b) Purchase or Cancellation of Defaulting Lender's Revolver Commitment. Any Lender who is not a Defaulting Lender may, but shall not be obligated, in its sole discretion, to acquire all or a portion of a Defaulting Lender's Revolver Commitment. Any Lender desiring to exercise such right shall give written notice thereof to the Administrative Agent and the Borrower no sooner than 2 Domestic Business Days and not later than 5 Domestic

Business Days after such Defaulting Lender became a Defaulting Lender. If more than one Lender exercises such right, each such Lender shall have the right to acquire the amount of such Defaulting Lender's Revolver Commitment in proportion to the Revolver Commitments of the other Lenders exercising such right. If after such 5th Domestic Business Day, the Lenders have not elected to purchase all of the Revolver Commitment of such Defaulting Lender, then the Borrower may, by giving written notice thereof to the Administrative Agent, such Defaulting Lender and the other Lenders, either (i) demand that such Defaulting Lender assign its Revolver Commitment to an Eligible Assignee subject to and in accordance with the provisions of Section 9.07(b) for the purchase price provided for below or (ii) terminate the Revolver Commitment of such Defaulting Lender, whereupon such Defaulting Lender shall no longer be a party hereto or have any rights or obligations hereunder or under any of the other Loan Documents. No party hereto shall have any obligation whatsoever to initiate any such replacement or to assist in finding an Eligible Assignee. Upon any such purchase or assignment, the Defaulting Lender's interest in the Advances and its rights hereunder (but not its liability in respect thereof or under the Loan Documents or this Agreement to the extent the same relate to the period prior to the effective date of the purchase except to the extent assigned pursuant to such purchase) shall terminate on the date of purchase, and the Defaulting Lender shall promptly execute all documents reasonably requested to surrender and transfer such interest to the purchaser or assignee thereof, including an appropriate Assignment and Acceptance Agreement and, notwithstanding Section 9.07(b), shall pay to the Administrative Agent an assignment fee in the amount of \$3,500.00. The purchase price for the Revolver Commitment of a Defaulting Lender shall be equal to the amount of the principal balance of the Advances outstanding and owed by the Borrower to the Defaulting Lender. Prior to payment of such purchase price to a Defaulting Lender, the Administrative Agent shall apply against such purchase price any amounts retained by the Administrative Agent pursuant to the last sentence of the immediately preceding subsection (a). The Defaulting Lender shall be entitled to receive amounts owed to it by the Borrower under the Loan Documents which accrued prior to the date of the default by the Defaulting Lender, to the extent the same are received by the Administrative Agent from or on behalf of the Borrower. There shall be no recourse against any Lender or the Administrative Agent for the payment of such sums except to the extent of the receipt of payments from any other party or in respect of the Loans.

Each Loan Party will, and will cause each Subsidiary of a Loan Party to, pay promptly when due all taxes, assessments, governmental charges, claims for labor, supplies, rent and other obligations which, if unpaid, might become a lien against the property of a Loan Party or any Subsidiary of a Loan Party, except liabilities being contested in good faith by appropriate proceedings diligently pursued and against which, if requested by the Administrative Agent, the Borrower shall have set up reserves in accordance with GAAP. Each Loan Party will, and will cause each Subsidiary of a Loan Party to, comply in all material respects with the terms and conditions of all Material Contracts to which it is a party.

The Loan Parties shall also cause the items specified in Section 3.01(c), (e) and (j) to be delivered to the Administrative Agent concurrently with the pledge agreement referred to above, modified appropriately to refer to such pledge agreement, the pledgor and such Subsidiary.

(c) Once any Subsidiary becomes a party to this Agreement in accordance with Section 5.27(a) or any Capital Securities (or equivalent equity interests) of a Subsidiary are pledged to the Administrative Agent in accordance with Section 5.27(b), such Subsidiary (including, without limitation, all Initial Guarantors) thereafter shall remain a party to this Agreement and the Capital Securities (or equivalent equity interests) in such Subsidiary (including, without limitation, all initial Subsidiaries) shall remain subject to the pledge to the Administrative Agent, as the case may be,

even if such Subsidiary ceases to be a Subsidiary; provided that if a Subsidiary ceases to be a Subsidiary of the Borrower as a result of the Borrower's transfer or sale of one hundred percent (100%) of the capital stock of such Subsidiary in accordance with and to the extent permitted by the terms of Section 5.16, the Administrative Agent and the Lenders agree to release such Subsidiary from this Agreement and release the Capital Securities of such Subsidiary from the Pledge Agreement.

SECTION 5.28. No Restrictive Agreement. No Loan Party will, nor will any Loan Party permit any of its Subsidiaries to, enter into, after the date of this Agreement, any indenture, agreement, instrument or other arrangement that, directly or indirectly, prohibits or restrains, or has the effect of prohibiting or restraining, or imposes materially adverse conditions upon, any of the following by the Loan Party or any such Subsidiary: the incurrence or payment of Debt, the granting of Liens, the declaration or payment of Restricted Payments or other distributions in respect of Capital Securities of the Loan Party or any Subsidiary, the making of loans, advances or Investments or the sale, assignment, transfer or other disposition of property, real, personal, intangible or tangible.

SECTION 5.29. Partnerships. No Loan Party shall become a general partner in any general or limited partnership.

SECTION 5.30. Additional Debt. SECTION 5.31. Maintenance and Substitution of Identified Mortgaged Property. St. Joe Timberland at all times (i) shall maintain fee simple ownership of not fewer than 250,000 acres of Land (excluding any Encumbered Land (as defined in Section 5.13(l)) and (ii) shall have set forth on Schedule 1.01 a listing and legal descriptions of Property it owns in fee simple that in the aggregate consists of at least 200,000 acres (excluding any Encumbered Land (as defined in Section 5.13(l))). SECTION 5.33. ERISA Exemptions. The Loan Parties shall not permit any of their respective assets to become or be deemed to be "plan assets" within the meaning of ERISA, the Code and the respective regulations promulgated thereunder.

SECTION 5.34. Hedge Transactions. The Loan Parties will not, and will not permit any of their Subsidiaries to, enter into any Hedge Transaction, other than Hedge Transactions entered into in the ordinary course of business (i) to hedge or mitigate risks to which the Loan Parties are exposed in the conduct of their business or the management of their liabilities, or (ii) with any counterparty who is or is anticipated to become, at the time that the Hedge Transaction is entered into, a borrower from a Loan Party or the issuer of a debt or equity interest to a Loan Party, which Hedge Transaction is entered into to hedge or mitigate risks to which such counterparty and its affiliates are exposed in the conduct of their businesses or the management of its liabilities. Solely for the avoidance of doubt, the Borrower acknowledges that a Hedge Transaction entered into for speculative purposes or of a speculative nature (which shall be deemed to include, without limitation, any Hedge Transaction under which any Loan Party is or may become obliged to make any payment (i) in connection with the purchase by any third party of any common stock or any Debt or (ii) as a

result of changes in the market value of any common stock or any Debt) is not a Hedge Transaction entered into in the ordinary course of business to hedge or mitigate risks.

SECTION 5.35. Performance of Loan Documents. Each Loan Party will at its own expense duly fulfill and comply with all obligations on its part to be fulfilled or complied with under or in connection with the Collateral, and all documents related thereto and will do nothing to impair the rights of any Loan Party or the Administrative Agent, as agent for the Secured Parties, or of the Secured Parties in, to and under the Collateral. Each Loan Party shall clearly and unambiguously identify each item of the Collateral in its computer or other records to reflect that the Administrative Agent, as agent for the Secured Parties has the interest therein granted by the Loan Parties pursuant to the Loan Documents. Schedule 1.01, as amended by the most recent Compliance Certificate, if any, delivered by the Borrower to the Administrative Agent, is a correct and complete list of all Identified Mortgaged Properties. All Mortgaged Properties are owned in fee simple by St. Joe Timberland and shall be owned by St. Joe Timberland at all times. St. Joe Timberland shall not sell, convey or transfer any of the Properties that it owns in whole or in part to any third party (including without limitation the Borrower and its Subsidiaries) except for sales in the ordinary course of business and which are permitted under Section 5.16(d). Upon execution of the Collateral Documents by the Loan Parties and delivery thereof to the Administrative Agent, the representations and warranties of the Loan Parties contained in the Collateral Documents shall be true and correct.

SECTION 5.36. Operating Leases. No Loan Party nor any Subsidiary of a Loan Party shall create, assume or suffer to exist any operating lease except operating leases which: (A) (1) are entered into in the ordinary course of business, and (2) the aggregate indebtedness, liabilities and obligations of the Loan Parties under all such operating leases during any period of four (4) consecutive Fiscal Quarters do not at any time exceed \$5,000,000; (B) are between a Borrower or Guarantor, as landlord and a Borrower or Guarantor as tenant; or (C) are set forth on Schedule 5.36.

SECTION 5.37. Deposit Accounts and Cash Management. The Loan Parties shall maintain their primary demand deposit and cash management accounts with Administrative Agent.

(b) At any time a Trigger Event has occurred and is continuing, St. Joe Timberland will, and will cause each of the other Loan Parties to, at the expense of the Loan Parties, make, execute, endorse, acknowledge, file and/or deliver to the Administrative Agent from time to time such vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, waivers, bailee agreements, control agreements and other assurances or instruments and take such further steps relating to the Collateral as the Administrative Agent may reasonably require.

Furthermore, the Loan Parties will, and will cause the other Loan Parties to, deliver to the Administrative Agent, from time to time, such Mortgaged Property Support Documents (including, without limitation, opinions of counsel, title insurance and other related documents) as may be reasonably requested by the Administrative Agent to assure itself that this Section 5.38 has been complied with.

(c) If the Administrative Agent or the Required Lenders reasonably determine that they are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property of St. Joe Timberland that constitutes or is to constitute Collateral, St. Joe Timberland will, at its own expense, provide to the Administrative Agent appraisals (or reimburse the Administrative Agent for such appraisals as Administrative Agent elects to obtain) which satisfy the applicable requirements of Applicable Laws, and which shall otherwise be in form and substance reasonably satisfactory to the Administrative Agent.

(d) Upon the occurrence of a Collateral Diligence Enhancement Event and from time to time thereafter, the Loan Parties shall promptly deliver to the Administrative Agent such Mortgaged Property Support Documents as the Administrative Agent may reasonably request in connection with the Timberland Collateral.

(e) The Borrower agrees that each action required by clauses (c) through (d) of this Section 5.38 shall be completed as soon as possible, but in no event later than 60 days after such action is requested to be taken by the Administrative Agent or the Required Lenders, as the case may be.

SECTION 5.39. Timberland Collateral Property. Notwithstanding the foregoing, the Administrative Agent shall have available to it all rights and remedies provided under the Loan Documents (including, without limitation, the rights of a secured party pursuant to the Collateral Documents) and in addition thereto, all other rights and remedies at law or equity, and the Administrative Agent shall exercise any one or all of them at the request of the Required Lenders.

SECTION 6.02. Notice of Default. The Administrative Agent shall give notice to the Borrower of any Default under Section 6.01(c) promptly upon being requested to do so by any Lender and shall thereupon notify all the Lenders thereof.

SECTION 6.03. Cash Cover. If any Event of Default shall have occurred and be continuing, the Borrower shall,

if requested by the Administrative Agent, pay to the Administrative Agent, for the benefit of the Lenders an amount in immediately available funds (which funds shall be held as collateral pursuant to arrangements satisfactory to the Administrative Agent) equal to 105% of the aggregate Undrawn Amounts available under the Letters of Credit, provided that, if any Event of Default specified in clause (g) or (h) above occurs, the Borrower shall be obligated to pay such amount to the Administrative Agent forthwith without any notice to the Borrower or any other act by the Administrative Agent.

SECTION 6.04. Allocation of Proceeds. If an Event of Default has occurred and not been waived, and the maturity of the Notes has been accelerated pursuant to Article VI hereof, all payments received by the Administrative Agent hereunder or under the other Loan Documents, in respect of any principal of or interest on the Obligations or any other amounts payable by the Borrower or any other Loan Party hereunder or under the other Loan Documents, shall be applied by the Administrative Agent in the following order:

(a) To payment of that portion of the Obligations constituting fees, indemnities, Credit Party Expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Article VIII and Section 2.12) payable to the Administrative Agent in its capacity as such; and then

(b) To payment of that portion of the Obligations constituting indemnities, Credit Party Expenses and other amounts (other than principal, interest and fees) payable to the Lenders and the Letter of Credit Issuer (including fees, charges and disbursements of counsel to the respective Lenders and the Letter of Credit Issuer and amounts payable under Article VIII and Section 2.12), ratably among them in proportion to the amounts described in this clause payable to them; and then

(c) To the extent that Swing Advances have not been refinanced by a Revolver Advance, payment to BB&T of that portion of the Obligations constituting accrued and unpaid interest on the Swing Advances; and then

(d) To payment of that portion of the Obligations constituting accrued and unpaid interest on the Advances and other Obligations, and fees (including facility fees, Letter of Credit Fees and Facing Fees), ratably among the Lenders and the Letter of Credit Issuer in proportion to the respective amounts described in this clause payable to them; and then

(e) To the extent that Swing Advances have not been refinanced by a Revolver Advance, to payment to BB&T of that portion of the Obligations constituting unpaid principal of the Swing Advances; and then

(f) To payment of that portion of the Obligations constituting unpaid principal of the Advances and Reimbursement Obligations, ratably among the Lenders and the Letter of Credit Issuer in proportion to the respective amounts described in this clause held by them; and then

(g) To the Administrative Agent for the account of the Letter of Credit Issuer (for the benefit of the Letter of Credit Issuer and the Lenders), in respect of outstanding Letters of Credit pursuant to Section 6.03; and then

(h) To payment of all other Obligations (excluding any Obligations arising from Cash Management Services and Bank Products), ratably among the Secured Parties in proportion to the respective amounts described in this clause held by them; and then

(i) To payment of all other Obligations arising from Bank Products and Cash Management Services to the extent secured under the Collateral Documents, ratably among the Secured Parties in proportion to the respective amounts described in this clause held by them; and then

(j) The balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Loan Parties or as otherwise required by law.

Subject to Article XI, amounts used to cash collateralize the aggregate Undrawn Amount of Letters of Credit pursuant to clause 6.04(g) above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

ARTICLE VII

THE ADMINISTRATIVE AGENT

SECTION 7.01. Appointment and Authority. Each of the Lenders hereby irrevocably appoints Branch Banking and Trust Company to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

SECTION 7.02. Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders

SECTION 7.03. Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.05 and 6.01) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 7.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or

other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Advance, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Advance. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 7.05. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 7.06. Resignation of Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States of America, or an Affiliate of any such bank with an office in the United States of America. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

SECTION 7.07. Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 7.08. No Other Duties, etc. Anything herein to the contrary notwithstanding, none of the Arrangers listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder.

SECTION 7.09. Other Agents. The Borrower and each Lender hereby acknowledges that any Lender designated as an “Agent” on the signature pages hereof (other than the Administrative Agent) shall not have any obligations, duties or liabilities hereunder other than in its capacity as a Lender.

SECTION 7.10. Hedging Agreements, Cash Management Services and Bank Products. Except as otherwise expressly set forth herein or in any Collateral Document, no Bank Product Bank, Cash Management Bank or Hedge Counterparty that obtains the guarantees hereunder or any Collateral by virtue of the provisions hereof or of any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) or any Guaranty (including the release or impairment of any Guaranty) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article VII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under or related to Cash Management Services, Bank Products and Hedging Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank, Bank Product Bank or Hedge Counterparty, as the case may be.

ARTICLE VIII

CHANGE IN CIRCUMSTANCES; COMPENSATION

SECTION 8.01. Basis for Determining Interest Rate Inadequate or Unfair. If on or prior to the first day of any Interest Period:

(a) the Administrative Agent determines that deposits in Dollars (in the applicable amounts) are not being offered in the relevant market for such Interest Period, or

(b) the Required Lenders advise the Administrative Agent that the London InterBank Offered Rate as determined by the Administrative Agent will not adequately and fairly reflect the cost to such Lenders of funding the Euro-Dollar Advances for such Interest Period,

the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon until the Administrative Agent notifies the Borrower that the circumstances giving rise to such suspension no longer exist, the obligations of the Lenders to make Euro-Dollar Advances specified in such notice, or to permit continuations or conversions into Euro-Dollar Advances, shall be suspended. Unless the Borrower notifies the Administrative Agent at least two (2) Euro-Dollar Business Days before the date of any Borrowing of Euro-Dollar Advances for which a Notice of Borrowing has previously been given, or continuation or conversion into such Euro-Dollar Advances for which a Notice of Continuation or Conversion has previously been given, that it elects not to borrow or so continue or convert on such date, such Borrowing shall instead be made as a Base Rate Borrowing, or such Euro-Dollar Advance shall be converted to a Base Rate Advance.

SECTION 8.02. Illegality. If a Change in Law or compliance by any Lender (or its Lending Office) with any request or directive (whether or not having the force of law) of any Governmental Authority shall make it unlawful or impossible for any Lender (or its Lending Office) to make, maintain or fund its Euro-Dollar Advances and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make or permit continuations or conversions of Euro-Dollar Advances shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such Lender shall determine that it may not lawfully continue to maintain and fund any of its portion of the outstanding Euro-Dollar Advances to maturity and shall so specify in such notice, the Borrower shall immediately prepay in full the then outstanding principal amount of the Euro-Dollar Advances of such Lender, together with accrued interest thereon and any amount due such Lender pursuant to Section 8.05. Concurrently with prepaying such Euro-Dollar Advances, the Borrower shall borrow a Base Rate Advance in an equal principal amount from such Lender (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Advances of the other Lenders), and such Lender shall make such a Base Rate Advance.

SECTION 8.03. Increased Cost and Reduced Return.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the applicable Euro-Dollar Reserve Percentage); or

(ii) subject any Lender to any tax of any kind whatsoever with respect to this Agreement or any Euro-Dollar Advances made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 2.08(e) and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender); or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Euro-Dollar Advances by such Lender or participation therein;

and the result of any of the foregoing is to increase the cost to such Lender of making or maintaining any Euro-Dollar Advance (or of maintaining its obligation to make any such Advance), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Revolver Commitments of such Lender or the Advances made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 8.04. Base Rate Advances Substituted for Affected Euro-Dollar Advances. If (i) the obligation of any Lender to make or maintain a Euro-Dollar Advance has been suspended pursuant to Section 8.02 or (ii) any Lender has demanded compensation under Section 8.03, and the Borrower shall, by at least five (5) Euro-Dollar Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(a) all Advances which would otherwise be made by such Lender as or permitted to be continued as or converted into Euro-Dollar Advances shall instead be made as or converted into Base Rate Advances, (in all cases interest and principal on such Advances shall be payable contemporaneously with the related Euro-Dollar Advances of the other Lenders), and

(b) after its portion of the Euro-Dollar Advance has been repaid, all payments of principal which would

otherwise be applied to repay such Euro-Dollar Advance shall be applied to repay its Base Rate Advance instead.

In the event that the Borrower shall elect that the provisions of this Section shall apply to any Lender, the Borrower shall remain liable for, and shall pay to such Lender as provided herein, all amounts due such Lender under Section 8.03 in respect of the period preceding the date of conversion of such Lender's portion of any Advance resulting from the Borrower's election.

SECTION 8.05. Compensation. Upon the request of any Lender, delivered to the Borrower and the Administrative Agent, the Borrower shall pay to such Lender such amount or amounts as shall compensate such Lender for any loss, cost or expense incurred by such Lender as a result of:

- (a) any payment or prepayment (pursuant to Sections 2.10, 2.11, 6.01, 8.02, 8.06 or otherwise) of a Euro-Dollar Advance on a date other than the last day of an Interest Period for such Advance; or
- (b) any failure by the Borrower to prepay a Euro-Dollar Advance on the date for such prepayment specified in the relevant notice of prepayment hereunder; or
- (c) any failure by the Borrower to borrow a Euro-Dollar Advance on the date for the Borrowing of which such Euro-Dollar Advance is a part specified on the Closing Date;

such compensation to include, without limitation, an amount equal to the excess, if any, of (x) the amount of interest which would have accrued on the amount so paid or prepaid or not prepaid or borrowed for the period from the date of such payment, prepayment or failure to prepay or borrow to the last day of the then current Interest Period for such Euro-Dollar Advance (or, in the case of a failure to prepay or borrow, the Interest Period for such Euro-Dollar Advance which would have commenced on the date of such failure to prepay or borrow) at the applicable rate of interest for such Euro-Dollar Advance provided for herein over (y) the amount of interest (as reasonably determined by such Lender) such Lender would have paid on deposits in Dollars of comparable amounts having terms comparable to such period placed with it by leading lenders in the London interbank market (if such Advance is a Euro-Dollar Advance).

SECTION 8.06. Replacement of Lenders. If any Lender requests compensation under Section 8.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.12(e), or if any Lender defaults in its obligation to fund Advances hereunder, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

- (i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 9.07;
- (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Advances and participations in Reimbursement Obligations, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 8.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);
- (iii) in the case of any such assignment resulting from a claim for compensation under Section 8.03 or payments required to be made pursuant to Section 2.12(e), such assignment will result in a reduction in such compensation or payments thereafter; and
- (iv) such assignment does not conflict with applicable law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Loan Parties shall, jointly and severally, pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and

(b) Indemnification by the Loan Parties. The Loan Parties shall, jointly and severally, indemnify the Administrative Agent (and any sub-agent thereof) and each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, penalties, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Advance or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Environmental Releases on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) Reimbursement by Lenders. To the extent that a Loan Party for any reason fails to pay any amount required under paragraph (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Sections 9.10 and 9.13.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Advance or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable promptly after demand therefor.

SECTION 9.04. Setoffs; Sharing of Set-Offs; Application of Payments.

(a) If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

(b) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Advances or other Obligations (excluding Obligations arising under or related to Cash Management Services, Bank Products and Hedging Agreements) hereunder or under any other Loan Document resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Advances and accrued interest thereon or other such Obligations (excluding Obligations arising under or related to Cash Management Services, Bank Products and Hedging Agreements) greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Advances and such other Obligations (excluding Obligations arising under or related to Cash Management Services, Bank Products and Hedging Agreements) of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Advances and other amounts owing them, provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by a Loan Party pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Advances to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this paragraph shall apply

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

SECTION 9.05. Amendments and Waivers. Any provision of this Agreement, the Notes or any other Loan Documents may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent are affected thereby, by the Administrative Agent); provided that no such amendment or waiver shall, unless signed by all the Lenders, (i) increase the Revolver Commitment of any Lender or subject any Lender to any additional obligation, (ii) reduce the principal of or decrease the rate of interest on any Advance or decrease any fees hereunder, (iii) defer the date fixed for any payment of principal of (including any extension of the Termination Date) or interest on any Advance or any fees hereunder, (iv) reduce the amount of principal, decrease the amount of interest or decrease the amount of fees due on any date fixed for the payment thereof, (v) change the percentage of the Revolver Commitments or of the aggregate unpaid principal amount of the Notes, or the percentage of Lenders, which shall be required for the Lenders or any of them to take any action under this Section or any other provision of this Agreement, (vi) change the manner of application of any payments made under this Agreement or the other Loan Documents, (vii) release or substitute all or substantially all of the Collateral held as security for the Obligations, (viii) change or modify the definition of "Required Lenders" or this Section 9.05, (ix) release any guaranty given to support payment of the Guaranteed Obligations or (x) change or modify

the provisions of Section 5.38 to waive the requirement to grant a security interest in the Timberland Collateral on the terms described in such Section or to reduce, substitute or alter all or any substantial portion of the Timberland Collateral to be pledged thereunder. Notwithstanding the foregoing, (1) the Hedging Agreement, the Administrative Agent's Letter Agreement and the agreements evidencing the Bank Products and Cash Management Services may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto and (2) any Commitment Increase meeting the conditions set forth in Section 2.14 shall not require the consent of any Lender other than those Lenders, if any, which have agreed to increase their Revolving Commitment in connection with the proposed Commitment Increase and such Commitment Increase shall not constitute an amendment, modification or waiver under this Section 9.05.

SECTION 9.06. Margin Stock Collateral. Each of the Lenders represents to the Administrative Agent and each of the other Lenders that it in good faith is not, directly or indirectly (by negative pledge or otherwise), relying upon any Margin Stock as collateral in the extension or maintenance of the credit provided for in this Agreement.

SECTION 9.07. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolver Commitment and the Revolver Advances at the time owing to it); provided that

(i) except in the case of an assignment of the entire remaining amount of the assigning Lender's Revolver Commitment and the Revolver Advances at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Revolver Commitment (which for this purpose includes Revolver Advances outstanding thereunder) or, if the applicable Revolver Commitment is not then in effect, the principal outstanding balance of the Revolver Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$5,000,000, unless each of the Administrative Agent and, so long as no Default has occurred and is continuing, the Borrower otherwise consent (each such consent not to be unreasonably withheld or delayed);

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Revolver Advances or the Revolver Commitment assigned;

(iii) any assignment of a Revolver Commitment must be approved by the Administrative Agent unless the Person that is the proposed assignee is itself a Lender with a Revolver Commitment (whether or not the proposed assignee would otherwise qualify as an Eligible Assignee); and

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500, and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section,

from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 8.03 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in Winston-Salem, North Carolina a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Revolver Commitments of, and principal amounts of the Revolver Advances owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Revolver Commitment and/or the Revolver Advances owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 9.05(a) (i) through (ix) (inclusive) that affects such Participant. Subject to paragraph (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 8.01 through 8.05 inclusive to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.04 as though it were a Lender, provided such Participant agrees to be subject to Section 9.04 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 8.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.12(e) unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.12(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.08. Confidentiality. Each of the Administrative Agent and the Lenders agrees to use reasonable efforts to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and other representatives (it being understood that disclosure will only be made to Persons who have a need to know in connection with the performance of their duties, and that disclosure is made only to Persons who are informed of the

confidential nature of such Information and agree to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower and not in violation, to the knowledge of the Administrative Agent, of any agreement or duty of confidentiality.

For purposes of this Section, “Information” means all information received from the Loan Parties or any of their Subsidiaries relating to the Loan Parties or any of their Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Loan Parties or any of their Subsidiaries. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Notwithstanding anything herein to the contrary, “Information” shall not include, and the Borrower, the other Loan Parties, the Administrative Agent, each Lender and the respective Affiliates of each of the foregoing (and the respective partners, directors, officers, employees, agents, advisors and other representatives of each of the foregoing and their Affiliates), and any other party, may disclose to any and all Persons, without limitation of any kind, (a) any information with respect to the U.S. federal and state income tax treatment of the transactions contemplated hereby and any facts that may be relevant to understanding such tax treatment, which facts shall not include for this purpose the names of the parties or any other Person named herein, or information that would permit identification of the parties or such other Persons, or any pricing terms or other nonpublic business or financial information that is unrelated to such tax treatment or facts, and (b) all materials of any kind (including opinions or other tax analyses) that are provided to any of the Persons referred to above relating to such tax treatment or facts.

SECTION 9.09. Representation by Lenders. Each Lender hereby represents that it is a commercial lender or financial institution which makes loans in the ordinary course of its business and that it will make its Advances hereunder for its own account in the ordinary course of such business; provided, however, that, subject to Section 9.07, the disposition of the Note or Notes held by that Lender shall at all times be within its exclusive control.

SECTION 9.10. Obligations Several. The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or commitment of any other Lender hereunder. Nothing contained in this Agreement and no action taken by the Lenders pursuant hereto shall be deemed to constitute the Lenders to be a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt and each Lender shall be entitled to protect and enforce its rights arising out of this Agreement or any other Loan Document and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

SECTION 9.11. Survival of Certain Obligations. Sections 8.03(a), 8.03(b), 8.05 and 9.03, and the obligations of the Loan Parties thereunder, shall survive, and shall continue to be enforceable notwithstanding, the termination of this Agreement, and the Revolver Commitments and the payment in full of the principal of and interest on all Advances.

SECTION 9.12. North Carolina Law. This Agreement and each Note shall be construed in accordance with and governed by the law of the State of North Carolina.

SECTION 9.13. Severability. In case any one or more of the provisions contained in this Agreement, the Notes or any of the other Loan Documents should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby and shall be enforced to the greatest extent permitted by law.

SECTION 9.14. Interest. In no event shall the amount of interest due or payable hereunder or under the Notes exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made to any Lender by the Borrower or inadvertently received by any Lender, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify such Lender in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Lenders not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

SECTION 9.15. Interpretation. No provision of this Agreement or any of the other Loan Documents shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

SECTION 9.16. Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 3.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement

(b) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.17. Jurisdiction; Waiver of Venue; Service of Process; Waiver of Jury Trial:

(a) Submission to Jurisdiction. Each Loan Party irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the courts of the State of North Carolina sitting in Forsyth County and of the United States District Court of the Middle District of North Carolina, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such North Carolina State court or, to the fullest extent permitted by applicable law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(b) Waiver of Venue. The Borrower irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (a) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

(d) Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.18. Independence of Covenants. All covenants under this Agreement and the other Loan Documents shall be given independent effect so that if a particular action or condition is not permitted by any such covenant, the fact that it would be permitted by an exception to, or would be otherwise allowed by, another covenant shall not avoid the occurrence of a Default if such action is taken or such condition exists.

SECTION 9.19. Florida Taxes. In connection with this transaction there may or may not be due certain documentary stamp taxes and/or intangible taxes imposed by the State of Florida (the "Florida Taxes"). In addition to (and not in limitation of) the indemnification with respect to tax liabilities set forth herein, the Loan Parties agree to indemnify the Lender, its directors, officers, agents and employees from and against any and all liability, damage, loss, cost, expense or reasonable attorney fees which may accrue to or be sustained by the Lender or its directors, officers, agents or employees on account of or arising from any claim or action raised by, filed or brought by or in the name of any Florida governmental or administrative department with respect to non-payment of the Florida Taxes against the Lender, or any of its directors, officers, agents or employees.

SECTION 9.20. Power of Attorney. Each Loan Party hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Loan Party's attorney-in-fact, with full authority in the place and stead of such Loan Party and in the name of such Loan Party, the Administrative Agent or otherwise, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement or the other Loan Documents, including, without limitation, the following:

(a) to prepare and file any U.C.C. financing statements against such Loan Party as debtor;

(b) upon the occurrence of a Trigger Event, to prepare, sign, and file for recordation in any appropriate office evidence of the lien and security interest in favor of the Administrative Agent for the benefit of the Secured Parties in the Timberland Collateral in the name of such Loan Party as mortgagor; and

(c) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, the provisions of Section 5.38, to pay or discharge taxes or Liens (other than Permitted Encumbrances) levied or placed upon or threatened against the Collateral, the legality thereof and the amounts necessary to discharge the same to be determined by the Administrative Agent in its sole discretion, any such payments made by the Administrative Agent to become obligations of such Loan Party to the Administrative Agent, due and payable immediately without demand.

Anything in this Section 9.20 to the contrary notwithstanding, the Administrative Agent agrees that, except as provided in Section 9.20(a), it will not exercise any rights under the power of attorney provided for in this Section 9.20 unless and until a Trigger Event shall have occurred.

SECTION 9.21. Post-Closing Actions. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, the parties hereto acknowledge and agree that the actions relating to the Collateral and such other matters described on Annex X shall be completed in accordance with Annex X. The provisions of Annex X shall be deemed incorporated herein by reference as fully as if set forth herein in its entirety.

All provisions of this Agreement and the other Loan Documents (including, without limitation, all conditions precedent, representations, warranties, covenants, events of default and other agreements herein and therein) shall be

deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above within the time periods required above, rather than as otherwise provided in the Loan Documents); provided that (x) to the extent any representation and warranty would not be true because the foregoing actions were not taken on the Closing Date the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 9.21 and (y) all representations and warranties relating to the Collateral Documents shall be required to be true immediately after the actions required to be taken by this Section 9.21 have been taken (or were required to be taken). The acceptance of the benefits of the Advances shall constitute a covenant and agreement by each Loan Party to each of the Lenders that the actions required pursuant to this Section 9.21 will be, or have been, taken within the relevant time periods referred to in this Section 9.21 and that, at such time, all representations and warranties contained in this Agreement and the other Loan Documents shall then be true and correct without any modification pursuant to this Section 9.21. The parties hereto acknowledge and agree that the failure to take any of the actions required above, within the relevant time periods required above, shall give rise to an immediate Event of Default pursuant to this Agreement.

SECTION 9.22. Right of Administrative Agent to Perform. If any Loan Party fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however, that unless a Default has occurred or time is of the essence, the Administrative Agent shall not exercise this right without first making demand on the Loan Party and the Loan Party has failed to comply immediately therewith.

ARTICLE X

GUARANTY

SECTION 10.01. Unconditional Guaranty. Each Guarantor hereby irrevocably, unconditionally and jointly and severally guarantees, each as a primary obligor and not merely as a surety, to the Administrative Agent, the Lenders and the other Secured Parties the due and punctual payment of the principal of and the premium, if any, and interest on the Guaranteed Obligations and any and all other amounts due under or pursuant to the Loan Documents, when and as the same shall become due and payable (whether at stated maturity or by optional or mandatory prepayment or by declaration, redemption or otherwise) in accordance with the terms of the Loan Documents. The Guarantors' guaranty under this Section is an absolute, present and continuing guarantee of payment and not of collectibility, and is in no way conditional or contingent upon any attempt to collect from the Borrower, any of the Guarantors or any other guarantor of the Guaranteed Obligations (or any portion thereof) or upon any other action, occurrence or circumstances whatsoever. In the event that the Borrower or any Guarantor shall fail so to pay any such principal, premium, interest or other amount to the Administrative Agent, a Lender or any other Secured Party, the Guarantors will pay the same forthwith, without demand, presentment, protest or notice of any kind (all of which are waived by the Guarantors to the fullest extent permitted by law), in lawful money of the United States, at the place for payment specified in the Loan Documents or specified by such Administrative Agent in writing, to such Administrative Agent. The Guarantors further agree, promptly after demand, to pay to the Administrative Agent, the Lenders and the other Secured Parties the costs and expenses incurred by such Administrative Agent, Lender or other Secured Party in connection with enforcing the rights of such Administrative Agent, Lenders and the other Secured Parties against the Borrower and any or all of the Guarantors (whether in a Bankruptcy proceeding or otherwise) following any default in payment of any of the Guaranteed Obligations or the obligations of the Guarantors hereunder, including, without limitation, the fees and expenses of counsel to the Administrative Agent, such Lenders and the other Secured Parties.

SECTION 10.02. Obligations Absolute. The obligations of the Guarantors hereunder are and shall be absolute and unconditional, irrespective of the validity, regularity or enforceability of this Agreement, any of the Guaranteed Obligations or any of the Loan Documents, shall not be subject to any counterclaim, set-off, deduction or defense based upon any claim any of the Guarantors may have against the Borrower, any other Guarantor or the Administrative Agent, any Lender or any other Secured Party, hereunder or otherwise, and shall remain in full force and effect without regard to, and shall not be released, discharged or in any way affected by, to the fullest extent permitted by law, any circumstance or condition whatsoever (whether or not any of the Guarantors shall have any knowledge or notice thereof), including, without limitation:

(a) any amendment or modification of or supplement to any of the Loan Documents or any other instrument referred to herein or therein, or any assignment or transfer of any thereof or of any interest therein, or any furnishing

or acceptance of additional security for any of the Guaranteed Obligations;

(b) any waiver, consent or extension under any Loan Document or any such other instrument, or any indulgence or other action or inaction under or in respect of, or any extensions or renewals of, any Loan Document, any such other instrument or any Guaranteed Obligation;

(c) any failure, omission or delay on the part of the Administrative Agent to enforce, assert or exercise any right, power or remedy conferred on or available to the Administrative Agent or any Lender against the Borrower or any Guarantor, any Subsidiary of the Borrower or any Subsidiary of any Guarantor;

(d) any Bankruptcy, insolvency, readjustment, composition, liquidation or similar proceeding with respect to the Borrower, any Guarantor, any Subsidiary of the Borrower or any Subsidiary of any Guarantor or any property of the Borrower, any Guarantor or any such Subsidiary or any unavailability of assets against which the Guaranteed Obligations, or any of them, may be enforced;

(e) any merger or consolidation of the Borrower, any Subsidiary of the Borrower or any Guarantor or any of the Guarantors into or with any other Person or any sale, lease or transfer of any or all of the assets of any of the Guarantors, the Borrower or any Subsidiary of the Borrower or any Guarantor to any Person;

(f) any failure on the part of the Borrower, any Guarantor or any Subsidiary of the Borrower or any Guarantor for any reason to comply with or perform any of the terms of any agreement with any of the Guarantors;

(g) any exercise or non-exercise by the Administrative Agent, any Lender or any other Secured Party, of any right, remedy, power or privilege under or in respect of any of the Loan Documents or the Guaranteed Obligations, including, without limitation, under this Section;

(h) any default, failure or delay, willful or otherwise, in the performance or payment of any of the Guaranteed Obligations;

(i) any furnishing or acceptance of security, or any release, substitution or exchange thereof, for any of the Guaranteed Obligations;

(j) any failure to give notice to any of the Guarantors of the occurrence of any breach or violation of, or any event of default or any default under or with respect to, any of the Loan Documents or the Guaranteed Obligations;

(k) any partial prepayment, or any assignment or transfer, of any of the Guaranteed Obligations; or

(l) any other circumstance (other than payment in full) which might otherwise constitute a legal or equitable discharge or defense of a guarantor or which might in any manner or to any extent vary the risk of such Guarantor.

The Guarantors covenant that their respective obligations hereunder will not be discharged except by complete performance of the obligations contained in the Loan Documents and this Agreement and the final payment in full of the Guaranteed Obligations. The Guarantors unconditionally waive, to the fullest extent permitted by law (A) notice of any of the matters referred to in this Section, (B) any and all rights which any of the Guarantors may now or hereafter have arising under, and any right to claim a discharge of the Guarantor's obligations hereunder by reason of the failure or refusal by the Administrative Agent, any Lender or any other Secured Party to take any action pursuant to any statute permitting a Guarantor to request that the Administrative Agent or any Lender attempt to collect the Guaranteed Obligations from the Borrower, any of the Guarantors or any other guarantor (including without limitation any rights under Sections 26-7, 26-8 or 26-9 of the North Carolina General Statutes, O.C.G.A. § 10-7-24, or any similar or successor provisions), (C) all notices which may be required by statute, rule of law or otherwise to preserve any of the rights of the Administrative Agent, any Lender or any other Secured Party against the Guarantors, including, without limitation, presentment to or demand of payment from the Borrower, any of the Subsidiaries of the Borrower or any Guarantor, or any of the other Guarantors with respect to any Loan Document or this agreement, notice of acceptance of the Guarantors' guarantee hereunder and/or notice to the Borrower, any of the Subsidiaries of the Borrower or any Guarantor, or any Guarantor of default or protest for nonpayment or dishonor, (D) any diligence in collection from or protection of or realization upon all or any portion of the Guaranteed Obligations or any security therefor, any liability hereunder, or any

party primarily or secondarily liable for all or any portion of the Guaranteed Obligations, and (E) any duty or obligation of the Administrative Agent, any Lender or any other Secured Party to proceed to collect all or any portion of the Guaranteed Obligations from, or to commence an action against, the Borrower, any Guarantor or any other Person, or to resort to any security or to any balance of any deposit account or credit on the books of the Administrative Agent, any Lender or any other Secured Party in favor of the Borrower, any Guarantor or any other Person, despite any notice or request of any of the Guarantors to do so.

SECTION 10.03. Continuing Obligations; Reinstatement. The obligations of the Guarantors under this Article X are continuing obligations and shall continue in full force and effect until such time as all of the Guaranteed Obligations (and any renewals and extensions thereof) shall have been finally paid and satisfied in full. The obligations of the Guarantors under this Article X shall continue to be effective or be automatically reinstated, as the case may be, if any payment made by the Borrower, any Guarantor or any Subsidiary of the Borrower or any Guarantor on, under or in respect of any of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by the recipient upon the insolvency, Bankruptcy, dissolution, liquidation or reorganization of the Borrower, any Guarantor or any such Subsidiary, or upon or as a result of the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to the Borrower, any Guarantor or any such Subsidiary or any substantial part of the property of the Borrower, any Guarantor or any such Subsidiary, or otherwise, all as though such payment had not been made. If an event permitting the acceleration of all or any portion of the Guaranteed Obligations shall at any time have occurred and be continuing, and such acceleration shall at such time be stayed, enjoined or otherwise prevented for any reason, including without limitation because of the pendency of a case or proceeding relating to the Borrower, any Guarantor or any Subsidiary of the Borrower or any Guarantor under any Bankruptcy or insolvency law, for purposes of this Article X and the obligations of the Guarantors hereunder, such Guaranteed Obligations shall be deemed to have been accelerated with the same effect as if such Guaranteed Obligations had been accelerated in accordance with the terms of the applicable Loan Documents or of this Agreement.

SECTION 10.04. Additional Security, Etc. The Guarantors authorize the Administrative Agent on behalf of the Lenders without notice to or demand on the Guarantors and without affecting their liability hereunder, from time to time (a) to obtain additional or substitute endorsers or guarantors; (b) to exercise or refrain from exercising any rights against, and grant indulgences to, the Borrower, any Subsidiary of the Borrower or any Guarantor, any other Guarantor or others; and (c) to apply any sums, by whomsoever paid or however realized, to the payment of the principal of, premium, if any, and interest on, and other obligations consisting of, the Guaranteed Obligations. The Guarantors waive any right to require the Administrative Agent, any Lender or any other Secured Party to proceed against any additional or substitute endorsers or guarantors or the Borrower or any of their Subsidiaries or any other Person or to pursue any other remedy available to the Administrative Agent, any such Lender or any such other Secured Party.

SECTION 10.05. Information Concerning the Borrower. The Guarantors assume all responsibility for being and keeping themselves informed of the financial condition and assets of the Borrower, the other Guarantors and their respective Subsidiaries, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which the Guarantors assume and insure hereunder, and agree that neither the Administrative Agent, any Lender nor any other Secured Party shall have any duty to advise the Guarantors of information known to the Administrative Agent, any such Lender or any such other Secured Party regarding or in any manner relevant to any of such circumstances or risks.

SECTION 10.06. Guarantors' Subordination. The Guarantors hereby absolutely subordinate, both in right of payment and in time of payment, any present and future indebtedness of the Borrower or any Subsidiary of the Borrower or any Guarantor to any or all of the Guarantors to the indebtedness of the Borrower or any such Subsidiary or to the Administrative Agent, Lenders and the other Secured Parties (or any of them), *provided* that the Guarantors may receive scheduled payments of principal, premium (if any) and interest in respect of such present or future indebtedness so long as there is no Event of Default then in existence.

SECTION 10.07. Waiver of Subrogation. Notwithstanding anything herein to the contrary, until the payment in full of the Guaranteed Obligations, the Guarantors hereby waive any right of subrogation (under contract, Section 509 of the Bankruptcy Code or otherwise) or any other right of indemnity, reimbursement or contribution and hereby waive any right to enforce any remedy that the Administrative Agent, any Lender or any other Secured Party now has or may hereafter have against the Borrower, any Guarantor or any endorser or any other guarantor of all or any part of the Guaranteed Obligations, and the Guarantors hereby waive any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent, any Lender or any other Secured Party to secure payment or performance of

the Guaranteed Obligations or any other liability of the Borrower to the Administrative Agent, any Lender or any other Secured Party. The waiver contained in this Section shall continue and survive the termination of this Agreement and the final payment in full of the Guaranteed Obligations.

SECTION 10.08. Enforcement. In the event that the Guarantors shall fail forthwith to pay upon demand of the Administrative Agent, any Lender or any other Secured Party any amounts due pursuant to this Article X or to perform or comply with or to cause performance or compliance with any other obligation of the Guarantors under this Agreement the Administrative Agent, any Lender and any other Secured Party shall be entitled and empowered to institute any action or proceeding at law or in equity for the collection of the sums so due and unpaid or for the performance of or compliance with such terms, and may prosecute any such action or proceeding to judgment or final decree and may enforce such judgment or final decree against the Guarantors and collect in the manner provided by law out of the property of the Guarantors, wherever situated, any monies adjudged or decreed to be payable. The obligations of the Guarantors under this Agreement are continuing obligations and a fresh cause of action shall arise in respect of each default hereunder.

SECTION 10.09. Miscellaneous. Except as may otherwise be expressly agreed upon in writing, the liability of the Guarantors under this Article X shall neither affect nor be affected by any prior or subsequent guaranty by the Guarantors of any other indebtedness to the Administrative Agent, the Lenders or any other Secured Party. Notwithstanding anything in this Article X to the contrary, the maximum liability of each Guarantor hereunder shall in no event exceed the maximum amount which could be paid out by such Guarantor without rendering such Guarantor's obligations under this Article X, in whole or in part, void or voidable under applicable law, including, without limitation, (i) the Bankruptcy Code of 1978, as amended, and (ii) any applicable state or federal law relative to fraudulent conveyances.

(c) No Extension or Amendment. The Letter of Credit Issuer shall not extend or amend any Letter of Credit if the issuance of a new Letter of Credit having the same terms as such Letter of Credit as so amended or extended would be prohibited by Section 11.02 or Section 11.03.

SECTION 11.05. Reimbursement Obligations; Duties of the Issuing Lender.

(a) Reimbursement. Notwithstanding any provisions to the contrary in any Letter of Credit Application Agreement:

(i) the Borrower shall reimburse the Letter of Credit Issuer for drawings under a Letter of Credit issued by it no later than the earlier of (A) the time specified in such Letter of Credit Application Agreement, or (B) 1 Domestic Business Day after the payment by the Letter of Credit Issuer;

(ii) any Reimbursement Obligation with respect to any Letter of Credit shall bear interest from the date of the relevant drawing under the pertinent Letter of Credit until the date of payment in full thereof at a rate per annum equal to the Default Rate; and

(iii) in order to implement the foregoing, upon the occurrence of a draw under any Letter of Credit, unless the Letter of Credit Issuer is reimbursed in accordance with Subsection (i) above, the Borrower irrevocably authorizes the Letter of Credit Issuer and the Administrative Agent to treat such nonpayment as a Notice of Borrowing in the amount of such Reimbursement Obligation and the Lenders to make Advances to Borrower in such amount regardless of whether the conditions precedent to the making of Advances hereunder have been met. The Borrower further authorizes the Administrative Agent to credit the proceeds of such Advance so as to immediately eliminate the liability of the Borrower for Reimbursement Obligations under such Letter of Credit.

(b) Duties of the Letter of Credit Issuer. Any action taken or omitted to be taken by the Letter of Credit Issuer in connection with any Letter of Credit, if taken or omitted in the absence of willful misconduct or gross negligence, shall not put the Letter of Credit Issuer under any resulting liability to any Lender, or assuming that the Letter of Credit Issuer has complied with the procedures specified in Section 3.02, relieve that Lender of its obligations hereunder to the Letter of Credit Issuer. In determining whether to pay under any Letter of Credit, the Letter of

Credit Issuer shall have no obligation relative to the Lenders other than to confirm that any documents required to have been delivered under such Letter of Credit appear to comply on their face, with the requirements of such Letter of Credit.

SECTION 11.06. Participations.

(a) Purchase of Participations. Immediately upon issuance by the Letter of Credit Issuer of any Letter of Credit in accordance with the procedures set forth in Section 11.04, each Lender shall be deemed to have irrevocably and unconditionally purchased and received from the Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation, to the extent of such Lender's ratable share of the aggregate Revolver Commitments, in such Letter of Credit; provided, that a Letter of Credit shall not be entitled to the benefits of this Section 11.06 if the Letter of Credit Issuer shall have received written notice from any Lender on or before the Domestic Business Day immediately prior to the date of the Letter of Credit Issuer's issuance of such Letter of Credit that one or more of the conditions contained in Section 11.03 or Article III is not then satisfied, and, in the event the Letter of Credit Issuer receives such a notice, it shall have no further obligation to issue any Letter of Credit until such notice is withdrawn by that Lender or until the Required Lenders have effectively waived such condition in accordance with the provisions of this Agreement.

(b) Sharing of Letter of Credit Payments. In the event that the Letter of Credit Issuer makes any payment under any Letter of Credit for which the Borrower shall not have repaid such amount to the Letter of Credit Issuer pursuant to Section 11.07 or which cannot be paid by an Advance pursuant to Subsection (iii) of Section 11.05(a), the Letter of Credit Issuer shall promptly notify each Lender of such failure, and each Lender shall promptly and unconditionally pay to the Letter of Credit Issuer such Lender's ratable share of the amount of such payment in Dollars and in same day funds. If the Letter of Credit Issuer so notifies such Lender prior to 11:00 A.M. (Winston-Salem, North Carolina time) on any Domestic Business Day, such Lender shall make available to the Letter of Credit Issuer its ratable share of the amount of such payment on such Domestic Business Day in same day funds. If and to the extent such Lender shall not have so made its ratable share of the amount of such payment available to the Letter of Credit Issuer, such Lender agrees to pay to the Letter of Credit Issuer forthwith on demand such amount together with interest thereon, for each day from the date such payment was first due until the date such amount is paid to the Letter of Credit Issuer at the Base Rate. The failure of any Lender to make available to the Letter of Credit Issuer its ratable share of any such payment shall neither relieve nor increase the obligation of any other Lender hereunder to make available to the Letter of Credit Issuer its ratable share of any payment on the date such payment is to be made.

(c) Sharing of Reimbursement Obligation Payments. Whenever the Letter of Credit Issuer receives a payment on account of a Reimbursement Obligation, including any interest thereon, as to which the Letter of Credit Issuer has received any payments from the Lenders pursuant to this Section 11.06, it shall promptly pay to each Lender which has funded its participating interest therein, in Dollars and in the kind of funds so received, an amount equal to such Lender's ratable share thereof. Each such payment shall be made by the Letter of Credit Issuer on the Domestic Business Day on which the funds are paid to such Person, if received prior to 10:00 am. (Winston-Salem, North Carolina time) on such Domestic Business Day, and otherwise on the next succeeding Domestic Business Day.

(d) Documentation. Upon the request of any Lender, the Letter of Credit Issuer shall furnish to such Lender copies of any Letter of Credit, Letter of Credit Application Agreement and other documentation relating to Letters of Credit issued pursuant to this Agreement.

(e) Obligations Irrevocable. The obligations of the Lenders to make payments to the Letter of Credit Issuer with respect to a Letter of Credit shall be irrevocable, not subject to any qualification or exception whatsoever and shall be made in accordance with, but not subject to, the terms and conditions of this Agreement under all circumstances (assuming that the Letter of Credit Issuer has issued such Letter of Credit in accordance with Section 11.04 and such Lender has not given a notice contemplated by Section 11.06(a) that continues in full force and effect), including, without limitation, any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Loan Documents;

(ii) the existence of any claim, set-off, defense or other right which the Borrower may have at any time against a beneficiary named in a Letter of Credit or any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Letter of Credit Issuer, the Administrative Agent, any Lender or

any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions;

(iii) any draft, certificate or any other document presented under the Letter of Credit proves to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Loan Documents;

(v) payment by the Letter of Credit Issuer under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(vi) payment by the Letter of Credit Issuer under any Letter of Credit against presentation of any draft or certificate that does not comply with the terms of such Letter of Credit, except payment resulting from the gross negligence or willful misconduct of the Letter of Credit Issuer; or

(vii) any other circumstances or happenings whatsoever, whether or not similar to any of the foregoing, except circumstances or happenings resulting from the gross negligence or willful misconduct of the Letter of Credit Issuer.

SECTION 11.07. Payment of Reimbursement Obligations.

(a) Payments to Issuing Lender. The Borrower agrees to pay to the Letter of Credit Issuer the amount of all Reimbursement Obligations, interest and other amounts payable to the Letter of Credit Issuer under or in connection with any Letter of Credit issued for such Borrower's account immediately when due, irrespective of:

(i) any lack of validity or enforceability of this Agreement or any of the other Loan Documents;

(ii) the existence of any claim, set-off, defense or other right which the Borrower may have at any time against a beneficiary named in a Letter of Credit or any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Letter of Credit Issuer, the Administrative Agent, any Lender or any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Loan Documents;

(v) payment by the Letter of Credit Issuer under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(vi) payment by the Letter of Credit Issuer under any Letter of Credit against presentation of any draft or certificate that does not comply with the terms of such Letter of Credit, except payment resulting from the gross negligence or willful misconduct of the Letter of Credit Issuer; or

(vii) any other circumstances or happenings whatsoever, whether or not similar to any of the foregoing, except circumstances or happenings resulting from the gross negligence or willful misconduct of the Letter of Credit Issuer.

(b) Recovery or Avoidance of Payments. In the event any payment by or on behalf of the Borrower received by the Letter of Credit Issuer with respect to a Letter of Credit and distributed by the Letter of Credit Issuer to the Lenders on account of their participations is thereafter set aside, avoided or recovered from the Letter of Credit Issuer

in connection with any receivership, liquidation or bankruptcy proceeding, each Lender that received such distribution shall, upon demand by the Letter of Credit Issuer, contribute such Lender's ratable share of the amount set aside, avoided or recovered together with interest at the rate required to be paid by the Letter of Credit Issuer upon the amount required to be repaid by it.

SECTION 11.08. Compensation for Letters of Credit. The compensation for Letters of Credit shall be as set forth in Section 2.07.

SECTION 11.09. Indemnification; Exoneration.

(a) Indemnification. 2. Security Interest. In consideration of and in order to secure the fulfillment, satisfaction, payment and performance of all of the Obligations, the Grantor hereby assigns, pledges, hypothecates and sets over to the Administrative Agent, its successors and its assigns, for the benefit of the Secured Parties, and grants to the Administrative Agent, its successors

and its assigns, for the benefit of the Secured Parties, a security interest in all of the Collateral.

3. Care of Collateral. The Grantor has the risk of loss of the Collateral. The Administrative Agent shall have no duty of care with respect to the Collateral, except that the Administrative Agent shall exercise reasonable care with respect to Collateral in its custody, but shall be deemed to have exercised reasonable care if such property is accorded treatment substantially equal to that which the Administrative Agent accords its own property, or if the Administrative Agent takes such action with respect to the Collateral as the Grantor shall request in writing but no failure to comply with any such request nor any omission to do any such act requested by the Grantor shall be deemed a failure to exercise reasonable care, nor shall the Administrative Agent's failure to take steps to collect any income accruing on the Collateral or to preserve rights against any parties or property be deemed a failure to have exercised reasonable care with respect to Collateral in its custody. The rights and security interest herein provided are granted as security only and shall not subject the Administrative Agent or any Secured Party to, or in any way alter or modify, any obligation or liability of the Grantor with respect to or arising out of any of the Collateral.

4. Set-Off. In addition to the rights and security interest elsewhere herein set forth, the Administrative Agent may, at its option at any time(s) after the occurrence of an Event of Default and during the continuation thereof, and with or without notice to the Grantor, appropriate and apply to the payment or reduction, either in whole or in part, of the amount owing on any one or more of the Obligations, whether or not then due, any and all moneys now or hereafter on deposit in a Deposit Account maintained with the Administrative Agent or otherwise to the credit of or belonging to the Grantor in such deposit account, it being understood and agreed that the Administrative Agent shall not be obligated to assert or enforce any rights or security interest hereunder or to take any action in reference thereto, and that the Administrative Agent may in its discretion at any time(s) relinquish its rights as to particular Collateral hereunder without thereby affecting or invalidating the Administrative Agent's rights hereunder as to all or any other Collateral hereinbefore referred to.

5. Collection of Accounts.

(a) Upon occurrence of an Event of Default and during the continuation thereof, the Administrative Agent shall have the right at any time, acting if it so chooses in the name of any or all of the Grantor, to collect the Accounts, to sell, assign, compromise, discharge or extend the time for payment of any Account, to institute legal action for the collection of any Account, and to do all acts and things necessary or incidental thereto and the Grantor hereby ratify all such acts. The Administrative Agent may at any time after the occurrence of such Event of Default and during the continuation thereof and without notice to the Grantor, notify any Account Debtor or guarantor thereof that the Account owed by such Account Debtor has been assigned to the Administrative Agent and is to be paid directly to the Administrative Agent. At the Administrative Agent's request following the occurrence of an Event of Default and during the continuation thereof the Grantor will so notify Account Debtors and shall indicate on all billings to Account Debtors that payments thereon are to be made to the Administrative Agent. In the event Account Debtors are so notified, the Grantor shall not compromise, discharge, extend the time for payment or otherwise grant any indulgence or allowance with respect to any Account without the prior written consent of the Administrative Agent.

(b) The Grantor irrevocably designates and appoints the Administrative Agent its true and lawful attorney either in the name of the Administrative Agent or in the name of the Grantor, effective after the occurrence of an Event of Default and during the continuation thereof to ask for, demand, sue for, collect, compromise, compound, receive, receipt for and give acquittances for any and all sums owing or which may become due upon any items of the Inventory Collateral or the Accounts Receivable Collateral and, in connection therewith, to take any and all actions as the Administrative Agent may deem necessary or desirable in order to realize upon the Inventory Collateral and the Accounts Receivable Collateral, including, without limitation, power to endorse in the name of the Grantor, any checks, drafts, notes or other instruments received in payment of or on account of the Inventory Collateral or the Accounts Receivable Collateral, but the Administrative Agent shall not be under any duty to exercise any such authority or power or in any way be responsible for the collection of the Inventory Collateral or the Accounts Receivable Collateral.

(c) The rights set forth in this Section 5 are supplementary and in addition to (and not in limitation of) the rights granted to the Administrative Agent and/or the Secured Parties in the Credit Documents.

6. Representations, Warranties and Covenants as to Collateral.

The Grantor represents, warrants and covenants to and for the benefit of the Administrative Agent and the

Secured Parties that:

(a) Sale of Collateral. Upon the sale, exchange or other disposition of the Inventory Collateral, the security interest and lien created and provided for herein, without break in continuity and without further formality or act, shall continue in and attach to any proceeds thereof, including, without limitation, accounts, chattel paper, contract rights, shipping documents, documents of title, bills of lading, warehouse receipts, dock warrants, dock receipts and cash or non-cash proceeds, and in the event of any unauthorized sale, shall continue in the Inventory Collateral itself.

(b) Good Title; No Existing Encumbrances. The Grantor owns the Collateral free and clear of any prior Lien other than Liens permitted by Section 5.13 of the Credit Agreement (referred to herein as the “Permitted Liens”), and no financing statements or other evidences of the grant of a security interest respecting the Collateral exist on the public records other than with respect to Permitted Liens.

(c) Right to Grant Security Interest; No Further Encumbrances. The Grantor has the right to grant a security interest in the Collateral. Except as permitted by the Credit Agreement, the Grantor will pay all taxes and other charges against the Collateral (including, without limitation, property, use and sales taxes), and the Grantor will not use the Collateral illegally or allow the Collateral to be encumbered except for Permitted Liens.

(d) Location of Collateral. The Grantor hereby represents and warrants to the Administrative Agent and the Lenders that, as of the date hereof, the Collateral is situated only at the collateral locations listed in Schedule I hereto (the “Collateral Locations”), and the Grantor covenants with the Administrative Agent not to locate the Collateral at any location other than a Collateral Location without at least thirty (30) days prior written notice to the Administrative Agent. The executive office of the Grantor set forth on Schedule I hereto (the “Executive Office”) is the Grantor’s chief executive office (if the Grantor has more than one place of business) or place of business (if the Grantor has one place of business). In addition, to the extent the Grantor should warehouse any of the Inventory Collateral, the Grantor acknowledges and agrees that such warehousing may be conducted only by warehousemen who shall issue non-negotiable warehouse receipts in the Administrative Agent’s name to evidence any such warehousing of goods constituting Inventory Collateral. If the Grantor consigns any of the Inventory Collateral, it will comply with the Uniform Commercial Code of any state where such Inventory Collateral is located with respect thereto, and shall file, cause the filing and hereby authorizes the Administrative Agent to file in the appropriate public office or offices UCC-1 financing statements showing the Grantor as consignor and the Administrative Agent as assignee of consignor, and will furnish copies thereof to the Administrative Agent. If any of the Inventory Collateral or Equipment Collateral or any records concerning the Collateral are at any time to be located on premises leased by the Grantor or on premises owned by the Grantor subject to a mortgage or other lien, the Grantor shall so notify the Administrative Agent and shall if reasonably requested by the Administrative Agent obtain and deliver or cause to be delivered to the Administrative Agent, an agreement, in form and substance satisfactory to the Administrative Agent, waiving the landlord’s or mortgagee’s or lienholder’s right to enforce any claim against the Grantor for monies due under the landlord’s lien, mortgage or other lien by levy or distraint or other similar proceedings against the Inventory Collateral or Equipment Collateral or records concerning the Collateral and assuring the Administrative Agent’s ability to have access to the Inventory Collateral or Equipment Collateral and records concerning the Collateral in order to exercise its right hereunder to take possession thereof.

(e) Collateral Status. The Grantor will promptly notify the Administrative Agent if there is any adverse change in the status of the Collateral that would reasonably be expected to have a Material Adverse Effect.

(f) Delivery of Certain Collateral. Upon the reasonable request of the Administrative Agent, the Grantor shall deliver all agreements, letters of credit, promissory notes, instruments, certificates of deposit, chattel paper or anything else, the physical possession of which is necessary in order for the Administrative Agent, on behalf of the Secured Parties, to perfect or preserve the priority of its security interest therein. Upon the request of the Administrative Agent, if at any time any Collateral is evidenced by any promissory note or other instrument, the Grantor shall promptly notify the Administrative Agent and deliver such promissory note or other instrument to the Administrative Agent.

(g) Records Respecting Collateral. The Grantor shall keep complete and accurate books and records and make all necessary entries thereon to reflect the transactions and facts giving rise to the Collateral and payments, credits and adjustments applicable thereto, all in accordance with GAAP. All books and records of the Grantor with respect to the Collateral will be accessible from the Executive Office (as it may be changed pursuant to Section 6(e)).

(h) Further Assurances. The Grantor shall duly execute and/or deliver (or cause to be duly executed and/or

delivered) to the Administrative Agent and Secured Parties any instrument, invoice, document, document of title, dock warrant, dock receipt, warehouse receipt, bill of lading, order, financing statement, assignment, waiver, consent or other writing reasonably requested by the Administrative Agent which may be reasonably necessary to the Administrative Agent to carry out the terms of this Agreement and any of the other Loan Documents and to perfect its security interest in and facilitate the collection of the Collateral, the proceeds thereof, and any other property at any time constituting security to the Secured Parties. The Grantor shall perform or cause to be performed such acts as the Administrative Agent or any Secured Party may reasonably request to establish and maintain for the Administrative Agent and the Secured Parties a valid and perfected security interest in and security title to the Collateral, free and clear of any Liens other than Permitted Liens.

(i) Maintenance of Insurance. In addition to and cumulative with any other requirements herein imposed on the Grantor with respect to insurance, the Grantor shall maintain, or cause to be maintained, insurance with insurance companies reasonably satisfactory to the Administrative Agent on the Grantor's respective properties and assets, in such amounts satisfactory to the Administrative Agent, but in any event to include public liability, worker's compensation (if applicable), malicious mischief, errors and omissions, loss, damage, flood (if and as reasonably obtainable), windstorm, fire, theft, and extended coverage, which such insurance shall not be cancellable or altered (or the coverage thereunder reduced or restricted) by the insurer of the Grantor, unless with at least thirty (30) days advance written notice to the Administrative Agent thereof. The Grantor shall deliver to the Administrative Agent, at such times as the Administrative Agent may request, a detailed list of such insurance then in effect stating the names of the insurance companies, the amounts and rates of insurance, the date of expiration thereof, the properties and risks covered thereby and the insured with respect thereto. The Grantor will pay all premiums on the insurance referred to herein as and when they become due and shall do all things necessary to maintain the insurance in effect. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent may act as the Grantor's agent in adjusting or compromising any loss under any such insurance policy and in collecting and receiving the proceeds from any such policy. In the event of any loss under any such policy of insurance, the insurer named therein is hereby authorized and directed by the Grantor to make payment for such loss to the Administrative Agent, for the benefit of the Secured Parties, as their interests may appear, rather than to the Grantor and the Administrative Agent jointly. If the Grantor shall default in its obligation hereunder to insure the Collateral in a manner satisfactory to the Administrative Agent, then the Administrative Agent shall have the right (but not the obligation), after reasonable notice to the Grantor, to procure such insurance and to charge the costs of same to the Grantor, which costs shall be added to and become a part of the unpaid principal amount of the Obligations and shall be secured by the Collateral. Upon the occurrence and during the continuation of an Event of Default, the proceeds of all such insurance, if any loss should occur, shall be applied or used in the manner provided in the Credit Agreement. The Grantor hereby appoints (which appointment constitutes a power coupled with an interest and is irrevocable as long as any of the Obligations remain outstanding) Administrative Agent as its lawful attorney-in-fact, effective after the occurrence of an Event of Default and during the continuation thereof, with full authority to make, adjust, settle claims under and/or cancel such insurance and to endorse the applicable Grantor's name on any instruments or drafts issued by or upon any insurance companies.

(j) Change of Chief Executive Office. The Grantor hereby understands and agrees that if, at any time hereafter, the Grantor elects to move its Executive Office, or if the Grantor elects to change its name, identity, state of incorporation or organization, or its structure to other than as existing on the date hereof, the Grantor will notify the Administrative Agent in writing at least 30 days prior thereto.

(k) Name and Jurisdiction of Organization. The exact legal name of the Grantor and the state of incorporation or organization for each Grantor is as set forth below:

St. Joe Timberland Company of Delaware, L.L.C. Delaware

(l) Control Agreements. If requested by Administrative Agent, the Grantor will obtain and deliver or cause to be delivered to the Administrative Agent, a control agreement in form and substance satisfactory to Administrative Agent with respect to the Collateral with respect to: (i) Deposit Accounts (for deposit accounts at other financial institutions); (ii) Investment Property (for securities accounts, mutual funds and other uncertificated securities); (iii) Letter-of-credit rights; and/or (iv) Electronic chattel paper.

(m) Marking of Chattel Paper. If requested by the Administrative Agent, the Grantor will not create any Chattel Paper without placing a legend on the Chattel Paper reasonably acceptable to the Administrative Agent indicating that the Administrative Agent has a security interest in the Chattel Paper.

(n) Purchase Money Security Interests. To the extent the Obligations are used to purchase Collateral, Grantor's repayment of the Loan shall apply on a "first-in-first-out" basis so that the portion of the Obligations used to purchase a particular item of Collateral shall be paid in the chronological order the Grantor purchased the Collateral.

(o) Business Purpose. None of the Obligations is a Consumer Transaction, as defined in the U.C.C. and none of the Collateral has been or will be purchased or held primarily for personal, family or household purposes.

7. Events of Default. The happening of any one or more of the following events shall constitute an Event of Default hereunder: (a) the nonpayment when due of any of the Obligations which nonpayment is not fully cured within the applicable grace period therefor, if any; (b) the failure to perform, observe or fulfill any covenant or obligation contained in this Agreement and the continuation of such failure for more than thirty (30) days after the earlier of: (i) the first day on which any Loan Party has knowledge of such failure; or (ii) written notice thereof has been given to the Grantor by the Administrative Agent or (c) the occurrence of an Event of Default (as defined in the Credit Agreement).

8. Remedies. Upon the occurrence of an Event of Default and during the continuation thereof, the Administrative Agent shall have all of the rights and remedies available at law (including, without limitation, those provided to a secured party by the U.C.C.), or in equity to collect, enforce or satisfy any Obligations then owing, whether by acceleration or otherwise. In addition thereto, the Grantor further agrees that (i) in the event that notice is necessary under applicable law, written notice mailed to the Grantor at its address as provided herein, ten (10) business days prior to the date of public sale of any of the Collateral subject to the security interest created herein or prior to the date after which private sale or any other disposition of said Collateral will be made shall constitute reasonable notice, but notice given in any other reasonable manner or at any other time shall be sufficient; (ii) in the event of sale or other disposition of any such Collateral, the Administrative Agent may apply the proceeds of any such sale or disposition to the satisfaction of the Administrative Agent's reasonable attorneys' fees, legal expenses, and other costs and expenses incurred in connection with the Administrative Agent's taking, retaking, holding, preparing for sale, and selling of the Collateral; (iii) without precluding any other methods of sale, the sale of Collateral shall have been made in a commercially reasonable manner if conducted in conformity with reasonable commercial practices of banks disposing of similar property but in any event the Administrative Agent may sell on such terms as the Administrative Agent may choose, without assuming any credit risk and without any obligation to advertise or give notice of any kind; (iv) the Administrative Agent may require the Grantor to assemble the Collateral, taking all necessary or appropriate action to preserve and keep it in good condition, and make such available to the Administrative Agent at a place and time convenient to both parties, all at the expense of the Grantor; (v) the Administrative Agent has no obligation to repair, clean-up or otherwise prepare the Collateral for sale; and (vi) the Administrative Agent may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral. Furthermore, in any such event, to the extent permitted under applicable law, full power and authority are hereby given the Administrative Agent to sell, assign, and deliver the whole of the Collateral or any part(s) thereof, at any time(s) at any broker's board, or at public or private sale, at the Administrative Agent's option, and no delay on the Administrative Agent's part in exercising any power of sale or any other rights or options hereunder, and no notice or demand, which may be given to or made upon any or all of the Grantor by the Administrative Agent or any Secured Party with respect to any power of sale or other right or option hereunder, shall constitute a waiver thereof, or limit or impair the Administrative Agent's right to take any action or to exercise any power of sale or any other rights hereunder, without notice or demand, or prejudice the Administrative Agent's rights as against the Grantor in any respect. The Grantor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshaling the Collateral and any other security for the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Administrative Agent may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. If Administrative Agent sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser, received by the Administrative Agent and applied to the indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Administrative Agent may resell the Collateral and the Grantor shall be credited with the proceeds of the sale as and when received, less expenses. In the event the Administrative Agent purchases any of the Collateral being sold, the Administrative Agent may pay for the Collateral by crediting some or all of the Obligations of the Grantor. The Administrative Agent shall not be liable for failure to collect or realize upon any or all of the Collateral or for any delay in so doing nor shall the Administrative Agent be under any obligation to take any action whatsoever with regard thereto. The Administrative Agent has no obligation to attempt to satisfy the Obligations by collecting them from any other person liable for them and the Administrative Agent may release, modify or waive any collateral provided by any other Person to secure any of the Obligations, all without affecting the Administrative Agent's rights against the Grantor. The Grantor waives any right it may have to require the Administrative Agent to pursue any

third Person for any of the Obligations. The Administrative Agent may sell the Collateral without giving any warranties as to the Collateral and may specifically disclaim any warranties of title or the like. This procedure will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral.

9. Continuing Security Interest. Any and all of the Administrative Agent's rights with respect to the security interests hereunder shall continue unimpaired, and the Grantor shall be and remain obligated in accordance with the terms hereof, notwithstanding the release or substitution of any Collateral at any time or of any rights or interests therein, or any delay, extension of time, renewal, compromise or other indulgence granted by the Administrative Agent or any Secured Party in reference to any of the Obligations, or any promissory note, draft, bill of exchange or other instrument or Credit Document given in connection therewith, the Grantor hereby waiving all notice of any such delay, extension, release, substitution, renewal, compromise or other indulgence, and hereby consenting to be bound thereby as fully and effectually as if the Grantor had expressly agreed thereto in advance.

10. No Waiver. No delay on the Administrative Agent's part in exercising any power of sale, option or other right hereunder, and no notice or demand which may be given to or made upon the Grantor by the Administrative Agent, shall constitute a waiver thereof, or limit or impair the Administrative Agent's right to take any action or to exercise any other power of sale, option or any other right hereunder, without notice or demand, or prejudice the Administrative Agent's rights as against the Grantor in any respect.

11. Financing Statements. The Grantor hereby irrevocably authorizes the Administrative Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements with respect to the Collateral or any part thereof and amendments thereto that contain the information required by the U.C.C. of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether the Grantor is an organization, the type of organization and any organizational identification number issued to the Grantor, and (ii) a description of collateral that describes such property in any other manner as the Administrative Agent may reasonably determine is necessary or advisable to ensure the perfection of the security interest in the Collateral granted under this Agreement, including describing such property as "all assets" or "all property". The Grantor agrees to provide such information to the Administrative Agent promptly upon request. The Grantor agrees to reimburse the Administrative Agent for the expense of any such filings in any location deemed necessary and appropriate by the Administrative Agent. To the extent lawful, the Grantor hereby appoints the Administrative Agent as its attorney-in-fact (without requiring the Administrative Agent to act as such) to perform all other acts that the Administrative Agent deems appropriate to perfect and continue its security interest in, and to protect and preserve, the Collateral.

12. Power of Attorney. Effective after the occurrence of an Event of Default and during the continuation thereof, the Grantor hereby appoints any officer or agent of the Administrative Agent as the Grantor's true and lawful attorney-in-fact with power to endorse the name of the Grantor upon any notes, checks, drafts, money orders or other instruments of payment or Collateral which may come into possession of the Administrative Agent; to sign and endorse the name of the Grantor upon any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against Account Debtors, assignments, verifications and notices in connection with Accounts; to give written notice to such office and officials of the United States Postal Service to affect such change or changes of address so that all mail addressed to any or the Grantor may be delivered directly to the Administrative Agent (the Administrative Agent will return all mail not related to the Obligations or the Collateral); granting unto the Grantor's said attorney full power to do any and all things necessary to be done with respect to the above transactions as fully and effectively as the Grantor might or could do, and hereby ratifying all its said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the term of this Agreement and all transactions hereunder.

13. Remedies, Etc., Cumulative. Each right, power and remedy of the Administrative Agent provided for in this Agreement or the Credit Documents or in any of the other instruments or agreements securing the Obligations or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Administrative Agent of any one or more of the rights, powers or remedies provided for in this Agreement, the Credit Documents or in any such other instrument or agreement now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Administrative Agent of all such other rights, powers or remedies, and no failure or delay on the part of the Administrative Agent to exercise any such right, power or remedy shall operate as a waiver thereof.

14. Continuing Agreement. This is a continuing agreement and shall remain in full force and effect until terminated

by written agreement of the parties and until all of the principal of, premium, if any, and interest on all of the Obligations have been fully paid. This Agreement and the liens and security interests created and granted hereunder shall remain in effect, notwithstanding the fact that at any time or from time to time there may be no Obligations outstanding, in order to secure all future Obligations. If this Security Agreement is revoked by operation of law as against the Grantor, the Grantor will indemnify and save the Administrative Agent and its successors or assigns, harmless from any loss which may be suffered or incurred by them in making, giving, granting or extending any loans or other credit, financing or financial accommodations, or otherwise acting, hereunder prior to receipt by the Administrative Agent of notice in writing of such revocation.

15. Miscellaneous. This Agreement shall be governed by the laws of the State of North Carolina in all respects, including matters of construction, validity and performance except to the extent that the remedies provided herein with respect to any of the collateral are governed by the laws of any jurisdiction other than North Carolina; section headings herein are for the convenience of reference only and shall not affect the construction or interpretation of or alter or modify the provisions of this Agreement; none of the terms or provisions of this Agreement may be waived, altered, modified, limited or amended except by an agreement expressly referring hereto and to which the Administrative Agent consents in writing duly signed for the Administrative Agent and on the Administrative Agent's behalf; the rights granted to the Administrative Agent herein shall be supplementary and in addition to those granted to the Administrative Agent and/or the Secured Parties in any Credit Documents; the addresses of the parties for delivery of notices, requests, demands and other communications hereunder are as set forth in the Credit Agreement. No reference to "proceeds" in this Agreement authorizes any sale, transfer, or other disposition of the Collateral by the Grantor.

16. Duties of Administrative Agent. The Administrative Agent has been appointed by the Secured Parties pursuant to the Credit Agreement. Its duties to the Secured Parties, powers to act on behalf of the Secured Parties, and immunity are set forth solely therein, and shall not be altered by this Security Agreement. Any amounts realized by the Administrative Agent hereunder shall be allocated pursuant to Section 6.03 of the Credit Agreement.

If Mortgagor deposits this sum with Administrative Agent, Mortgagor shall not be required to pay the Liens and Encumbrances provided that the contest operates to prevent enforcement or collection of the Liens and Encumbrances, or the sale or forfeiture of, the Mortgaged Property, and is prosecuted with due diligence and continuity. Upon termination of any proceeding or contest, Mortgagor shall pay the amount of the Liens and Encumbrances as finally determined in the proceeding or contest. Provided that there is not then an Event of Default (as defined herein), the monies which have been deposited with Administrative Agent pursuant to this Section shall be applied toward such payment and the excess, if any, shall be returned to Mortgagor.

ARTICLE VII CONDEMNATION

Section 7.01. **CONDEMNATION.**

(a) If the Mortgaged Property or any part of the Mortgaged Property is taken by reason of any condemnation or similar eminent domain proceeding, or by a grant or conveyance in lieu of condemnation or eminent domain (“Condemnation”) and as a result thereof the Borrower would no longer be in compliance with Section 5.16(d) of the Credit Agreement, Administrative Agent and the Secured Parties shall be entitled to all compensation, awards, damages, proceeds and payments or relief for the Condemnation (“Condemnation Proceeds”). In such event, at its option, Administrative Agent shall be entitled to commence, appear in and prosecute in its own name any action or proceeding or upon consultation with Mortgagor to make any compromise or settlement in connection with such Condemnation (provided, however, that in no event shall Administrative Agent be obliged to consult with Mortgagor if an Event of Default has occurred and is continuing). Upon the occurrence and continuance of an Event of Default, and with prior notice to Mortgagor, Mortgagor hereby irrevocably constitutes and appoints Administrative Agent as its attorney-in-fact, which appointment is coupled with an interest, to commence, appear in and prosecute any action or proceeding or to make any compromise or settlement in connection with any such Condemnation.

(b) Subject to the limitations of Section 7.01(a), Mortgagor assigns to Administrative Agent all Condemnation Proceeds which Mortgagor is entitled to receive.

ARTICLE VIII REPRESENTATIONS OF MORTGAGOR

Section 8.01. **NO ADVERSE CHANGE.** Mortgagor represents and warrants that, as of the Execution Date:

(a) Mortgagor has delivered to Administrative Agent true and correct copies of all Mortgagor’s organizational documents.

(b) Mortgagor is not involved in any bankruptcy, reorganization, insolvency, dissolution or liquidation proceeding, and to the best knowledge of Mortgagor, no such proceeding is contemplated or threatened.

(c) Mortgagor is not involved in any litigation, arbitration, or other proceeding or governmental investigation pending which if determined adversely would materially adversely affect the Mortgaged Property.

Section 8.02. **FOREIGN INVESTOR.** Neither Mortgagor nor any member of Mortgagor is, and no legal or beneficial interest in a member of Mortgagor (other than shareholders of publicly traded entities) is or will be held, directly or indirectly by, a “foreign person” within the meaning of Sections 1445 and 7701 of the Internal Revenue Code of 1986, as amended.

Section 8.03. **US PATRIOT ACT.** Neither Mortgagor nor any partner, member or stockholder of Mortgagor is, and no legal or beneficial interest in a partner, member or stockholder of Mortgagor is or will be held, directly or indirectly by a person or entity that appears on a list of individuals and/or entities for which transactions are prohibited by the US Treasury Office of Foreign Assets Control or any similar list maintained by any other governmental authority, with respect to which entering into transactions with such person or entity would violate the US Patriot Act or regulations or any Presidential Executive Order or any other similar applicable law, ordinance, order, rule or regulation. For the

avoidance of doubt, the foregoing does not apply to any shareholders of publicly-held entities.

ARTICLE IX

[Reserved]

ARTICLE X CHANGE IN OWNERSHIP, CONVEYANCE OF PROPERTY

Section 10.01. CONVEYANCE OF PROPERTY, CHANGE IN OWNERSHIP AND COMPOSITION. Except as permitted by the Credit Agreement, Mortgagor shall not cause or permit: (i) the Mortgaged Property or any interest in the Mortgaged Property, to be conveyed, transferred, assigned, encumbered, sold or otherwise disposed of, or (ii) any transfer, assignment or conveyance of any interest in Mortgagor, or (iii) any merger, reorganization, dissolution or other change in the ownership structure of Mortgagor (collectively, "Transfers").

Section 10.02. PROHIBITION ON SUBORDINATE FINANCING. Mortgagor shall not incur or permit the incurring of (i) any financing in addition to the Loan that is secured by a lien, security interest or other encumbrance of any part of the Mortgaged Property or (ii) any pledge or encumbrance of a partnership, member or shareholder or beneficial interest in Mortgagor (collectively, "Subordinate Financing").

ARTICLE XI DEFAULTS AND REMEDIES

Section 11.01. EVENTS OF DEFAULT. Any of the following shall be deemed to be a material breach of Mortgagor's covenants in this Mortgage and shall constitute a default ("Event of Default"):

(a) The failure of Mortgagor to pay when due, any Obligations;

(b) The failure of Mortgagor, Borrower or any Guarantors to perform or observe any term, provision, covenant, condition or agreement under any Loan Document and failure to cure same within applicable cure periods, if any;

(c) The filing by Mortgagor, Borrower or any Guarantor (an "Insolvent Entity") of a voluntary petition or application for relief in bankruptcy, the filing against an Insolvent Entity of an involuntary petition or application for relief in bankruptcy which is not dismissed within ninety (90) days, or an Insolvent Entity's adjudication as a bankrupt or insolvent, or the filing by an Insolvent Entity of any petition, application for relief or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other statute, law, code or regulation relating to bankruptcy, insolvency or other relief for debtors, or an Insolvent Entity's seeking or consenting to or acquiescing in the appointment of any trustee, custodian, conservator, receiver or liquidator of an Insolvent Entity or of all or any substantial part of the Mortgaged Property, or the making by an Insolvent Entity of any general assignment for the benefit of creditors, or the admission in writing by an Insolvent Entity of its inability to pay its debts generally as they become due;

(d) If any warranty, representation, certification, financial statement or other information made or furnished at any time pursuant to the terms of the Loan Documents by Mortgagor, or by any person or entity otherwise liable under any Loan Document shall be materially false or misleading; or

(e) If Mortgagor shall suffer or permit the Mortgaged Property, or any material part of the Mortgaged Property, to be used in a manner that would with the passage of time (1) impair Mortgagor's title to the Mortgaged Property, (2) create rights of adverse use or possession, or (3) constitute an implied dedication of any part of the Mortgaged Property.

Section 11.02. REMEDIES UPON DEFAULT. Upon the happening of an Event of Default, the Secured Indebtedness shall, at the option of Administrative Agent, become immediately due and payable, without further notice or demand, and Administrative Agent may undertake any one or more of the following remedies:

(a) Foreclosure. Institute a foreclosure action in accordance with the laws of the State of Florida, or take any

other action as may be allowed, at law or in equity, for the enforcement of the Loan Documents and realization on the Mortgaged Property or any other security afforded by the Loan Documents. In the case of a judicial proceeding, Administrative Agent may proceed to final judgment and execution for the amount of the Secured Indebtedness owed as of the date of the judgment, together with all costs of suit, reasonable attorneys' fees and interest on the judgment at the maximum rate permitted by law from the date of the judgment until paid. If Administrative Agent is the purchaser at the foreclosure sale of the Mortgaged Property, the foreclosure sale price shall be applied against the total amount due Administrative Agent; and/or

(b) Intentionally Deleted;

(c) Entry. Enter into possession of the Mortgaged Property, collect all Rents and Profits and, after deducting all costs of collection and administration expenses, apply the remaining Rents and Profits in such order and amounts as Administrative Agent, in Administrative Agent's sole discretion, may elect to the payment of Impositions, operating costs, costs of maintenance, restoration and repairs, Premiums and other charges, including, but not limited to, fees and costs of counsel and receivers, and in reduction of the Secured Indebtedness; and/or

(d) Receivership. Have a receiver appointed to enter into possession of the Mortgaged Property, collect the Rents and Profits and apply them as the appropriate court may direct. Administrative Agent shall be entitled to the appointment of a receiver without the necessity of proving either the inadequacy of the security or the insolvency of Mortgagor. Mortgagor shall be deemed to have consented to the appointment of the receiver. The collection or receipt of any of the Rents and Profits by Administrative Agent or any receiver shall not affect or cure any Event of Default; and/or

(e) Uniform Commercial Code Remedies. Exercise all rights and remedies of a "Secured Party" as provided in the applicable Uniform Commercial Code; and/or

(f) Specific Performance. Institute an action for specific performance of any covenant contained herein or in aid of the execution of any power herein granted; and/or

(g) Other. Take such other action and exercise such rights and remedies, procedural and substantive, as may be allowed now or in the future by statutory or case law, or in equity.

Administrative Agent shall be entitled in its sole discretion to exercise all or any of the rights and remedies herein or in the Loan Documents provided, or which may be provided by statute, law, equity, or otherwise in such order and manner as Administrative Agent shall elect without impairing Administrative Agent's lien in, or rights to, any of such Loan Documents and without affecting the liability of any person, firm, corporation or other entity for the sums secured by the Loan Documents.

Section 11.03. APPLICATION OF PROCEEDS OF SALE. In the event of a sale of the Mortgaged Property pursuant to Section 11.02 of this Mortgage, to the extent permitted by law, the Administrative Agent shall determine in its sole discretion the order in which the proceeds from the sale shall be applied to the payment of the Secured Indebtedness, including without limitation, the expenses of the sale and of all proceedings in connection with the sale, including reasonable attorneys' fees and expenses; Impositions, Premiums, liens, and other charges and expenses; the outstanding principal balance of the Secured Indebtedness; any accrued interest; any Prepayment Fee; and any other amounts owed under any of the Loan Documents.

Section 11.04. WAIVER OF JURY TRIAL. To the fullest extent permitted by law, Mortgagor HEREBY WAIVES ITS RIGHT TO TRIAL BY JURY in any action, proceeding and/or hearing on any matter whatsoever arising out of, or in any way connected with this Mortgage or any of the Loan Documents, or the enforcement of any remedy under any law, statute, or regulation. Mortgagor has received the advice of counsel with respect to this waiver.

Section 11.05. ADMINISTRATIVE AGENT'S RIGHT TO PERFORM MORTGAGOR'S OBLIGATIONS. Mortgagor agrees that, if Mortgagor fails to perform any act or to pay any money which Mortgagor is required to perform or pay under the Loan Documents within any applicable notice or grace period, Administrative Agent may make the payment or perform the act at the cost and expense of Mortgagor and in Mortgagor's name or in its own name. Any money paid by Administrative Agent under this Section 11.05 shall be reimbursed to Administrative Agent in accordance with Section 11.06.

Section 11.06. ADMINISTRATIVE AGENT REIMBURSEMENT. All payments reasonably made, or funds reasonably expended or reasonably advanced by Administrative Agent pursuant to the provisions of any Loan Document, shall (1) become a part of the Secured Indebtedness, (2) bear interest at the Interest Rate (as defined in the Notes) from the date such payments are made or funds expended or advanced, (3) become due and payable by Mortgagor upon demand by Administrative Agent, and (4) bear interest at the Default Rate (as defined in the Notes) from the date of such demand. Mortgagor shall reimburse Administrative Agent within ten (10) days after receipt of written demand for such amounts.

Section 11.07. FEES AND EXPENSES. If Administrative Agent becomes a party (by intervention or otherwise) to any action or proceeding affecting, directly or indirectly, Mortgagor, the Mortgaged Property or the title thereto or Administrative Agent's interest under this Mortgage, or employs an attorney to collect any of the Secured Indebtedness or to enforce performance of the obligations, covenants and agreements of the Loan Documents, Mortgagor shall reimburse Administrative Agent in accordance with Section 11.06 for all expenses, costs, charges and legal fees incurred by Administrative Agent (including, without limitation, the fees and expenses of experts and consultants), whether or not suit is commenced.

Section 11.08. WAIVER OF CONSEQUENTIAL DAMAGES. Mortgagor covenants and agrees that in no event shall Administrative Agent be liable for consequential damages, and to the fullest extent permitted by law, Mortgagor expressly waives all existing and future claims that it may have against Administrative Agent for consequential damages.

ARTICLE XII MORTGAGOR AGREEMENTS AND FURTHER ASSURANCES

Section 12.01. MORTGAGOR'S ESTOPPEL. Within ten (10) business days after a request by Administrative Agent or any Secured Party, Mortgagor shall furnish an acknowledged written statement in form satisfactory to Administrative Agent or the applicable Secured Party (i) setting forth the amount of the Secured Indebtedness, (ii) stating either that no known offsets or defenses exist against the Secured Indebtedness, or if any offsets or defenses are alleged to exist, their nature and extent, (iii) whether any default then exists under the Loan Documents or any event has occurred and is continuing, which, with the lapse of time, the giving of notice, or both, would constitute such a default, and (iv) any other matters as may be reasonably requested. If Mortgagor does not furnish an estoppel certificate within the 10 business day period, Mortgagor appoints Administrative Agent as its attorney-in-fact to execute and deliver the certificate on its behalf, which power of attorney shall be coupled with an interest and shall be irrevocable by death or otherwise.

Section 12.02. FURTHER ASSURANCES. Mortgagor shall, without expense to Administrative Agent, execute, acknowledge and deliver all further acts, deeds, conveyances, mortgages, deeds to secure debt, deeds of trust, assignments, security agreements, and financing statements as Administrative Agent shall from time to time reasonably require, to assure, convey, assign, transfer and confirm unto Administrative Agent and the Secured Parties the Mortgaged Property and rights conveyed or assigned by this Mortgage or which Mortgagor may become bound to convey or assign to Administrative Agent, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or any of the other Loan Documents, or for filing, refiling, registering, reregistering, recording or re-recording this Mortgage. If Mortgagor fails to comply with the terms of this Section, Administrative Agent may, at Mortgagor's expense, perform Mortgagor's obligations for and in the name of Mortgagor, and Mortgagor hereby irrevocably appoints Administrative Agent as its attorney-in-fact to do so. The appointment of Administrative Agent as attorney-in-fact is coupled with an interest.

Section 12.03. FUTURE ADVANCES. This Mortgage shall secure any additional loans as well as any and all present or future advances and readvances made by Administrative Agent to or for the benefit of Mortgagor or the Mortgaged Property within twenty (20) years from the date hereof (whether such advances are obligatory or are made at the option of Administrative Agent or otherwise), including, without limitation: (i) principal, interest, late charges, fees and other amounts due under this Mortgage; (ii) all advances by Administrative Agent to Mortgagor or Mortgagor's Affiliates or any other person to pay costs of erection, construction, alteration, repair, restoration, maintenance and completion of any improvements on the Real Property; (iii) all advances made or costs incurred by Administrative Agent for the payment of real estate taxes, assessments or other governmental charges, maintenance charges, insurance premiums, appraisal charges, environmental inspection, audit, testing or compliance costs, and costs incurred by Administrative Agent for the enforcement and protection of the Mortgaged Property or the lien of this Mortgage; and (iv) all legal fees, costs and other expenses incurred by Administrative Agent by reason of any default or otherwise in connection with the Secured Indebtedness. The amount that may be so secured may decrease to a zero amount from time to time, or may increase from time to time, but the total amount of such secured indebtedness shall not exceed at any one

time a maximum principal amount equal to double the face amount of the Notes plus interest, and any advances or disbursements made for the benefit or protection of or the payment of taxes, assessments, levies or insurance upon the Mortgaged Property with interest on such disbursements as provided herein.

Section 12.04 DOCUMENTARY TAXES. In addition to (and without limiting the generality of) the other provisions of this Mortgage, Mortgagor hereby agrees to defend, indemnify, and hold Administrative Agent and the Secured Parties harmless from and against any and all liability for documentary stamp taxes and intangible taxes (together with all interest, penalties, costs, and attorneys' fees incurred in connection therewith) that at any time may be levied, assessed, or imposed by the State of Florida or any other governmental entity or agency upon this Mortgage, the Notes, or any of the other Loan Documents or any amendment, extension, or renewals of any of the foregoing, or upon Administrative Agent by virtue of owning or holding any of the foregoing instruments or documents, all of which shall be secured by the lien and security interest of the Loan Documents (as from time to time amended). In addition, in the event that any governmental entity or agency shall allege in writing or otherwise that the correct amount of documentary stamp taxes or intangible taxes have not been paid, then Mortgagor shall immediately, upon request of Administrative Agent, engage counsel satisfactory to Administrative Agent, at Mortgagor's expense, to respond to such allegations (even if such allegations are spurious and without merit) and otherwise defend Administrative Agent against any claim regarding such taxes. The provisions of this Section shall survive the repayment of the Secured Indebtedness and the satisfaction of this Mortgage and the other Loan Documents for so long as any claim may be asserted by the State of Florida or any such other governmental entity or agency.

ARTICLE XIII

SECURITY AGREEMENT

Section 13.01. SECURITY AGREEMENT. THIS MORTGAGE CREATES A LIEN ON THE MORTGAGED PROPERTY. IN ADDITION, TO THE EXTENT THE MORTGAGED PROPERTY IS PERSONAL PROPERTY OR FIXTURES UNDER APPLICABLE LAW, THIS MORTGAGE CONSTITUTES A SECURITY AGREEMENT UNDER THE UNIFORM COMMERCIAL CODE OF THE STATE OF FLORIDA (THE "U.C.C.") AND ANY OTHER APPLICABLE LAW AND IS FILED AS A FIXTURE FILING. UPON THE OCCURRENCE OF AN EVENT OF DEFAULT, ADMINISTRATIVE AGENT MAY, AT ITS OPTION, PURSUE ANY AND ALL RIGHTS AND REMEDIES AVAILABLE TO A SECURED PARTY WITH RESPECT TO ANY PORTION OF THE MORTGAGED PROPERTY, AND/OR ADMINISTRATIVE AGENT MAY, AT ITS OPTION, PROCEED AS TO ALL OR ANY PART OF THE MORTGAGED PROPERTY IN ACCORDANCE WITH ADMINISTRATIVE AGENT'S RIGHTS AND REMEDIES WITH RESPECT TO THE LIEN CREATED BY THIS MORTGAGE. THIS FINANCING STATEMENT SHALL REMAIN IN EFFECT AS A FIXTURE FILING UNTIL THIS MORTGAGE IS RELEASED OR SATISFIED OF RECORD. A statement describing the portion of the Mortgaged Property comprising the fixtures, the Timber (including timber to be cut), and the Timber and Related Rights hereby secured is set forth in the granting clauses of this Mortgage. Mortgagor is the record owner of the Mortgaged Property. The organizational number of Mortgagor is __.

Section 13.02. REPRESENTATIONS AND WARRANTIES. Mortgagor warrants, represents and covenants as follows:

(a) As of the Execution Date, Mortgagor owns the Personal Property free from any lien, security interest, encumbrance or adverse claim, except for Permitted Encumbrances or as otherwise expressly approved by Administrative Agent in writing. Mortgagor will notify Administrative Agent of, and will protect, defend and indemnify Administrative Agent and the Secured Parties against, all claims and demands of all persons at any time claiming any rights or interest in the Personal Property.

(b) The Personal Property has not been (as of the Execution Date) used and shall not be used or bought for personal, family, or household purposes, but shall be bought and used solely for the purpose of carrying on Mortgagor's business.

(c) Mortgagor will not remove the Personal Property without the prior written consent of Administrative Agent, except the items of Personal Property which are obsolete or which are consumed or worn out in ordinary usage and are promptly replaced by Mortgagor, to the extent reasonably necessary or desirable for the operation of the Land and Improvements and the business conducted thereon, with other Personal Property of value equal to or greater than the

value of the replaced Personal Property.

Section 13.03. **CHARACTERIZATION OF PROPERTY.** The grant of a security interest to Administrative Agent in this Mortgage shall not be construed to limit or impair the lien of this Mortgage or the rights of Administrative Agent and the Secured Parties with respect to any property which is real property or which the parties have agreed to treat as real property. To the fullest extent permitted by law, everything used in connection with the production of Rents and Profits is, and at all times and for all purposes and in all proceedings, both legal and equitable, shall be regarded as real property, irrespective of whether or not the same is physically attached to the Land and/or Improvements.

Section 13.04. **PROTECTION AGAINST PURCHASE MONEY SECURITY INTERESTS.** It is understood and agreed that in order to protect Administrative Agent from the effect of U.C.C. Section 9-313, as amended from time to time and as enacted in the State of Florida, in the event that Mortgagor intends to purchase any goods which may become fixtures attached to the Mortgaged Property, or any part of the Mortgaged Property, and such goods will be subject to a purchase money security interest held by a seller or any other party:

(a) Before executing any security agreement or other document evidencing or perfecting the security interest, Mortgagor shall obtain the prior written approval of Administrative Agent. All requests for such written approval shall be in writing and contain the following information: (i) a description of the fixtures; (ii) the address at which the fixtures will be located; and (iii) the name and address of the proposed holder and proposed amount of the security interest.

(b) Mortgagor shall pay all sums and perform all obligations secured by the security agreement. A default by Mortgagor under the security agreement shall constitute a default under this Mortgage. If Mortgagor fails to make any payment on an obligation secured by a purchase money security interest in the Personal Property or any fixtures, Administrative Agent, at its option, may pay the secured amount and Administrative Agent shall be subrogated to the rights of the holder of the purchase money security interest.

(c) Administrative Agent shall have the right to acquire by assignment from the holder of the security interest for the Personal Property or fixtures, all contract rights, accounts receivable, negotiable or non-negotiable instruments, or other evidence of indebtedness and to enforce the security interest as assignee.

ARTICLE XIV MISCELLANEOUS COVENANTS

Section 14.01. **NO WAIVER.** No single or partial exercise by Administrative Agent, or delay or omission in the exercise by Administrative Agent, of any right or remedy under the Loan Documents shall preclude, waive or limit the exercise of any other right or remedy. Administrative Agent shall at all times have the right to proceed against any portion of, or interest in, the Mortgaged Property without waiving any other rights or remedies with respect to any other portion of the Mortgaged Property. No right or remedy under any of the Loan Documents is intended to be exclusive of any other right or remedy but shall be cumulative and may be exercised concurrently with or independently from any other right and remedy under any of the Loan Documents or under applicable law.

Section 14.02. **NOTICES.** All notices, demands and requests given or required to be given by, pursuant to, or relating to, this Mortgage shall be in writing. All notices shall be deemed to have been properly given if hand delivered or delivered by a nationally recognized overnight courier to the parties at the addresses set forth below (or at such other addresses as shall be given in writing by any party to the others) and shall be deemed complete upon receipt or refusal to accept delivery as indicated in the receipt of such courier service.

(c) Whenever in this Mortgage Mortgagor is required to pay "reasonable" attorney's fees, Mortgagor shall be required to pay the actual attorney's fees billed at standard hourly rates, and the term "reasonable" shall not be interpreted to mean a percentage of principal and interest.

Section 14.04. SEVERABILITY. If any provision of this Mortgage should be held unenforceable or void, then that provision shall be separated from the remaining provisions and shall not affect the validity of this Mortgage except that if the unenforceable or void provision relates to the payment of any monetary sum, then, Administrative Agent may, at its option, declare the Secured Indebtedness immediately due and payable.

Section 14.05. APPLICABLE LAW. The laws of the State of North Carolina shall strictly and absolutely govern the rights and obligations of the parties to this Mortgage and all other Loan Documents, and the interpretation and construction and enforceability thereof; and that with respect to the creation, perfection, priority and enforcement of the lien of this Mortgage, the laws of the State of Florida shall apply.

Section 14.06. CAPTIONS. The captions are inserted only as a matter of convenience and for reference, and in no way define, limit, or describe the scope or intent of any provisions of this Mortgage.

Section 14.07. TIME OF THE ESSENCE. Time is of the essence with respect to all of Mortgagor's obligations under this Mortgage and the other Loan Documents.

Section 14.08. NO MERGER. In the event that Administrative Agent should become the owner of the Mortgaged Property, there shall be no merger of the estate created by this Mortgage with the fee estate in the Mortgaged Property.

Section 14.09. NO MODIFICATIONS. This Mortgage may not be changed, amended or modified, except in a writing expressly intended for such purpose and executed by Mortgagor and Administrative Agent.

Section 14.10. WAIVER. BY EXECUTION OF THIS MORTGAGE, MORTGAGOR EXPRESSLY: (A) WAIVES ANY AND ALL RIGHTS WHICH MORTGAGOR MAY HAVE UNDER THE CONSTITUTION OF THE UNITED STATES (INCLUDING THE FIFTH AND FOURTEENTH AMENDMENTS THEREOF), THE VARIOUS PROVISIONS OF THE CONSTITUTIONS OF THE SEVERAL STATES, OR BY REASON OF ANY OTHER APPLICABLE LAW, CONCERNING THE APPLICATION, RIGHTS OR BENEFITS OF ANY STATUTE OF LIMITATION OR ANY MORATORIUM, REINSTATEMENT, MARSHALLING, FORBEARANCE, APPRAISEMENT, VALUATION, STAY, EXTENSION, HOMESTEAD, EXEMPTION OR REDEMPTION LAWS; (B) ACKNOWLEDGES THAT MORTGAGOR HAS READ THIS MORTGAGE AND ANY AND ALL QUESTIONS REGARDING THE LEGAL EFFECT OF THIS MORTGAGE AND ITS PROVISIONS HAVE BEEN EXPLAINED FULLY TO MORTGAGOR AND MORTGAGOR HAS CONSULTED WITH COUNSEL OF MORTGAGOR'S CHOICE PRIOR TO EXECUTING THIS MORTGAGE; AND (C) ACKNOWLEDGES THAT ALL WAIVERS OF THE AFORESAID RIGHTS OF MORTGAGOR HAVE BEEN MADE KNOWINGLY, INTENTIONALLY AND WILLINGLY BY MORTGAGOR AS PART OF A BARGAINED-FOR LOAN TRANSACTION AND THAT THIS MORTGAGE IS VALID AND ENFORCEABLE BY MORTGAGOR AGAINST MORTGAGOR IN ACCORDANCE WITH ALL THE TERMS AND CONDITIONS HEREOF.

**ARTICLE XV
SPECIAL STATE PROVISIONS**

Section 15.01. SPECIAL STATE PROVISIONS. The following special State provisions are hereby added to this Mortgage.

(a) Maturity Date. The Maturity Date of the Notes, unless renewed or extended, is September 19, 2011.

(b) Usury Savings Clause. It is the intention of Mortgagor and the Administrative Agent to conform strictly to the usury and similar laws relating to interest payable on loans from time to time in force, and all agreements between Mortgagor and the Administrative Agent, whether now existing or hereafter arising and whether oral or written, are hereby expressly limited so that in no contingency or event whatsoever, whether by acceleration of maturity hereof otherwise, shall the amount paid or agreed to be paid in the aggregate to the Administrative Agent as interest (whether or not designated as interest, and including any amount otherwise designated by or deemed to constitute interest by a court of competent jurisdiction) hereunder or under the other Loan Documents or in any other agreement given to secure the Secured Indebtedness, or in any other document evidencing, securing or pertaining to the Secured Indebtedness, exceed the maximum amount (the "Maximum Rate") permissible under applicable law. If under any circumstances whatsoever fulfillment of any provision hereof, of the Notes or of the other Loan Documents, at the time performance of such provisions shall be due, shall involve exceeding the Maximum Rate, then, ipso facto, the obligation to be fulfilled shall be reduced to the Maximum Rate. For purposes of calculating the actual amount of interest paid and/or payable hereunder in respect of laws pertaining to usury or such other laws, all sums paid or agreed to be paid to the Administrative Agent for the use, forbearance or detention of the Secured Indebtedness evidenced hereby, outstanding from time to time shall, to the extent permitted by applicable law, be amortized, pro-rated, allocated and spread from the date of disbursement of the proceeds of the Notes until payment in full of all of such indebtedness, so that the actual rate of interest on account of such Secured Indebtedness is uniform through the term hereof. If under any circumstances any Administrative Agent shall ever receive an amount which would exceed the Maximum Rate, such amount shall be deemed a payment in reduction of the principal amount of any loan secured by this Mortgage and shall be treated as a voluntary prepayment under the Loan Documents and shall be so applied in accordance with the provisions of the Loan Documents or if such excessive interest exceeds the outstanding amount of the Loan and any other Secured Indebtedness, the excess shall be deemed to have been a payment made by mistake and shall be refunded to Mortgagor.

IN WITNESS WHEREOF, Mortgagor has executed this Mortgage, or has caused this Mortgage to be executed by its duly authorized representative(s), as an instrument.

FORM OF PLEDGE AGREEMENT

PLEDGE AGREEMENT

THIS PLEDGE AGREEMENT (this "Agreement") dated as of this 19th day of September, 2008, between THE ST. JOE COMPANY, a Florida corporation (collectively, the "Pledgor") and BRANCH BANKING AND TRUST COMPANY, ("BB&T"), acting as agent (in such capacity, the "Administrative Agent") for itself, the Lenders (as defined herein) and the other Secured Parties (as defined in the Credit Agreement referred to below).

W I T N E S S E T H

WHEREAS, the Administrative Agent and the Lenders (as defined in the Credit Agreement) have agreed to extend credit to the Pledgor pursuant to the terms of that certain Credit Agreement of even date herewith (as amended, restated, or otherwise modified from time to time, the "Credit Agreement") among the Pledgor, the Administrative Agent and the Lenders signatory thereto;

WHEREAS, the Pledgor may from time to time enter into or guarantee one or more Hedge Transactions (as defined in the Credit Agreement) with the Hedge Counterparties (as defined in the Credit Agreement);

WHEREAS, the Pledgor beneficially and legally owns the limited liability company membership interests and other equity interests in St. Joe Timberland Company of Delaware, L.L.C. ("St. Joe Timberland") as described on Exhibit A attached hereto, which membership interests and other equity interests comprise all of the outstanding membership interests and other equity interests in St. Joe Timberland;

WHEREAS, it is a condition of the Lenders' agreement to extend credit to the Pledgor pursuant to the Credit Agreement that the Administrative Agent, on behalf of the Secured Parties (as defined in the Credit Agreement), receive a pledge of the Collateral (as defined below) hereunder by the Pledgor's execution and delivery of this Agreement to secure: (a) the due and punctual payment by the Pledgor of: (i) the principal of and interest on the Notes (including without limitation, any and all Revolver Advances and Swing Advances), when and as due, whether at maturity, by acceleration, upon one or more dates set for prepayment or otherwise and any renewals, modifications or extensions thereof, in whole or in part; (ii) each payment required to be made by the Pledgor under this Agreement and the Letter of Credit Application Agreements, when and as due, including payments in respect of reimbursement of disbursements, interest thereon, and obligations, if any, to provide cash collateral and any renewals, modifications or extensions thereof, in whole or in part; and (iii) all other monetary obligations of the Pledgor to the Secured Parties under this Agreement and the other Loan Documents to which the Pledgor is or is to be a party and any renewals, modifications or extensions thereof, in whole or in part; (b) the due and punctual performance of all other obligations of the Pledgor under this Agreement and the other Loan Documents to which the Pledgor is or is to be a party, and any renewals, modifications or extensions thereof, in whole or in part; (c) the due and punctual payment (whether at the stated maturity, by acceleration or otherwise) of all obligations (including any and all Hedging Obligations arising under the Hedging Agreements and obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), indebtedness and liabilities of the Pledgor, now existing or hereafter incurred under, arising out of or in connection with any and all Hedging Agreements and any renewals, modifications or extensions thereof, and the due and punctual performance and compliance by the Pledgor with all of the terms, conditions and agreements contained in any Hedging Agreement and any renewals, modifications or extensions thereof; (d) the due and punctual payment and performance of all indebtedness, liabilities and obligations of any one or more of the Pledgor and Guarantors arising out of or relating to any Bank Products; (e) the due and punctual payment and performance of all indebtedness, liabilities and obligations of any one or more of the Pledgor and Guarantors arising out of or relating to any Cash Management Services; and (f) the due and punctual payment and performance of all obligations of each of the Guarantors under the Credit Agreement and the other Loan Documents to which they are or are to be a party and any and all renewals, modifications or extensions thereof, in whole or in part ("Obligations").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereby agree as follows:

SECTION 11.10. Definitions. Any capitalized terms used but not defined herein shall have the meanings assigned to them in the Credit Agreement.

SECTION 11.11. Pledge. As collateral security for the due and punctual payment of the Obligations, the Pledgor hereby pledges, hypothecates, delivers and assigns unto Administrative Agent, as agent for itself and the Secured Parties, a security interest (which security interest shall constitute a first priority security interest), in all of the Pledgor's membership interests, limited partnership interests, common stock and other equity interests in St. Joe Timberland and all securities instruments or other rights convertible into or exercisable for the foregoing (the "Equity Interests"), together with all proceeds, profits, interests, capital accounts, accounts, contract rights, general intangibles, deposits, funds, dividends, distributions, rights to dividends, rights to distributions, including both distributions of money and of property, and other rights, claims and interests relating to or arising out of Pledgor's Equity Interests, now owned or hereafter acquired, in St. Joe Timberland, together with any and all replacements or substitutions for or proceeds of all of the foregoing (collectively, the "Collateral"), and the Pledgor hereby delivers to Administrative Agent, on behalf of the

Secured Parties, including itself, the certificates, instruments or other documents, if any, evidencing or representing the Collateral. This Agreement is not intended to place Administrative Agent or any Secured Party in a position of being a member of St. Joe Timberland, but is intended to grant Administrative Agent, on behalf of the Secured Parties, a lien on and security interest in Pledgor's Equity Interests in St. Joe Timberland including, without limitation, any and all of the Collateral.

SECTION 11.12. Representations and Warranties. The Pledgor hereby represents and warrants that:

(a) Pledgor has all requisite power and authority to enter into this Agreement, to grant a security interest in the Collateral for the purposes described in Section 2 and to carry out the transactions contemplated by this Agreement;

(b) No approval of or consent from any person or entity (other than the acknowledgement and consent of St. Joe Timberland as evidenced by its signature hereto) is required in connection with the execution and delivery by Pledgor of this Agreement, the granting of the security interests in the Collateral, or the carrying out of the transactions contemplated by this Agreement that has not been obtained;

(c) Pledgor is the direct and beneficial owner of the Collateral as of the date hereof;

(d) All of the Collateral is owned by the Pledgor free and clear of any pledge, mortgage, hypothecation, lien, charge, encumbrance or any security interest in such Collateral or the proceeds thereof, except for the security interest granted to the Administrative Agent on behalf of the Secured Parties hereunder;

(e) The execution, delivery and performance by Pledgor of this Agreement do not and will not contravene or constitute a default under or result in any violation of any agreement (including, without limitation, the operating agreement of St. Joe Timberland), indenture or other instrument, license, judgment, decree, order, law, statute, ordinance or other governmental rule or regulation applicable to Pledgor;

(f) St. Joe Timberland is a limited liability company duly formed, validly existing and in good standing as such under the laws of the State of Delaware. The execution and delivery of this Agreement are within the corporate powers of the Pledgor, have been duly authorized by all necessary corporate action, require no action by or in respect of, or filing with, any governmental body, agency or official (except for the Uniform Commercial Code filings set forth in paragraph (g) below) and do not contravene, or constitute a default under, the charter or by-laws of the Pledgor;

(g) Upon filing of a Uniform Commercial Code Financing Statement with the UCC records of the Secretary of State of the State of Florida, this Agreement creates and grants a valid lien on and perfected security interest in the Collateral and the proceeds thereof, subject to no prior security interest, lien, charge or encumbrance, or to any agreement purporting to grant to any third party a security interest in the property or assets of the Pledgor which would include the Collateral; and

(h) A true, correct and complete copy of the operating agreement of St. Joe Timberland (together with all amendments thereto) has been provided to the Administrative Agent.

SECTION 11.13. Voting Rights; Distributions, Etc.

(a) So long as no Event of Default, as defined in the Credit Agreement, shall have occurred and be continuing:

- (i) the Pledgor shall be entitled to exercise any and all voting and/or consensual rights and powers relating or pertaining to the Collateral or any part thereof, provided, however, that no vote shall be cast or right exercised or other action taken which would impair the Collateral or which would be inconsistent with or result in any violation of the provisions of this Agreement, the Credit Agreement or any other Loan Document,
 - (ii) except to the extent limited by this Agreement, the Credit Agreement or any other Loan Document, the Pledgor shall be entitled to receive and retain any and all cash dividends or cash distributions payable on the Collateral, but any and all equity interests and/or liquidating dividends, distributions in property,
-

returns of capital, or other distributions made on or in respect of the Collateral, whether resulting from a subdivision, combination, or reclassification of the outstanding ownership units or other interests of the Pledged Entities or received in exchange for the Collateral or any part thereof or as a result of any merger, consolidation, acquisition, or other exchange of assets to which any Pledged Entity may be a party or otherwise, and any and all cash and other property received in redemption of or in exchange for any Collateral (either upon call for redemption or otherwise), shall be and become part of the Collateral pledged hereunder and, if received by the Pledgor, shall forthwith be delivered to Administrative Agent (accompanied by proper instruments of assignment and/or powers of attorneys executed by the Pledgor) to be held subject to the terms of this Agreement;

(b) Upon the occurrence and during the continuance of an Event of Default, all rights of any Pledgor to exercise the voting and/or consensual rights and powers that such Pledgor is entitled to exercise pursuant to Section 4(a)(i) hereof and/or to receive the payments that such Pledgor is authorized to receive and retain pursuant to Section 4(a)(ii) hereof shall cease, and all such rights shall thereupon become vested in Administrative Agent for the benefit of the Secured Parties, who shall have the sole and exclusive right and authority to exercise such voting and/or consensual rights and powers and/or to receive and retain such payments; provided, that nothing herein shall obligate Administrative Agent to exercise such voting and/or consensual rights, all such action in such regard being solely in Administrative Agent's or Secured Parties' discretion. Any and all money and other property paid over to or received by Administrative Agent pursuant to the provisions of this paragraph (b) shall be retained by Administrative Agent as additional Collateral hereunder and be applied in accordance with the provisions hereof.

SECTION 11.14. Covenants. The Pledgor hereby covenants that until such time as the Obligations shall have been indefeasibly paid in full:

(a) Pledgor will not, without the prior written consent of the Administrative Agent, sell, convey, assign, or otherwise dispose of all or any part of the Collateral or any interest therein or except as expressly permitted by the Credit Agreement, permit St. Joe Timberland to sell, convey, assign or otherwise dispose of all or any part of its assets, except that prior to an Event of Default, Pledgor shall be permitted to receive and dispose of distributions to the extent permitted by Section 4 above; nor will the Pledgor create, incur or permit to exist any pledge, mortgage, lien, charge, encumbrance or security interest whatsoever with respect to all or any part of the Collateral or the proceeds thereof, other than that created hereby; nor will the Pledgor, except as expressly permitted by the Credit Agreement, permit St. Joe Timberland to create, incur or permit to exist any pledge, mortgage, lien, charge, encumbrance or security interest whatsoever with respect to all or any part of its assets; nor will the Pledgor amend the operating agreement of St. Joe Timberland or consent to or permit any amendment thereof, except as permitted under the Credit Agreement; nor will Pledgor consent to or permit the issuance of any additional Equity Interests in St. Joe Timberland (unless pledged to Administrative Agent hereunder), or any securities or instruments exercisable or exchangeable for Equity Interests in St. Joe Timberland or otherwise representing any right to acquire any Equity Interest in St. Joe Timberland.

(b) Pledgor will not permit St. Joe Timberland to change its entity form and will give to Administrative Agent not less than 30 days' prior written notice of (i) any change in the name of St. Joe Timberland or (ii) any change in the location of the principal place of business of St. Joe Timberland.

(c) Pledgor will, at Pledgor's own expense, defend Administrative Agent's and Secured Parties' right, title, special property and security interest in and to the Collateral and any distributions with respect thereto against the claims of any person, firm, corporation or other entity.

(d) Pledgor will preserve and protect the Collateral.

(e) Pledgor will promptly pay and discharge before the same become delinquent, all taxes, assessments and governmental charges or levies imposed on Pledgor or the Collateral, except for taxes timely disputed in good faith, for which adequate reserves have been made.

(f) Subject to the conditions contained in the Credit Agreement, the Secured Parties shall have the right, upon request, to review, examine and audit the books and records of St. Joe Timberland and of the Pledgor with regard to the Collateral and any distributions with respect thereto. Each Secured Party's reasonable costs and expenses incurred in connection with any such review, examination or audit shall be paid by Pledgor.

SECTION 11.15. Remedies upon Default. Upon the occurrence of an Event of Default as defined in the Credit Agreement, Administrative Agent may, in addition to the exercise by Administrative Agent of its rights and remedies under any other Section of this Agreement or under the Credit Agreement or any other agreement relating to the Obligations or otherwise available to it at law or in equity:

(a) declare the principal of and all accrued interest on and any other amounts owing with respect to the Obligations immediately due and payable, without demand, protest, notice of default, notice of acceleration or of intention to accelerate or other notices of any kind, and

(b) exercise all the rights and remedies of a secured party under the Uniform Commercial Code in effect in the State of North Carolina at that time and sell (in compliance with applicable laws, including securities laws) the Collateral, or any part thereof, at public or private sale, at any broker's board, upon any securities exchange, or elsewhere, for cash, upon credit, or for future delivery, as Administrative Agent may deem appropriate in the circumstances and commercially reasonable. Administrative Agent shall have the right to impose limitations and restrictions on the sale of the Collateral as Administrative Agent may deem to be necessary or appropriate to comply with any law, rule, or regulation (Federal, state, or local) having applicability to the sale, including, but without limitation, restrictions on the number and qualifications of the offerees and requirements for any necessary governmental approvals, and Administrative Agent shall be authorized at any such sale (if it deems it necessary or advisable to do so) to restrict the prospective offerees or purchasers to Persons who will represent and agree that they are purchasing securities included in the Collateral for their own account and not with a view to the distribution or sale thereof in violation of applicable securities laws and the Pledgor hereby waives, to the maximum extent permitted by law, any claim arising because the price at which the Collateral may have been sold at such private sale was less than the price that might have been obtained at public sale, even if Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Upon consummation of any such sale, Administrative Agent shall have the right to assign, transfer, and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of the Pledgor, and the Pledgor hereby waives (to the extent permitted by law) all rights of redemption, stay, and/or appraisal that the Pledgor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. To the extent that notice of sale shall be required to be given by law, Administrative Agent shall give the Pledgor at least ten (10) days' prior written notice of its intention to make any such public or private sale. Such notice shall state the time and place fixed for sale, and the Collateral, or portion thereof, to be offered for sale. Any such sale shall be held at such time or times within ordinary business hours and at such place or places as Administrative Agent may fix in the notice of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as Administrative Agent may determine, and Administrative Agent may itself bid (which bid may be in whole or in part in the form of cancellation of the Obligations) for and purchase the whole or any part of the Collateral. Administrative Agent shall not be obligated to make any sale of the Collateral if it shall determine not to do so, regardless of the fact that notice of sale of the Collateral may have been given. Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. The Pledgor hereby agrees that any sale or disposition of the Collateral conducted in conformity with reasonable commercial practices of banks, insurance companies or other financial institutions in the city and state where Administrative Agent is located in disposing of property similar to the Collateral shall be deemed to be commercially reasonable.

(c) Pledgor recognizes that the Administrative Agent and Secured Parties may be unable to effect a public sale of all or part of the Collateral by reason of certain prohibitions contained in the Securities Act of 1933, as amended, and applicable state securities laws but may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obligated to agree, among other things, to acquire all or a part of the Collateral for their own account, for investment, and not with a view to the distribution or resale thereof. Pledgor acknowledges and agrees that any private sale so made may be at prices and on other terms less favorable to the seller than if such Collateral were sold at public sale and that the Administrative Agent has no obligation to delay the sale of such Collateral for the period of time necessary to permit the registration of such Collateral for public sale under any

securities laws. Pledgor agrees that a private sale or sales made under the foregoing circumstances shall not be deemed to have not been made in a commercially reasonable manner solely as a result of being a private sale. If any consent, approval, or authorization of any federal, state, municipal, or other governmental department, agency, or authority should be necessary to effectuate any sale or other disposition of the Collateral, or any partial sale or other disposition of the Collateral, Pledgor will execute all applications and other instruments as may be required in connection with securing any such consent, approval, or authorization and will otherwise use its best efforts to secure the same. In addition, if the Collateral is disposed of pursuant to Rule 144, Pledgor agrees to complete and execute a Form 144, or comparable successor form, at the Administrative Agent's request; and Pledgor agrees to provide any material adverse information in regard to the current and prospective operations of each Pledged Entity of which any Pledgor has knowledge and which has not been publicly disclosed, and Pledgor hereby acknowledges that Pledgor's failure to provide such information may result in criminal and/or civil liability.

SECTION 11.16. Application of Proceeds of Sale. The proceeds of sale of the Collateral sold pursuant to Section 6 hereof shall be applied by Administrative Agent as set forth in Section 6.03 of the Credit Agreement.

SECTION 11.17. Administrative Agent Appointed Attorney-in-Fact. The Pledgor hereby appoints Administrative Agent the Pledgor's attorney-in-fact, with full power of substitution, for the purpose, upon the occurrence of an Event of Default, of carrying out the provisions of this Agreement and taking any action and executing any instrument that Administrative Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is coupled with an interest and is irrevocable. Without limiting the generality of the foregoing, after the occurrence of an Event of Default as defined in the Credit Agreement, Administrative Agent shall have the right and power to receive, endorse, and collect all checks and other orders for the payment of money made payable to Pledgor representing any dividend or other distribution payable or distributable in respect of the Collateral or any part thereof, and to give full discharge for same.

SECTION 11.18. Responsibility. Notwithstanding the provisions of Section 4(b) hereof, Administrative Agent shall have no duty to exercise any voting and/or consensual rights and powers becoming vested in Administrative Agent with respect to the Collateral or any part thereof, to exercise any right to redeem, convert, or exchange any securities included in the Collateral, to enforce or see to the payment of any dividend or any other distribution payable or distributable on or with respect to the Collateral or any part thereof, or otherwise to preserve any rights in respect of the Collateral against any third parties.

SECTION 11.19. No Waiver; Cumulative Remedies. No failure on the part of Administrative Agent to exercise, and no delay in exercising, any right, power, or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy by Administrative Agent preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies of Administrative Agent hereunder are cumulative and are not exclusive of any other remedies available to Administrative Agent at law or in equity.

SECTION 11.20. Termination. This Agreement shall terminate upon the complete performance of each Loan Party's obligations under each Loan Document and the final and indefeasible payment in full of the Obligations. Upon termination of this Agreement, Administrative Agent shall reassign and redeliver (or cause to be reassigned or redelivered) to the Pledgor such Collateral (if any) as shall not have been sold or otherwise applied by Administrative Agent pursuant to the terms hereof and as shall still be held by it hereunder together with appropriate instruments of assignment and release.

SECTION 11.21. Notices. Any notice or communication required or permitted hereunder shall be given in the manner prescribed in the Credit Agreement to such Person at its address set forth in the Credit Agreement or on Exhibit A to this Agreement.

SECTION 11.22. Further Assurances. The Pledgor agrees to do such further acts and things, and to execute and deliver such agreements and instruments, as Administrative Agent may at any time reasonably request in connection with the administration or enforcement of this Agreement or related to the Collateral or any part thereof or in order better to assure and confirm unto Administrative Agent and the Secured Parties their rights, powers and remedies hereunder. The Pledgor hereby authorizes Administrative Agent to file one or more Uniform Commercial Code financing or continuation statements, or amendments thereto, relative to all or any part of the Collateral. The Pledgor will execute and deliver to the Administrative Agent all assignments, endorsements, powers, hypothecations, and other documents required at any time and from time to time by the Administrative Agent with respect to the Collateral or in order to effect the purposes of this Agreement. If the Pledgor shall become entitled to receive or shall receive with respect to the Collateral any: (i) certificate

(including, but without limitation, any certificate representing a dividend or a distribution in connection with any increase or reduction of capital, reclassification, merger, consolidation, sale of assets, combination of shares, stock split, spin-off or split-off); (ii) option, warrant or right, whether as an addition to, in substitution of, in exchange for the Collateral, or otherwise; (iii) dividends or distributions payable in property, including, without limitation, securities issued by any person other than the issuer of the Collateral; or (iv) dividends or distributions on dissolution, or in partial or total liquidation, or from capital, capital surplus, or paid-in surplus, then, the Pledgor shall accept any such instruments or distributions as the Administrative Agent's agent, shall receive them in trust for the Administrative Agent, and shall deliver them forthwith to the Administrative Agent in the exact form received with, as applicable, the applicable Pledgor's endorsement when necessary or appropriate undated stock or bond powers duly executed in blank, to be held by the Administrative Agent, subject to the terms hereof, as further collateral security for the Obligations.

SECTION 11.23. Binding Agreement. This Agreement and the terms, covenants, and conditions hereof, shall be binding upon and inure to the benefit of the parties hereto, and their respective heirs, executors, administrators, successors and assigns.

SECTION 11.24. Modification. Neither this Agreement nor any provisions hereof may be amended, modified, waived, discharged, or terminated, nor may any of the Collateral be released or the pledge or the security interest created hereby extended, except by an instrument in writing signed by the parties hereto.

SECTION 11.25. Severability. In case any lien, security interest, or other right of Administrative Agent hereunder shall be held to be invalid, illegal, or unenforceable, such invalidity, illegality, and/or unenforceability shall not affect any other lien, security interest, or other right of Administrative Agent hereunder.

SECTION 11.26. Governing Law. This Agreement (including matters of construction, validity, and performance), the rights, remedies, and obligations of the parties with respect to the Collateral to the extent not provided for herein, and all matters concerning the validity, perfection, and the effect of non-perfection of the pledge contemplated hereby, shall be governed by and construed in accordance with the laws of the State of North Carolina or other mandatory applicable laws. Notwithstanding anything herein, THE PLEDGOR AGREES TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NORTH CAROLINA AND THE UNITED STATES DISTRICT COURTS SITTING THEREIN IN ANY ACTION TAKEN BY ADMINISTRATIVE AGENT RELATING TO THIS AGREEMENT OR ANY PROVISIONS, RIGHTS OR REMEDIES HEREOF. THE PLEDGOR FURTHER AGREES THAT ANY ACTION TAKEN BY PLEDGOR RELATING TO THIS AGREEMENT OR ANY PROVISIONS, RIGHTS OR REMEDIES HEREOF SHALL BE TAKEN IN SAID COURTS AND SHALL NOT BE TAKEN IN ANY OTHER JURISDICTION. PLEDGOR RECOGNIZES THAT THIS COVENANT IS AN ESSENTIAL PROVISION OF THIS AGREEMENT, THE ABSENCE OF WHICH WOULD MATERIALLY ALTER THE CONSIDERATION GIVEN BY ADMINISTRATIVE AGENT AND SECURED PARTIES TO PLEDGOR.

SECTION 11.27. Duties of Administrative Agent. The Administrative Agent has been appointed by the Secured Parties pursuant to the Credit Agreement. Its duties to the Secured Parties, powers to act on behalf of the Secured Parties, and immunity are set forth solely therein, and shall not be altered by this Security Agreement. Any amounts realized by the Administrative Agent hereunder shall be allocated pursuant to Section 6.03 of the Credit Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Pledge Agreement to be duly executed and delivered as of the date first above written.

For the purposes of this definition, the covenants, terms, conditions or agreements contained in the Standstill Agreement which are deemed material shall include, without limitation, those contained in Sections 1(i), 1(ii) and 2 of the Standstill Agreement.

SECTION 2.01. New Section 5.40. New Section 5.40 is added to the Credit Agreement in appropriate order as follows:

SECTION 5.40. Standstill Agreement. The Borrower shall not, and shall not permit any Loan Party or other Subsidiary to, amend, supplement, restate or otherwise modify the Standstill Agreement without the consent of the Required Lenders.

SECTION 3. Conditions to Effectiveness. The effectiveness of this Amendment and the obligations of the Lenders hereunder are subject to the following conditions, unless the Required Lenders waive such conditions:

- (a) receipt by the Administrative Agent from each of the parties hereto of a duly executed counterpart of this Amendment signed by such party;

SECTION 4. No Other Amendment. Except for the amendments set forth above and those contained in the First Amendment to Credit Agreement dated October 30, 2008 (“First Amendment”), the Second Amendment to Credit Agreement dated February 20, 2009 (“Second Amendment”), the text of the Credit Agreement shall remain unchanged and in full force and effect. On and after the Third Amendment Effective Date, all references to the Credit Agreement in each of the Loan Documents shall hereafter mean the Credit Agreement as amended by the First Amendment, the Second Amendment and this Amendment. This Amendment is not intended to effect, nor shall it be construed as, a novation. The Credit Agreement, the First Amendment, the Second Amendment and this Amendment shall be construed together as a single agreement. This Amendment shall constitute a Loan Document under the terms of the Credit Agreement. Nothing herein contained shall waive, annul, vary or affect any provision, condition, covenant or agreement contained in the Credit Agreement, except as herein amended, nor affect nor impair any rights, powers or remedies under the Credit Agreement as hereby amended. The Lenders and the Administrative Agent do hereby reserve all of their rights and remedies against all parties who may be or may hereafter become secondarily liable for the repayment of the Notes. The Borrower and Initial Guarantors promise and agree to perform all of the requirements, conditions, agreements and obligations under the terms of the Credit Agreement, as heretofore and hereby amended, and the other Loan Documents being hereby ratified and affirmed. The Borrower and Initial Guarantors hereby expressly agree that the Credit Agreement, as amended, and the other Loan Documents are in full force and effect.

SECTION 5. Representations and Warranties. The Borrower and Initial Guarantors hereby represent and warrant to each of the Lenders as follows:

(a) No Default or Event of Default under the Credit Agreement or any other Loan Document has occurred and is continuing unwaived by the Lenders on the date hereof.

(b) The Borrower and Initial Guarantors have the power and authority to enter into this Amendment and to do all acts and things as are required or contemplated hereunder to be done, observed and performed by them.

(c) This Amendment has been duly authorized, validly executed and delivered by one or more authorized officers of the Borrower and Initial Guarantors and constitutes the legal, valid and binding obligations of the Borrower and Initial Guarantors enforceable against them in accordance with its terms, provided that such enforceability is subject to general principles of equity.

(d) The execution and delivery of this Amendment and the performance by the Borrower and Initial Guarantors hereunder do not and will not require the consent or approval of any regulatory authority or governmental authority or agency having jurisdiction over the Borrower, or any Initial Guarantor, nor be in contravention of or in conflict with the articles of incorporation, bylaws or other organizational documents of the Borrower, or any Initial Guarantor that is a corporation, the articles of organization or operating agreement of any

FOURTH AMENDMENT TO CREDIT AGREEMENT

THIS FOURTH AMENDMENT TO CREDIT AGREEMENT (this "Amendment") is made the 15th day of October, 2009, by and among THE ST. JOE COMPANY, a Florida corporation, ST. JOE TIMBERLAND COMPANY OF DELAWARE, L.L.C., a Delaware limited liability company, ST. JOE FINANCE COMPANY, a Florida corporation, the LENDERS listed on the signature pages hereof and BRANCH BANKING AND TRUST COMPANY, as Administrative Agent.

R E C I T A L S:

The Borrower, the Initial Guarantors, the Administrative Agent and the Lenders entered into a certain Credit Agreement dated as of September 19, 2008, as amended by a First Amendment to Credit Agreement dated October 30, 2008, a Second Amendment to Credit Agreement dated February 20, 2009 and a Third Amendment to Credit Agreement dated May 1, 2009 (referred to herein, as so amended, as the "Credit Agreement"). Capitalized terms used in this Amendment which are not otherwise defined in this Amendment shall have the respective meanings assigned to them in the Credit Agreement.

The Borrower and the Guarantors have requested the Administrative Agent and the Lenders to (i) change the definition of "Termination Date" within the Credit Agreement and (ii) amend Sections 2.06, 2.07, 5.01, 5.07, 5.12, 5.30 and 5.38 of the Credit Agreement, as set forth herein. The Lenders, the Administrative Agent, the Guarantors and the Borrower desire to amend the Credit Agreement upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the Recitals and the mutual promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Borrower, the Guarantors, the Administrative Agent and the Lenders, intending to be legally bound hereby, agree as follows:

SECTION 1. Recitals. The Recitals are incorporated herein by reference and shall be deemed to be a part of this Amendment.

SECTION 2. Amendments. The Credit Agreement is hereby amended as set forth in this Section 2.

SECTION 2.01. Amendment to Section 1.01. The definition of "Termination Date" set forth in Section 1.01 of the Credit Agreement is amended and restated to read in its entirety as follows:

"Termination Date" means the earlier to occur of (i) September 19, 2012, (ii) the date the Revolver Commitments are terminated pursuant to Section 6.01 following the occurrence of an Event of Default, or (iii) the date the Borrower terminates the Revolver Commitments entirely pursuant to Section 2.09.

SECTION 2.02. Amendment to Section 2.06(a). Section 2.06(a) of the Credit Agreement is amended and restated to read in its entirety as follows:

SECTION 2.06 Interest Rates.

(a) "Applicable Margin" shall be determined by the Administrative Agent from time to time, based upon the ratio of Total Indebtedness to Total Asset Value (as set forth in the Margin and Fee Rate Certificate most recently delivered by the Borrower pursuant to Section 5.01(j)), as follows:

Ratio of Total Indebtedness to Total Asset Value	Euro-Dollar Loans and Letters of Credit	Base Rate Loans
Greater than or equal to 40%	2.75%	1.75%
Greater than or equal to 25% but less than 40%	2.50%	1.50%
Greater than or equal to 10% but less than 25%	2.25%	1.25%
Less than 10%	2.00%	1.00%

Any adjustment to the Applicable Margin shall be effective (a) in the case of a Margin and Fee Rate Certificate delivered in connection with quarterly financial statements of the Borrower delivered pursuant to Section 5.01(b), as of the date 55 days following the end of the last day of the applicable Fiscal Quarter covered by such Margin and Fee Rate Certificate, (b) in the case of a Margin and Fee Rate Certificate delivered in connection with annual financial statements of the Borrower delivered pursuant to Section 5.01(a), as of the date 85 days following the end of the last day of the applicable Fiscal Year covered by such Margin and Fee Rate Certificate, and (c) in the case of any other Margin and Fee Rate Certificate, as of the date 5 Domestic Business Days following the Administrative Agent's request for such Margin and Fee Rate Certificate. If the Borrower fails to deliver a Margin and Fee Rate Certificate pursuant to Section 5.01(j), the Applicable Margin shall be determined as if the ratio of Total Indebtedness to Total Asset Value is greater than 40% until the date of the delivery of the required Margin and Fee Rate Certificate. As of the Closing Date, and thereafter until changed as provided above, the Applicable Margin shall be determined as if the ratio of Total Indebtedness to Total Asset Value is less than 10%. Any change in the Applicable Margin on any day shall result in a corresponding change, effective on and as of such day, in the interest rate applicable to the Advances and in the fees applicable to each Letter of Credit outstanding on such day; provided, that no Applicable Margin shall be decreased pursuant to this Section 2.06 if a Default is in existence on such day. In the event that any financial statement or Margin and Fee Rate Certificate delivered pursuant to Section 5.01 is shown to be, or becomes known to be, inaccurate (regardless of whether this Agreement or the Revolver Commitments are in effect when such inaccuracy is discovered, provided that neither the Administrative Agent nor any Lender shall request payment pursuant to this sentence more than two years after the termination of this Agreement and the Revolver Commitments and the payment in full of the principal of and interest on all Advances), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin under this Section 2.06 for any period rather than the Applicable Margin applied for such period, then (i) the Borrower shall immediately deliver to the Administrative Agent a corrected Margin and Fee Rate Certificate and related financial information for such period, (ii) the Applicable Margin shall be at the actual Applicable Margin under this Section 2.06 for such period, and (iii) the Borrower shall immediately pay to the Administrative Agent, for the account of the Lenders, the accrued additional interest owing as a result of such increased Applicable Margin for such period. The provisions of this Section 2.06(a) and this definition shall not limit the rights of the Administrative Agent and the Lenders with respect to Sections 2.06(b) or 2.06(c) or Article VI and shall survive the termination of this Agreement and the Revolver Commitments. For the purposes of determining the ratio of Total Indebtedness to Total Asset Value, indebtedness of a Qualified SPE attributable to Qualified Senior Notes shall be excluded and Qualified Installment Sale Notes shall not be included in determinations of Total Asset Value.

SECTION 2.03. Amendment to Section 2.06(c). Section 2.06(c) of the Credit Agreement is amended and restated to read in its entirety as follows:

(c) Each Euro-Dollar Advance shall bear interest on the outstanding principal amount thereof, for the Interest Period applicable thereto, at a rate per annum equal to the sum of: (1) the Applicable Margin, plus (2) the applicable Adjusted London InterBank Offered Rate for such Interest Period; provided, however, that interest on each Euro-Dollar Advance shall in no event be less than four percent (4%) per annum. Such interest shall be payable for each Interest Period on the last day thereof, provided that interest on Index Euro-Dollar Advances shall be payable on each Interest Payment Date while such Index Euro-Dollar Advance is outstanding and the date such Index Euro-Dollar Advance is converted to a Tranche Euro-Dollar Advance or repaid. Any overdue principal of and, to the extent permitted by applicable law, overdue interest on any Euro-Dollar Advance shall bear interest, payable on demand, for each day until paid in full at a rate per annum equal to the Default Rate.

The "London InterBank Offered Rate" applicable to any Euro-Dollar Advance means for the Interest Period of such Euro-Dollar Advance the rate per annum determined on the basis of the rate for deposits in Dollars offered for a term comparable to such Interest Period, which rate appears on the display designated as Reuters Screen LIBOR01 Page (or such other successor page as may replace Reuters Screen LIBOR01 Page or such other service or services as may be nominated by the British Banker's Association for the purpose of displaying London InterBank Offered Rates for U.S. dollar deposits) determined as of 11:00 a.m. London, England time,

two (2) Euro-Dollar Business Days prior to the first day of such Interest Period, provided that if no such offered rates appear on such page, the “London InterBank Offered Rate” for such Interest Period will be the arithmetic average (rounded upward, if necessary, to the next higher 1/100th of 1%) of rates quoted by not less than two (2) major lenders in New York City, selected by the Administrative Agent, at approximately 10:00 A.M., New York City time, two (2) Euro-Dollar Business Days prior to the first day of such Interest Period, for deposits in Dollars offered by leading European banks for a period comparable to such Interest Period in an amount comparable to the principal amount of such Euro-Dollar Advance.

“Euro-Dollar Reserve Percentage” means for any day that percentage (expressed as a decimal) which is in effect on such day, as prescribed by the Board of Governors of the Federal Reserve System (or any successor) for determining the maximum reserve requirement for a member bank of the Federal Reserve System in respect of “Eurocurrency liabilities” (or in respect of any other category of liabilities which includes deposits by reference to which the interest rate on such Euro-Dollar Advance is determined or any category of extensions of credit or other assets which includes loans by a non-United States office of any Lender to United States residents). The Adjusted London InterBank Offered Rate shall be adjusted automatically on and as of the effective date of any change in the Euro-Dollar Reserve Percentage.

SECTION 2.04. Amendment to Sections 2.07(a) and (b). Sections 2.07(a) and (b) of the Credit Agreement are amended and restated to read in their entirety as follows:

(a) The Borrower shall pay to the Administrative Agent for the ratable account of each Lender an unused commitment fee equal to the product of: (i) the aggregate of the daily average amounts of such Lender’s Unused Revolver Commitment, times (ii) a per annum percentage equal to .50%. Such unused commitment fee shall accrue from and including the Fourth Amendment Effective Date to and including the Termination Date. Unused commitment fees shall be payable quarterly in arrears on each Quarterly Payment Date and on the Termination Date; provided that should the Revolver Commitments be terminated at any time prior to the Termination Date for any reason, the entire accrued and unpaid fee shall be paid on the date of such termination.

(b) “Unused Revolver Commitment” means at any date, with respect to any Lender, an amount equal to its Revolver Commitment less the sum of: (i) the aggregate outstanding principal amount of its Revolver Advances (excluding Swing Advances); (ii) such Lender’s pro rata share of the aggregate outstanding principal amount of all advances made by the Letter of Credit Issuer pursuant to Section 11; and (iii) such Lender’s pro rata share of the Undrawn Amounts.

SECTION 2.05. Amendment to Section 5.01(j). Section 5.01(j) of the Credit Agreement is amended and restated to read in its entirety as follows:

(j) simultaneously with the delivery of each set of financial statements referred to in clauses (a) and (b) above, and within 5 Domestic Business Days of the Administrative Agent’s request with respect to any other date, a certificate (the “Margin and Fee Rate Certificate”) substantially in the form attached hereto as Exhibit K, reflecting the information needed for a determination of the ratio of Total Indebtedness to Total Asset Value and the Applicable Margin as at the end of such quarterly accounting period, fiscal year or other date, as the case may be, in such form as Administrative Agent shall in its sole discretion approve, together with Borrower’s calculation of the ratio of Total Indebtedness to Total Asset Value and the Applicable Margin, all as at the end of such quarterly accounting period, fiscal year or other date, as the case may be. Such Margin and Fee Rate Report shall be certified as to truth and accuracy by the Chief Financial Officer or other authorized officer of Borrower;

SECTION 2.06. Amendment to Section 5.07. Section 5.07 of the Credit Agreement is amended and restated to read in its entirety as follows:

SECTION 5.07. Minimum Consolidated Tangible Net Worth. Consolidated Tangible Net Worth shall at no time be less than \$800,000,000, plus 100% of the cumulative Net Proceeds of Capital Stock/Conversion of Debt received during any period after June 30, 2008, calculated quarterly at the end of each Fiscal Quarter.

SECTION 2.07. Amendment to Section 5.12. Section 5.12 of the Credit Agreement is amended and restated to read in its entirety as follows:

SECTION 5.12. Investments. No Loan Party nor any Subsidiary of a Loan Party shall make Investments in any Person except as permitted by Sections 5.08 and 5.10(i) through (v) and except Investments in (i) Cash and Cash Equivalents, (ii) commercial paper rated A-1 or the equivalent thereof by Standard & Poor's Corporation or P-1 or the equivalent thereof by Moody's Investors Service, Inc. and in either case maturing within 12 months after the date of acquisition, (iii) tender bonds the payment of the principal of and interest on which is fully supported by a letter of credit issued by a United States Bank whose long-term certificates of deposit are rated at least AA or the equivalent thereof by Standard & Poor's Corporation or AA or the equivalent thereof by Moody's Investors Service, Inc., (iv) any Guarantor; (v) existing Investments set forth on Schedule 5.12; (vi) Investments in Qualified Installment Sale Transactions, and (vii) Investments not otherwise permitted under this Section 5.12, made in the ordinary course of business that do not exceed \$175,000,000 in the aggregate at any one time (exclusive of Qualified Installment Sale Transactions), and at the time when any such Investment is to be made, and after giving effect thereto, no Default or Event of Default exists.

SECTION 2.08. Amendment to Section 5.30. Section 5.30 of the Credit Agreement is amended and restated to read in its entirety as follows:

SECTION 5.30. Additional Debt. No Loan Party or Subsidiary of a Loan Party shall directly or indirectly issue, assume, create, incur or suffer to exist any Debt or the equivalent (including obligations under capital leases), except for: (a) the Debt owed to the Lenders under the Loan Documents; (b) the Debt existing and outstanding on the Closing Date described on Schedule 5.30; (c) intercompany Debt permitted by Section 5.10 (iii), provided that such Debt is at all times subordinated to the Obligations pursuant to the Subordination Agreement; and (d) Debt not otherwise permitted under this Section 5.30, the aggregate outstanding principal amount of which shall not, at any time, exceed \$175,000,000 (provided, however, indebtedness of a Qualified SPE in respect of Qualified Installment Sale Transactions shall not be subject to this Section).

SECTION 2.09. Amendment to Section 5.38(c). Section 5.38(c) of the Credit Agreement is amended and restated to read in its entirety as follows:

(c) If the Administrative Agent or the Required Lenders reasonably determine that they are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property of St. Joe Timberland that constitutes or is to constitute Collateral, St. Joe Timberland will, at its own expense, provide to the Administrative Agent appraisals (or reimburse the Administrative Agent for such appraisals as Administrative Agent elects to obtain) which satisfy the applicable requirements of Applicable Laws, and which shall otherwise be in form and substance reasonably satisfactory to the Administrative Agent; provided, however, at any time a Trigger Event has occurred and is continuing, St. Joe Timberland will, at its own expense, provide to the Administrative Agent appraisals (or reimburse the Administrative Agent for such appraisals as Administrative Agent elects to obtain) in respect to all of the Mortgaged Property which satisfy the reasonable requirements of Administrative Agent in all material respects. As long as a Trigger Event is continuing, the Administrative Agent may require additional appraisals on all or any portion of the Mortgaged Property (at the sole expense of St. Joe Timberland) in its reasonable discretion.

SECTION 3. Conditions to Effectiveness. The effectiveness of this Amendment and the obligations of the Lenders hereunder are subject to the following conditions, unless the Required Lenders waive such conditions:

(a) receipt by the Administrative Agent from each of the parties hereto of a duly executed counterpart of this Amendment signed by such party;

(b) receipt by the Administrative Agent of all documents which the Administrative Agent may reasonably request relating to the existence of each Loan Party, the authority for and the validity of this Amendment and the other Loan Documents, and any other matters relevant hereto, all in form and substance satisfactory to the Administrative Agent, including without limitation an Officer's Certificate, signed by the Secretary, an Assistant Secretary, a member, manager, partner, trustee or other authorized representative of the respective Loan Party, certifying as to the names, true signatures and incumbency of the officer or officers of the respective Loan Party authorized to execute and deliver this Amendment and other Loan Documents, and certifying whether or not any changes to the entity's Organizational Documents has taken place since May 1, 2009, and certified copies of, if applicable, a certificate of the Secretary of State of such Loan Party's state of organization as to the good standing or existence of such Loan Party; and a copy of the Organizational Action taken by the board of directors of the Loan Party or the members, managers, trustees, partners or

(c) the fact that the representations and warranties of the Borrower and the Guarantors contained in Section 5 of this Amendment shall be true on and as of the date hereof; and

SECTION 4. No Other Amendment. Except for the amendments set forth above and those contained in the First Amendment to Credit Agreement dated October 30, 2008 ("First Amendment"), the Second Amendment to Credit Agreement dated February 20, 2009 ("Second Amendment"), and the Third Amendment to Credit Agreement dated May 1, 2009 ("Third Amendment"), the text of the Credit Agreement shall remain unchanged and in full force and effect. SECTION 2.02. Amendment to Section 5.38(c). Section 5.38(c) of the Credit Agreement is amended and restated to read in its entirety as follows:

(c) If (i) the Ratio of Total Indebtedness to Total Asset Value is greater than or equal to 35% (as determined upon the delivery of a Margin and Fee Rate Certificate in compliance with Section 5.01(j)) and the Required Lenders request to have appraisals prepared in respect of any Mortgaged Property of St. Joe Timberland that constitutes or is to constitute Collateral, or (ii) the Administrative Agent or the Required Lenders reasonably determine that they are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property of St. Joe Timberland that constitutes or is to constitute Collateral, St. Joe Timberland will, at its own expense, provide to the Administrative Agent appraisals (or reimburse the Administrative Agent for such appraisals as Administrative Agent or the Required Lenders elect to obtain) which satisfy the applicable requirements of Applicable Laws, and which shall otherwise be in form and substance reasonably satisfactory to the Administrative Agent; provided, however, at any time a Trigger Event has occurred and is continuing, St. Joe Timberland will, at its own expense, provide to the Administrative Agent appraisals (or reimburse the Administrative Agent for such appraisals as Administrative Agent or the Required Lenders elect to obtain) in respect to all of the Mortgaged Property which satisfy the reasonable requirements of Administrative Agent in all material respects. As long as a Trigger Event is continuing, the Administrative Agent (acting in its sole discretion or at the direction of the Required Lenders acting in their sole discretion) may require additional appraisals on all or any portion of the Mortgaged Property (at the sole expense of St. Joe Timberland).

SECTION 3. Joinder of Deutsche Bank Trust Company Americas. Deutsche Bank Trust Company Americas (a) represents and warrants that (i) it has full power and authority, and has taken all action necessary, to execute and deliver this Amendment and to consummate the transactions contemplated hereby (including the Commitment Increase) and to become a Lender under the Credit Agreement, (ii) it meets all requirements of an Eligible Assignee under the Credit Agreement (subject to receipt of such consents as may be required under the Credit Agreement), (iii) from and after the Fifth Amendment Effective Date, it shall be bound by the provisions of the Credit Agreement as a Lender thereunder and shall have the obligations of a Lender thereunder, (iv) it has received a copy of the Credit Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.01 thereof, as

applicable, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment on the basis of which it has made such analysis and decision independently and without reliance on the Administrative Agent or any other Lender, and (v) if it is a Foreign Lender, attached to this Amendment is any documentation required to be delivered by it pursuant to the terms of the Credit Agreement, duly completed and executed; and (b) agrees that (i) it will, independently and without reliance on the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents, and (ii) it will perform in accordance with their terms all of the obligations that by the terms of the Loan Documents are required to be performed by it as a Lender.

SECTION 4. Increase in Revolver Commitments. The Borrower, the Guarantors, the Administrative Agent and the Lenders acknowledge and agree that, as of the Fifth Amendment Effective Date, the aggregate amount of the Revolver Commitments shall be increased in an amount equal to \$25,000,000, for a total aggregate amount of the Revolver Commitments of all of the Lenders equal to \$125,000,000. The amended amount of each Lender's total Revolver Commitment is the amount set forth opposite the name of such Lender on the signature pages hereof. To the extent necessary, the Administrative Agent shall deliver to each Lender a Revolver Note executed by the Borrower in the amount of such Lender's respective Revolver Commitment.

SECTION 5. Reaffirmation. To induce the Administrative Agent and the Lenders to enter into this Amendment, the Borrower and the Guarantors hereby (a) restate and renew each and every representation and warranty heretofore made by them under, or in connection with the execution and delivery of, the Credit Agreement and the other Loan Documents (except to the extent any such representation or warranty is expressly stated to have been made as of a specific date, in which case such representation or warranty is true and correct as of such date); (b) restate, ratify and reaffirm each and every term and condition set forth in the Credit Agreement and in the Loan Documents; and (c) acknowledge and agree that there exists no right of offset, defense, counterclaim or objection in favor of the Borrower or any Guarantor as against the Administrative Agent or any Lender with respect to the payment or performance of the Obligations.

SECTION 6. Conditions to Effectiveness. The effectiveness of this Amendment and the obligations of the Lenders hereunder are subject to the following conditions, unless the Required Lenders waive such conditions:

(a) receipt by the Administrative Agent from each of the parties hereto of a duly executed counterpart of this Amendment signed by such party;

(b) the Administrative Agent shall have received resolutions from the Borrower and the Guarantors and other evidence as the Administrative Agent may reasonably request, respecting the authorization, execution and delivery of this Amendment;

(c) the fact that the representations and warranties of the Borrower and the Guarantors contained in Section 8 of this Amendment shall be true on and as of the date hereof; and

(d) All other documents and legal matters in connection with the transactions contemplated by this Amendment shall be reasonably satisfactory in form and substance to the Administrative Agent and its counsel.

SECTION 7. No Other Amendment. Except for the amendments set forth above and those contained in the First Amendment to Credit Agreement dated October 30, 2008 (“First Amendment”), the Second Amendment to Credit Agreement dated February 20, 2009 (“Second Amendment”), the Third Amendment to Credit Agreement dated May 1, 2009 (“Third Amendment”), and the Fourth Amendment to Credit Agreement dated October 15, 2009 (“Fourth Amendment”), the text of the Credit Agreement shall remain unchanged and in full force and effect. On and after the Fifth Amendment Effective Date, all references to the Credit Agreement in each of the Loan Documents shall hereafter mean the Credit Agreement as amended by the First Amendment, the Second Amendment, the Third Amendment, the Fourth Amendment and this Amendment. This Amendment is not intended to effect, nor shall it be construed as, a novation. The Credit Agreement, the First Amendment, the Second Amendment, the Third Amendment, the Fourth Amendment and this Amendment shall be construed together as a single agreement. This Amendment shall constitute a Loan Document under the terms of the Credit Agreement. Nothing herein contained shall waive, annul, vary or affect any provision, condition, covenant or agreement contained in the Credit Agreement, except as herein amended, nor affect nor impair any rights, powers or remedies under the Credit Agreement as hereby amended. The Lenders and the Administrative Agent do hereby reserve all of their rights and remedies against all parties who may be or may hereafter become secondarily liable for the repayment of the Notes. The Borrower and the Guarantors promise and agree to perform all of the requirements, conditions, agreements and obligations under the terms of the Credit Agreement, as heretofore and hereby amended, and the other Loan Documents being hereby ratified and affirmed. The Borrower and the Guarantors hereby expressly agree that the Credit Agreement, as amended, and the other Loan Documents are in full force and effect.

SECTION 8. Representations and Warranties. The Borrower and the Guarantors hereby represent and warrant to each of the Lenders as follows:

(a) No Default or Event of Default under the Credit Agreement or any other Loan Document has occurred and is continuing unwaived by the Lenders on the date hereof, or shall result from the Commitment Increase.

(b) The Borrower and the Guarantors have the power and authority to enter into this Amendment and to do all acts and things as are required or contemplated hereunder to be done, observed and performed by them.

(c) This Amendment has been duly authorized, validly executed and delivered by one or more authorized officers of the Borrower and the Guarantors and constitutes the legal,

valid and binding obligations of the Borrower and the Guarantors enforceable against them in accordance with its terms.

(d) The execution and delivery of this Amendment and the performance by the Borrower and the Guarantors hereunder do not and will not require the consent or approval of any regulatory authority or governmental authority or agency having jurisdiction over the Borrower, or any Guarantor, nor be in contravention of or in conflict with the articles of incorporation, bylaws or other organizational documents of the Borrower, or any Guarantor that is a corporation, the articles of organization or operating agreement of any Guarantor that is a limited liability company, or the provision of any statute, or any judgment, order or indenture, instrument, agreement or undertaking, to which any Borrower, or any Guarantor is party or by which the assets or properties of the Borrower and the Guarantors are or may become bound.

SECTION 9. Counterparts. This Amendment may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which, taken together, shall constitute one and the same agreement.

SECTION 10. Governing Law. This Amendment shall be construed in accordance with and governed by the laws of the State of North Carolina.

SECTION 11. Effective Date. This Amendment shall be effective as of December 23, 2009 (“Fifth Amendment Effective Date”).

IN WITNESS WHEREOF, the parties hereto have executed and delivered, or have caused their respective duly authorized officers or representatives to execute and deliver, this Amendment as of the day and year first above written.
