**THE ST. JOE COMPANY REPORTS FIRST QUARTER 2024 RESULTS AND  
DECLARES A QUARTERLY DIVIDEND OF \$0.12**

Highlights for the first quarter of 2024 as compared to the first quarter of 2023:

- Revenue increased by 20%.
- Operating income increased by 42%.
- Net income attributable to the Company increased by 34%.

**Panama City Beach, Florida** – (April 24, 2024) – The St. Joe Company (NYSE: JOE) (the “Company,” “We,” or “Our”) today reports first quarter 2024 results.

Jorge Gonzalez, the Company’s President and Chief Executive Officer, said, “St. Joe continues to show solid organic growth following record performance in 2023. Hospitality revenue grew by 60% with new hotels and increased Watersound Club memberships. Leasing revenue grew by 21% with over 1,000 leased multi-family and senior living units as of March 31, 2024. Residential real estate revenue grew by 10%. We sold 216 homesites in the first quarter of 2024 with a higher average base sales price of \$117,000 and increased margins year over year. The Latitude Margaritaville Watersound unconsolidated joint venture continued to expand with 177 completed home sales in the quarter.”

Mr. Gonzalez concluded, “We are building a diverse portfolio of complementary businesses. The growth of our hospitality segment exposes more visitors to and helps grow our residential communities, which in turn creates more customers for and helps grow our commercial leasing portfolio. As our commercial leasing portfolio grows, more shopping and entertainment opportunities arise, which further drives increased visitation. Our profits and the value of our surrounding lands are expected to increase with each development. We believe our future is bright, and we have just started to scratch the surface.”

---

## **Consolidated First Quarter 2024 Results**

Revenue for the first quarter of 2024 increased by 20% to \$87.8 million as compared to \$73.0 million for the first quarter of 2023. Hospitality revenue increased by 60% to \$39.3 million and leasing revenue increased by 21% to \$14.3 million. Residential real estate revenue increased by 10% to \$30.8 million due to increased average sales price and mix of sales from different communities. Commercial and forestry real estate revenue decreased from \$5.9 million to \$1.4 million as the Company continues to lease and operate more assets and sell less undeveloped land.

Over the past several years, the Company entered into joint ventures which are unconsolidated and accounted for using the equity method. For the three months ended March 31, 2024, these unconsolidated joint ventures had \$95.8 million of revenue, as compared to \$81.8 million for the same period in 2023. The Company's economic interests in its unconsolidated joint ventures resulted in \$7.4 million in equity in income from unconsolidated joint ventures in the first quarter of 2024, as compared to \$3.7 million in the first quarter of 2023. Although these business ventures are not included as revenue in the Company's financial statements, they are part of the core business strategy which generates substantial financial returns for the Company.

Net income attributable to the Company for the first quarter of 2024 increased by 34% to \$13.9 million, or \$0.24 per share, as compared to net income of \$10.4 million, or \$0.18 per share, for the same period in 2023.

Earnings before interest, taxes, depreciation and amortization ("EBITDA"), a non-GAAP financial measure, for the three months ended March 31, 2024, increased by 43% to \$34.9 million, as compared to \$24.4 million for the same period in 2023. Depreciation is a non-cash, GAAP expense which is amortized over an asset's prescribed life, while maintenance and repair expenses are period costs and expensed as incurred. See Financial Data below for additional information, including a reconciliation of EBITDA to net income attributable to the Company.

On April 24, 2024, the Board of Directors declared a cash dividend of \$0.12 per share on the Company's common stock, payable on June 13, 2024, to shareholders of record as of the close of business on May 15, 2024.

### **Real Estate**

Total real estate revenue decreased by 7% to \$34.2 million in the first quarter of 2024, as compared to \$36.7 million in the first quarter of 2023. Residential real estate revenue increased by 10% to \$30.8 million for the first quarter of 2024, as compared to \$28.0 million for the first quarter of 2023. Commercial and forestry real estate revenue totaled \$1.4 million in the first quarter of 2024, as compared to \$5.9 for the first quarter of 2023.

The Company sold 216 homesites at an average base price of approximately \$117,000 and gross margin of 50.0%, in the first quarter of 2024, as compared to 327 homesites (including 100 entitled but undeveloped homesites in the Company's SouthWood community, located in Tallahassee, Florida) at an average base price of approximately \$62,000 and gross margin of 41.0% in the first quarter of 2023. Excluding the sale of the 100 entitled but undeveloped homesites in the Company's SouthWood community, the average sales price per homesite in the first quarter of

---

2023 was approximately \$80,000. The differences in the average sales price, number of homesite closings and gross margin period over period were due to the mix of sales in different communities.

As of March 31, 2024, the Company had 1,335 residential homesites under contract, which are expected to result in revenue of approximately \$119.8 million, plus residuals, over the next several years, as compared to 1,915 residential homesites under contract for \$165.0 million, plus residuals, as of March 31, 2023. The change in homesites under contract is due to increased homesite closing transactions during 2023 and the first quarter of 2024 and the amount of remaining homesites in current phases of residential communities. The Company's residential homesite pipeline has over 21,000 homesites in various stages of development, engineering, permitting or concept planning.

The Latitude Margaritaville Watersound unconsolidated joint venture, planned for 3,500 residential homes, had 130 net sale contracts executed in the first quarter of 2024. Since the start of sales in 2021, there have been 1,743 home contracts. For the first quarter of 2024, there were 177 completed home sales bringing the community to 1,181 occupied homes. The 562 homes under contract as of March 31, 2024, with an average sales price of approximately \$541,000, are expected to result in sales value of approximately \$303.9 million at completion, as compared to 679 homes under contract as of March 31, 2023, with an average sales price of approximately \$497,000.

### **Hospitality**

Hospitality revenue increased by 60% to \$39.3 million in the first quarter of 2024, as compared to \$24.5 million in the first quarter of 2023. Hospitality revenue continues to benefit from the growth of the Watersound Club membership program and the opening of five hotels throughout 2023. As of March 31, 2024, the Company had 3,433 club members, as compared to 2,653 club members as of March 31, 2023, an increase of 780 net new members. As of March 31, 2024, the Company owned (individually by the Company or through consolidated and unconsolidated joint ventures) eleven hotels with 1,177 operational hotel rooms, as compared to seven hotels with 616 rooms as of March 31, 2023. 2024 will be the first full year of operations for five new hotels. In addition, a new Residence Inn by Marriott hotel with 121 rooms opened in April 2024, bringing the Company's current total to twelve hotels with 1,298 rooms.

### **Leasing**

Leasing revenue from commercial, office, retail, multi-family, senior living, self-storage and other properties increased by 21% to \$14.3 million in the first quarter of 2024, as compared to the same period in 2023. As of March 31, 2024, the Company (individually by the Company or through consolidated and unconsolidated joint ventures) had 1,383 leasable multi-family and senior living units.

---

**Reconciliation of Non-GAAP Financial Measures (Unaudited)**  
(\$ in millions)

Earnings before interest, taxes, depreciation and amortization (“EBITDA”) is a non-GAAP financial measure, which management believes assists investors by providing insight into operating performance of the Company across periods on a consistent basis and, when viewed in combination with the Company results prepared in accordance with GAAP, provides a more complete understanding of factors and trends affecting the Company. However, EBITDA has limitations as an analytical tool and should not be considered in isolation or as a substitute for analysis of results reported under GAAP. EBITDA is calculated by adjusting “Interest expense”, “Investment income, net”, “Income tax expense”, “Depreciation, depletion and amortization” to “Net income attributable to the Company”.
